

# LifeMatters® Financial Consultation

## Counseling and Information on Financial Issues

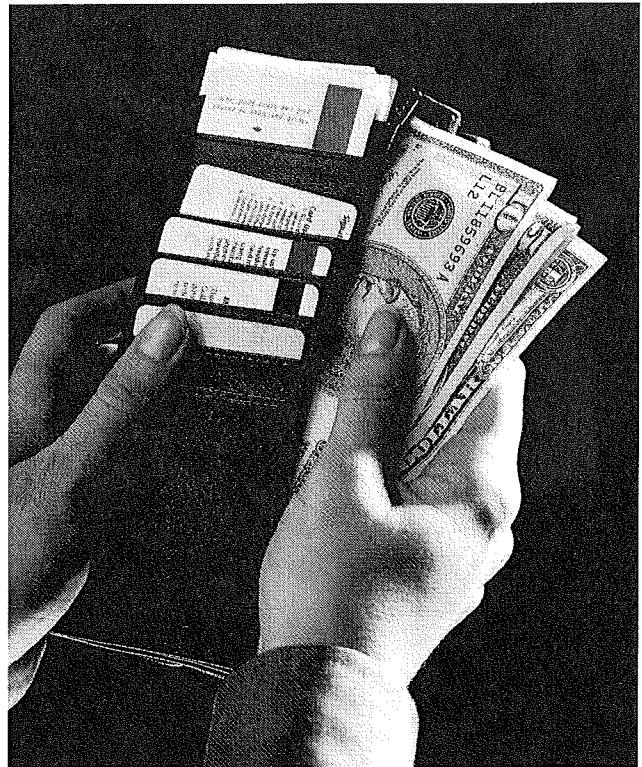

The LifeMatters Financial Consultation Service offers consultation with a professional Consumer Credit Counselor on a variety of issues related to your personal finances. Some common reasons for a financial consultation:

- Designing a budget that works for you
- Planning for a child's education or your retirement
- Options for getting out of debt
- Learning what you will need to save and what lenders will look at when you want to buy a house
- How getting married or divorced will affect your finances and credit rating
- How to obtain and review your credit report, correct errors, and build a positive credit rating
- Pros and cons of borrowing money from your retirement plan
- Choosing between leasing and buying a car
- Guidelines on establishing an appropriate level of life insurance

*Financial planning services are also available for a fee of \$35 per hour.*

### How to Access Services

- Call **1-800-657-3719**.
- Explain that you would like to have a financial consultation.

During this call, a Client Care Specialist will:

- **Review** the services provided by LifeMatters, including the Financial Consultation Service.
- **Connect** you with a Certified Consumer Credit Counselor, who will review your financial situation and address your specific questions. (If you call outside of normal business hours, a follow-up call will be scheduled to arrange your contact with a financial counselor.)

The LifeMatters Financial Consultation Service is available to help you make good choices about both your present and your future financial situation. Please call.
