## Tuition

Undergraduate on-campus tuition is banded from twelve (12) to eighteen (18) credits, meaning that students pay one rate for 12-18 credits. Tuition is charged per credit up to eleven credits (11) and above eighteen (18) credits. This does not apply to off-campus or graduate credits, which continue to be charged on a per credit basis. Certain programs and courses may also be subject to a differential tuition rate. These programs and courses are noted in the semester course schedule. Tuition and fees are payable in full each semester and payment is required when each semester begins. Tuition amounts, deadlines and late payment penalties are provided on the Bemidji State University Business Services website ([http://www.bemidjistate.edu/offices/business/tuition\\_fees/](http://www.bemidjistate.edu/offices/business/tuition_fees/)).
