

Academic Assessment Committee Meeting Report 1/7/2011

Members attending: Deb Peterson, James Maxwell, Robert Griggs, Joan Poor, Patrick Guilfoile, Randy Westhoff, Carol Nielson, Doug Olney, Derek Webb.

The meeting started with a welcome and introduction of one of the new Assessment Coordinators, Derek Webb.

The Political Science funding request for major field tests was approved. Patrick notified the program of the approval.

The majority of the meeting time was spent reviewing TaskStream submissions of Self-study documents, curriculum maps, and student learning outcomes. Both the Honors and Psychology self-study documents were approved by the committees. Most of the other documents were approved as well. Programs with documents that the committee had questions will get assistance from Assessment coordinators and other committee members. Randy Westhoff will follow up with the Sports Management program, and with Geography. Deb Peterson will follow up with Environmental Studies and Physics.
