

DESIGN TECHNOLOGY - EXHIBIT DESIGN

Department of Technological Studies

Exhibit Design is a fun, fast-paced career option for Design Technology students, combining 3-D design, creativity and face-to-face marketing concepts.

Bemidji State University is at the forefront of Exhibit Design education, being one of the only places in the country to offer this four-year degree specialization.

Students learn to work independently and as part of teams that design trade show exhibits, museum and educational exhibits, point-of-purchase displays and retail environments.

Possible Careers:
Trade Show Exhibit Designer, Event Designer, Point-of-Purchase Designer, Museum and Educational Display Designer, Retail Environment Designer.
