BEMIDJI STATE UNIVERSITY  
*Campus Clubs and Organizations*  
**INTENT TO BE ACTIVE**  
**For 2006-2007**

At the beginning of each Fall Semester every student organization that plans to be active during the upcoming academic year must complete an **Intent To Be Active Registration Form**. By completing the Intent To Be Active Form you will be providing us with pertinent information including the names and addresses of specific officers and the advisor. On the form you must also include information regarding your financial account(s), whether they are located on campus or at a local financial institution off campus. Your cooperation in returning this Form promptly will enable us to have an updated and current listing of all active student organizations early into the Fall Semester. Thank you for your assistance.

## PLEASE PRINT
