

Answers to questions that arose during the results presentation on 1/8

- 1) What items “roll up” to each scale?

To learn what items are summed to come up with the scale mean, visit the “Scale Report” within the Noel Levitz results. Click on the name of the scale to expand it, and you’ll see the items that comprised that particular scale. For example, the items that made up the Student Centeredness scale are items 1, 2, 10, 29, 45, 59.

- 2) What does the order of the items listed in the “Strategic Planning Overview” signify?
