UNIVERSITY SUPERVISORS

If there is a change in a cooperating teacher, it is vitally important to notify the Clinical Experiences Secretary, Marlene Erickson 218-755-2930, merickson@bemidjistate.edu, of this change.

Names of cooperating teachers (need accurate spelling) are used in the following ways:

• Payments to the placement school
• Recommendations received are tracked

Thanks for your help. We want the correct cooperating teachers to be recognized for their participation.

PLEASE DISCARD STUDENT COVER LETTERS AND RESUMES AT END OF SEMESTER. (SHRED IF POSSIBLE).
