Program Drop Suspend Form

Program to be dropped: Suspended: Camp Nursing Certificate

Reason(s) for suspending it: The Camp Nursing Certificate was developed under the 80/20 model. There have been same difficulties recruiting students and completion of the certificate. The Introduction to Camp Nursing course (a 4000 level) has been very popular with the pre-baccalaureate nurses or for the RN-BS completion program.

This program will be re-modeling to appeal to a wider range of nurses.

Note: Please notify the chair/coordinator of other departments/programs with courses in this dropped program and indicate the following: NA

The course’s home department/program was notified of the dropping of their course(s) on __February 3, 2017______ (date) by __email________________ (mail, email, or phone).

Alert:
- Contact the Assistant Vice-President for Academic Affairs regarding notification downstate.
