

Minnesota Undergraduate Psychology Conference (MUPC) Presentations by BSU Psychology Students

2011

- Bain, Josey; Bauerfeld, Annie; Ladig, Jessie; Ronich, Jessie; & Tenney, Ashley. *The effects of microaggressions on American Indians.*
- Bain, Josey; Brasil, Audrey; Froemke, Chelsea; Goodwin, Cheri; Ronich, Jesse; & Showers, April. *The balance of social networking and stress S² 7.0.*
- Eastridge, Stephen; Gano, David; Lundquist, Christina; Morrisette, Zachary; Stapleton, Billy; & Ward, Cassandra. *Implicit associations and cross cultural knowledge.*
- Ellison, Brina; Frisch, Brianna; Hall, Erin; & Zamora, Irene. *Focus on nature: Testing attention restoration theory.*
- Erickson, Carissa; Lundquist, Christina; Showers, April; & Zamora, Irene. *Microaggressions on American Indian college students.*
- Hall, Erin; & Ricke, Patricia. *The effect of Facebook content on perceived college drinking norms.*

2010

- Ang, Ernest Joon Shiong; Koh, Shaw Hui, & Hengstler, Kirsten J. *Automatic processing of stereotypes in ambiguous situations using the progressive weapons identification task.*
- Carter, Joseph; & Zamora, Irene. *Native identity, perceived discrimination, and academic success.*
- Chuah, Stephanie Shin Ju; & Warrington, Charity. *Cultural and university effects on native students' academic success.*
- Crowson, Michele; & Seedorf, Ashley. *An investigation of variables that predict bar patrons' accuracy in estimating blood alcohol concentration.*
- Gano, David. *Jackpots in animal training: Do they work?*
- Hughes, Lori. *Measures of prejudice in liberal education courses.*
- Hughes, Lori; Gagnon, Travis, & Little, Trista. *A field study investigating the effect of cues on estimating alcohol intoxication.*

2009

- Chong, Ming Mun; & Gaston, N. Rose. *Student perceptions of the goals of liberal education.*
- Elstad, Sarah; Trepanier, Katie; & Sladky, Emily. *Student alcohol and Facebook use: An investigation of alcohol-related social norms.*
- Hengstler, Kirsten. *How perfectionist tendencies contribute to the use of either maladaptive or adaptive coping strategies.*
- Hughes, Lori. *Psychology in India: Environmental, biological, and social factors.*
- Hughes, Lori; & Yong, Chiao Thong. *Alternatives to punishment: An assessment of student knowledge.*
- Wear, Kiley. *Children dealing with autism and Asperger's disorder and the treatments used.*

Zimmermann, Sara; Stow, Megan; & Sainio, Collin. *An investigation of intoxication levels of designated drivers.*

2008

Carrier, Ann. *Carl Rogers and person-centered therapy: Current status and research.*

Carrier, Ann. *Frequency of statistical tests.*

Cheah, Ui Hua. *Carl Jung's concept of synchronicity.*

Sorensen, Carl; Cheah, Ui Hua; & Moran, Mike. *Time of day and exercise effects on cognitive performance.*

2007

Chan, Yee Mun. *The scientific progress of yin and yang.*

Chiok, Phaik Lai; Ho, Melissa; & Schenkey, Erin. *Anti-intellectualism and mathematics self-concept among college students.*

Ho, Melissa L. *Leonardo da Vinci and his contributions to visual perception.*

Kum, Grace. *The history and development of music therapy.*

LaCroix, Marcy. *Sibling bereavement.*

Maliamauv, Katrina Jorene. *Understanding risky behaviors: Implications for prevention and intervention strategies.*

Tan, Ai Rene; & Wong, Xiao Qing. *Relationship between student anti-intellectualism and career interest.*

Tan, Elaine; Wong, Xiao Qing; Sorensen, Carl; Tan, Ai Rene; Ng, Zheng Bin; Suaw, Ching Ching; & Moran, Michael. *The influence of time of day and exercise on cognitive performance.*

2006

Balsimo, Maria. *Causal theories of intimate partner violence: A literature review.*

Chau, Isabel. *A literature review of attachment styles on cognitive factors in children.*

Kwan, Mun Yee; & Ting, Fenella. *The relationship between perfectionism and self-esteem.*

Litfin, Amy. *The effects of authoritative and authoritarian parenting styles on child development.*

Nolan, Greg. *Effectiveness of an implemented curriculum: Real world vs. laboratory research.*

Tin, Pei Shan; & Low, Xin Yuan. *Exploration of nature-nurture issue of aggression.*

Wentland, Liz. *Personality development in children of alcoholics: A review of the literature.*

2005

Balsimo, Maria. *Causal theories of intimate partner violence: A literature review.*

Chau, Isabel. *A literature review of attachment styles on cognitive factors in children.*

Kwan, Mun Yee; & Ting, Fenella. *The relationship between perfectionism and self-esteem.*

- Litfin, Amy. *The effects of authoritative and authoritarian parenting styles on child development.*
- Nolan, Greg. *Effectiveness of an implemented curriculum: Real world vs. laboratory research.*
- Tin, Pei Shan; & Low, Xin Yuan. *Exploration of nature-nurture issue of aggression.*
- Wentland, Liz. *Personality development in children of alcoholics: A review of the literature.*

2004

- Balsimo, Maria. *Causal theories of intimate partner violence: A literature review.*
- Chau, Isabel. *A literature review of attachment styles on cognitive factors in children.*
- Kwan, Mun Yee; & Ting, Fenella. *The relationship between perfectionism and self-esteem.*
- Litfin, Amy. *The effects of authoritative and authoritarian parenting styles on child development.*
- Nolan, Greg. *Effectiveness of an implemented curriculum: Real world vs. laboratory research.*
- Tin, Pei Shan; & Low, Xin Yuan. *Exploration of nature-nurture issue of aggression.*
- Wentland, Liz. *Personality development in children of alcoholics: A review of the literature.*

2003

- Chan, Sarah; & Gradine, Tammy. *The effects of student academic identity and socioeconomic background on college student adjustment scores.*
- Chiodo, Wade; Meeker, Troy; & Dedrickson, Breanna. *Academic identity, anti-intellectualism, and college adjustment: A correlational study.*
- Chew, Evelyn; Gan Huey Sien; & Kho Ivey. *Academic identity: Is it related to parent education and SES.*
- Grosfield, Niki; Hajek, Beth; Kelly, Margaret; & Soo Ai May. *Stereotypes of first-year college students based on socio-economic status.*
- Kallerman, Lindsy; Kluthe, Carolyn; Lislegard, Karen; & Zika, Nicholas. *Domain identity as a moderator of stereotype threat in men's verbal performance.*
- Kallerman, Lindsy; Kluthe, Carolyn; Lislegard, Karen; & Zika, Nicholas. *Gender identity as a moderator of stereotype threat in men's verbal performance.*
- Kelly, Margaret. *A culture of squats: A comparative study between Amsterdam, Berlin, and Geneva with policy recommendation.*
- Mayer, Jennifer. *An examination of factors related to women's perceptions of female celebrities' body sizes.*
- Soo Ai May. *Culture and parenting: A cross-cultural examination.*

2002

- Arneson, Justin. *Anxiety profile as a mediator of working memory and math performance.*
- Arneson, Justin; & Douglas, Jason. *Environmental factors as predictors of middle school students' knowledge and opinions regarding water quality.*

Douglas, Jason; & Simonet, Lisa. *Concreteness and familiarity as predictors of proverb validity in measures of abstract reasoning ability.*

Farnsworth, Donnie. *Relationship between coping strategies and math anxiety: Intervening variables in math.*

Hoffman, Scott. *Investigating the relationship between numerical memory and fraction skills.*

2001

Beltz, Nicole. *Perspectives of student higher education values.*

Krogstad, Darla J.; & Miller, Jodi L. *Processing efficiency and math anxiety: A test of the inhibition deficiency hypothesis.*

Martinson, Melissa K. *Profile of stress, anxiety, and management among college students.*

Roberts, Matthew. *A profile of stressful events in a college student population.*

2000

- Bowman, Jeff. *Sex and contextual differences in self-esteem.*
- Bowman, Jeff; & Plum, Julia. *Higher education values project.*
- Collins, Lynn; & Finberg, Jasmine. *Differences between high and low achieving students in mathematics: Individual recall procedures, efficiency, and confidence.*
- LeTexier, Kate; Schwab, Drew; Kroshus, Pam; & Owens, James. *The effect of need for cognition and math anxiety on the mathematical abilities of college students.*
- Nelson, Nathan. *Effect of lighting condition on task appraisal.*
- Olson, Nowelle K. *Attachment theory and foster children.*
- Tom, Lindsey. *The effects of parental loss on children's personalities.*

1999

- Balsley, Allen; Indahl, James; & Stroup, Michele. *The effects of perceived time constraints and gender on sample GRE-type math tests.*
- Byers, Karsten; & LeTexier, Kate. *Bemidji State University Values Project.*
- Elj, Tina; & Ramirez, Jodi. *Underlying reasons for absenteeism at a rural college setting.*
- Gonzalez, John. *The effects of knowledge on attitudes towards Native Americans.*
- Gonzalez, John. *Positive and negative informational effects on attitudes towards Native Americans.*
- Lerfald, Jennifer. *Effect of study in organic chemistry on mental rotation ability.*

1998

- Asleson, Wesley. *Religious attitudes and behavior survey.*
- Bakker, Melissa. *Childhood rape, family support, and a family secret: A case study.*
- Binder, Marilyn; Johnson, Krista; Parish, Trisha; & Santa Maria, Cordelia. *Effects of gender and physical attractiveness on prejudicial attitudes toward women.*
- Binder, Marilyn; Lilleby, Clayton; Long, Amy; & Timmerman, Sarah. *Suggestion and reconstructive memory for an emotional event.*
- Hanson, Michael. *Training staff to apply behavioral programs for adolescents.*
- Lerfald, Jennifer; Long, Amy; & Santa Maria, Cordelia. *Proverb familiarity and interpretation scores.*
- Prazak, Douglas. *Intercultural socialization in a campus dining facility.*

1997

- Baichoo, Vikash; & Shoor, Helen. *Family education background and thinking skills.*
- Brazier, Stacey; Dial, Shadd; Norling, John; & Haataja, Sonja. *Water and mood.*
- Brooks, Brian; & Yukich, Kristin. *Social influence versus schema activation: Two competing explanations for the effects of outgroup slurs.*
- Dial, Shadd; & Brazier, Stacy. *The effect of a gender slur on the evaluation of a woman.*
- Henry, Stacy; Ito, Naoko; & Scharpe, Kaaren. *Predicting discrimination using Crandall's Anti-Fat Scale.*

- Najjar, Anne Marie. *Encopresis incorporated with poor hygiene.*
- Pawlenty, Carrie. *The stigma of mental illness in the media.*
- Scharpe, Kaaren. *Defense mechanisms: The effects of age ego development, and sex.*
- Shoor, Helen; & Christianson, Lars. *Creativity development using surrealistic stimuli.*
- Shoor, Helen; & Christianson, Lars. *The stereotypes created by the gender-specific, non-marital status term.*
- Yukich, Kristin; Nordling, Livia; & Randall, Da'Nel. *The effects of background color on the memory recall for words.*

1996

- Brooks, Brian. *The effects of imagery on environmental context effects.*
- Brooks, Brian. *The scientific search for unconscious processes.*
- Hough, Carol A. *Age differences in reality monitoring.*
- Hough, Carol; Schummer, Heidi; & Takashima, Mie. *Effects of gender stereotype consistency and inconsistency with primacy and recency effects on recall and attraction.*
- Jewell, George; & Peterson, Mark. *The effect of salient symbols on the perception of out-group homogeneity.*
- O'Neill, Toby. *Locus of control: Literature review.*
- O'Neill, Toby; & Nelson, Becky. *The impact of time, justification, and analysis on the framing effect.*
- Scharpe, Kaaren. *U.S. children's understanding of death: Pet death.*

1995

- Chap, Lori R. *The effect of prejudice and should-would discrepancies on interaction time.*
- Guptill, Dana; Litzau, Jennifer; & Schmidt, Jennifer. *Victim attribution through the eyes of the selective processing hypothesis.*
- Olson, Josephine. *Women and aggression.*
- Welsh, Patrick J.; Holden, Cory C.; & Belluzzo, Rachel. *Perceived effectiveness in delivering a lecture as influenced by a woman's breast size.*
- Welsh, Patrick J., & Holden, Cory C. *Timbre perception in known and unknown melodies.*

1994

- Chia, Li-Jean. *Beneath the mask: A study of Asian personality theories.*
- Chia, Li-Jean. *The cultural divide: Integrating East and West at the university's mental health counseling center.*
- Kwan Sau Yee, Virginia. *Use of a changing criteria design in increasing social interaction between international students and English speakers in a college setting.*
- Lei Pui Wa, Constance. *Follow-up contact and abusive relationships among women receiving services at a battered women's shelter.*
- Matz, Dave; Doeden, Sarah; & Wambach, Jason. *Undergraduate attitudes toward critical thinking programs.*

Moeller, Nancy; Anderson, Lisa; Becker, Melissa; Belluzo, Rachel; Chad, Cory; Gunwall, Melissa; Hirose, Fukiko; Lei Pui Wa, Constance; Matz, Dave; Wambach, Jason; & Welsh, Pat. *Cognitive reading strategies and student beliefs - 22 colleges.*

Moeller, Nancy; Anderson, Lisa; Becker, Melissa; Belluzo, Rachel; Chad, Cory; Gunwall, Melissa; Hirose, Fukiko; Lei Pui Wa, Constance; Matz, Dave; Wambach, Jason; & Welsh, Pat. *Cognitive strategies for reading comprehension - 50 colleges.*

1992

Brandt, Shelia. *Maladaptive religious styles.*

Churness, Donna M. *Internal-external locus of control and alcohol.*

Kujava, Chris. *Effects of sports anxiety and coping strategy on athletes' performance.*

Kujava, Chris. *Effects of test anxiety, coping strategy, and locus of control on test performance.*

Lai, Portia. *A love-style of three cultures.*

McCarty, Sheila. *Sigmund Freud: How his childhood affected his life and theories.*

Sifonis, Cindy. *The self: A comparison and contrast between Eastern and Western.*

Troge, Jeanne. *Synchronicity: The bridge between the East and West.*

Veerasamy, Suthakaran. *Implicit memory: Different systems to process verbal vs. nonverbal items?*

1991

Charging Hawk, Dorothy. *Sociobiological perspectives on behavior.*

Clark, Ruth. *Female first-authorships.*

Fritze, Loren. *Discomfort and second-hand smoke: Proximity to a contaminated territory.*

Fritze, Loren. *The priming effect of free recall on recognition.*

Sjulson, Naiwon. *Body image distortion as a function of negative affect.*

Sjulson, Naiwon. *Is Freud still with us? An historical review of research.*

Veerasamy, Suthakaran. *Differences in locus of control between various population densities.*

1990

Fritze, Loren Wayne. *Ethical influences on animal research.*

Haarstad, Cindy J., & Petrowski, Monica A. *Misleading post-event information: The role of stimulus saliency.*

Laakkonen, Kristen L. *Relating death anxiety with nightmare frequency: Age as a moderating variable.*

Palmer, LeAnne. *Cognitive arithmetic: Individual differences and the interactions between the columns in complex addition.*

Petrowski, Monica A. *Mentioning subjects' gender in methods sections: Effects of journal type, year, and author gender.*

Samy, Suthakaran. *Assessment of fluctuation in quantity of college suicide research: 1948-1987.*

Simons, Carol. *White American stereotypes of American Indians.*

Thompson, Kelly J. *The occurrence of personality and intelligence testing articles as a function of year: 1931-1951.*

Thompson, Kelly J. *The relationship between depression and perceived social support among college students.*

1989

Bauernfeind, Timothy P, & Petrowski, Monica A. *Validation of a new, no-confederate procedure for studying conformity.*

Birnstihl, Jade, & Huset, Laurel. *Effects of racial stereotypes on disciplinary decision making.*

Boie, Kenneth S. *The interaction between differences in the ones and tens columns in two-digit addition problems.*

Boie, Kenneth S. *What the public does not know is not going to hurt them.*

Bonde, Jennifer. *Brightness, loudness, and pitch: The effects of word intensity and word order on interest and memorability of short phrases.*

Folsom, E. Gale. *Precipitating factors that effect the return to college of rural adult women.*

Jensen, Jason, & Marhula, Heidi. *Confirmation bias shown in a simulated courtroom: Prejudicial recall of information against American Indians.*

Larson, Paul. *A correlation of the Myers-Briggs type indicator with the Rest Defining Issues Test.*

Odegard, Tara, & Eckes, LuAnn. *Memory for objects stored in provided versus generated locations: Effects of interactive imagery.*

Ryan, Michelle. *The relationship between time, authorship, and content: A focus on gender difference articles.*

Ryan, Michelle, & Boie, Kenneth. *Confirmation bias and its effects on the interaction between attractiveness and amount of information.*

Sorenson, Jodi K. *The reduction of hindsight bias as a function of outcome knowledge and past job performance.*

1988

Kauffman, David, & Geary, Darren. *The effect of figural perception on mental rotation rates.*

Kauffman, David, & Olson, Peter. *Varying degrees of word restructuring on Stroop tasks.*

Lewin, Shari. *Relationship between journal type and gender specification of subjects.*

Maki, Kristin. *Child abuse and the historical role of psychology based on Psychological Abstracts.*

Maki, Kristin, & Lewin, Shari. *Effects of modality and gender on subliminally presented stimuli.*

Olson, Mark. *Ecology in nursing home vs. congregate housing environments as measured by locus of control, purpose in life, and activity.*

Thorson, Brittania. *Sexual deviations in literature: A review of fifty years.*

1987

- Beebe, Timothy J. *Validity of the Bennett Mechanical Comprehension Test in predicting mechanical task performance.*
- Bundy, Pamela. *Sexual abuse prevention: How effective is training?*
- Bundy, Pamela. *Test anxiety and relaxation effects on children's memory.*
- Corneliusen, C. B. *Effects of race on helping behavior.*
- Kauffman, David. *Effects of secondary cigarette smoke on helping behavior: An environmental stressor analysis.*
- Vangstad, Lori. *Authorship patterns and gender differences: An historical analysis.*

1986

- Beebe, Timothy James. *The effects of status and intrusion on visual behavior.*
- Beebe, Timothy James. *An historical analysis of physiologically based approaches in schizophrenia and depression.*
- Brouse, Daniel J. *Subliminal perceptual accuracy of words compared to symbols.*
- LaFountain, Jodi. *Cigarette smoke as an environmental stressor: Effects on helping behavior.*
- Sponsler, Joseph Craig. *Race, cost, and helping behavior: Whites and American Indians.*
- Tibbetts, Sandra, R. *The effects of intruder attractiveness and environment on reactions to personal space invasions.*
- Urban, Timothy Paul. *Trends in the number of reference citations and their ages: 1920-1984.*
- Vangstad, Lori S. *Popularity in grade school: Athletic ability, physical attractiveness, and gender.*

1985

- Elofson, Bonnie. *Dimensions of wilderness purism: A factor analytic approach.*
- Elofson, Bonnie. *Number of women as subjects in psychological research from 1915 to 1975.*
- Everson, Lisa B. *Another look at the new Deitz illusion: Effects of direction, degree of offsetness, and distance between rows of dots.*
- Lindenbaum, Patti A. *The appearance of hypothesis testing in three areas of psychological research.*
- Miller, Paul. *Use of the California Psychological Inventory as a selection device for resident assistants.*
- Noble, LaNora I. *The background color of an illusion: Is the standard white background the best for illusions?*
- Thorson, Sharon. *The effects of secondary cigarette smoke on altruism.*

1984

- Allen, Thomas R. *The episodic and semantic distinction in a fragment completion task.*

- Bachman, Ronet D. *An investigation of androgyny and self-esteem: Pre-post testing performed on a human sexuality class and an introductory psychology class.*
- Edwards, Kelly. *Victim attractiveness, victim's pre-rape behavior, and subject's authoritarianism as determinants of blame in rape.*
- Everson, Lisa B. *Social rules governing choice of a target of aggression in male children.*
- Noble, LaNora I. *Two-dimensional information versus three-dimensional information and task performance: The Tower of Hanoi puzzle.*
- Potter, Sandra J. *Effects of complexity levels in mental paper folding tasks: A comparison of males and females.*

1983

- Flannagan, John. *The effects of male disclosure level on the subsequent traits attributed to the person disclosing.*
- Furnas, Patti L. *Right brain functioning and suggestibility.*
- Lunde, Timothy J. *The Pulfrich pendulum phenomenon: Apparent depth as a function of stimulus color and observation distance.*
- Scheck, Mary. *The relationship of age and offender characteristics to nature of punishment proposed for responsibility in alcohol related car incidents.*
- Schrom, Richard. *The construct validity of three measures of introversion-extroversion.*
- Selberg, Diane L. *The overemphasis of the rat as a subject in research from 1921-1982.*
- Smith, Jeffrey M. *The effects of several antecedent strategies on the reduction of two environmentally destructive behaviors.*
- Stoeckig, Keiko. *Notational recognition as a function of musical meaningfulness: A musical analog to the Reicher experiment.*
- Wackwitz, Don. *Gambler preference correlates to locus of control.*

1982

- Canivez, Gary L. *Sine wave difference illusion: A replication and extension.*
- Furnas, Patti Lynn. *The effects of imagery and handedness on creativity.*
- Furnas, Patti, & Smith, Jeffrey. *The effects of cold weather on altruism.*
- John, Julia M. *Effectiveness of four techniques on getting students to return display items to the proper places.*
- John, Julia M. *Memory for meaning of visual field stimuli in three dichotic vision experiments.*
- John, Julia, McAlpine, Kevin, Latta, Bill, Smith, Jeff, & Westphal, John. *The stimulus overload effect of cold weather.*
- Lunde, Timothy J. *Social compliance and prior commitment.*
- Scheuble, Elizabeth. *The effects of unconscious reading on the presence/absence and meaning of a word.*
- Smith, Jeffrey M. *Visual and auditory factors related to spelling success.*
- Stoeckig, Keiko. *The effect of music imagery on word recall.*

1981

Canivez, Gary Lynn, & Smith, Jeffery M. *The effects of temperature on helping behavior: The normative effect.*

Gregg, Kirk. *The prediction of actual and self-reported college grade point averages from selected intellectual and cognitive factors of the Omnibus Personality Inventory.*

Gregg, Kirk. *Reduction of proactive interference via instructions to forget.*

Hayes, Heidi. *The Muller-Lyer illusion: Further investigation of its function.*

John, Julia M. *Cold weather and environmental psychology: A review.*

Linne, Karen Gustafson. *The strength of the horizontal-vertical illusion as a function of shape, horizontal line length, and start position.*

Mittelholtz, David J. *Factors influencing pitch discrimination in musical intervals.*

Turgerson, Todd J. *Laterality differences in perception: A function of word order, visual fields, and letter spacing.*
