

Accessing your Unofficial Transcript via Web Registration

1. After logging into the student e-services system (<https://webproc.mnscu.edu/eservices/login.html?campusid=070>) , click on the "Grades and Transcripts" tab on the left hand column.
2. From here, click on 'Academic Record' in the left hand column.
3. You will then be asked how you would like your 'Academic Record' to print, 'Chronological' is what you would get if you were to get a copy of your transcript from the Records Office.
4. You can now view your 'Academic Record.' If you would like to print your transcript, it is recommended that you click on the link under the tab options to print a 'Text Copy of this Academic Record.'

NOTE: Your 'Academic Record' is the same thing as your transcript.
