PSEO STUDENT ADMISSION

Application for PSEO STUDENT ADMISSION

Bemidji State University has established the following admissions eligibility criteria for students participating in the PSEO program.

Traditional High School Participants

Students who are currently enrolled as juniors and seniors at Minnesota public or private high schools, who rank in the upper 25 percent of their graduation class, are eligible to apply for admission.

Charter School, Alternative/Area Learning Center (ALC), or Home School Participants

For juniors or seniors with less than one academic year of attendance at a charter, ALC, or home school, eligibility for admission consideration will be based on the high school rank of the most recent high school attended. The rank must be in the top 25 percentile.

For juniors or seniors with at least one academic year of attendance at a charter, ALC, or home school, eligibility for admission consideration will be based on the composite score on either the ACT or the SAT test. A minimum composite score of 24 on the ACT and 1110 on the SAT (both scores are equivalent to each test's top 25 percent) will be required for admission consideration in the PSEO program. For juniors applying to the program, we will accept a minimum score of 168 on the PSAT and a minimum composite score of 21 on the PLAN if the ACT or SAT has not yet been taken. For admission eligibility, the only nationally standardized tests that are recognized are the ACT, SAT, PLAN and PSAT.
