

The Department of Technological Studies is accepting applications from professionals interesting in teaching adjunct courses either via distance delivery or on-campus for the 2009-10 academic year. For information on the Department, please visit [http://www.bemidjistate.edu/academics/departments/technological\\_studies/](http://www.bemidjistate.edu/academics/departments/technological_studies/)

Openings exist in the following areas:

#### Distance Delivery Courses

- Career & Technical Education (CTE)
  - Methods of Teaching CTE
  - Philosophy of CTE
  - Work-Based Learning licensure courses (Student Organizations, Coordination Techniques, Work Place Assessment)

#### Technology Management and Applied Engineering

- Quality Assurance
- Technical Sales
- Human Resource Development
- Engineering Problem Solving
- Design for Manufacturability

#### On-Campus Courses

- Material Handling and Plant Layout
- Industrial Organization and Leadership
- Communications Technology

Qualifications: BS and MS in related field required. Current industrial experience and teaching experience highly desirable. Applicants who are interested in teaching distance-based courses must also have experience in teaching courses via ITV and/or the web on D2L (or similar software platform), or a willingness to learn how to deliver distance based courses. On campus courses are held in Bridgeman Hall. In accordance with the Minnesota State Colleges and Universities (MnSCU) Vehicle Fleet Safety Program, employees driving on University business who use a rental or state vehicle, shall be required to conform to MnSCU's vehicle use criteria and consent to a Motor Vehicle Records check.

Applicants should submit a cover letter including the identification of the specific course/courses they are interested in teaching, resume, copy of unofficial transcripts and three references. Deadline for application for teaching Fall Semester is August 7<sup>th</sup> or until positions are filled.
