9:00	9:45	Keynote Speaker: Deb McGregor <i>Find JOY in Every Beat</i> https://minnstate.zoom.us/j/94701088359 Passcode: TLC Deb McGregor joins us for an activation keynote, Finding JOY in Every Beat. JOY is an experience, not a destination. Deb facilitates this interactive keynote with every audience member using drumsticks. Learn the 5 C's related to resiliency while tapping, clicking and even pausing with a set of drumsticks in your hand-all tied to a much bigger message. Deb McGregor is a CPCC, CNT C, PCC whose infinite game is to start a JOY movement and make sure that we live in a world that recognizes that hate is real and so is love. Love is bigger than hate. When we have love, we experience JOY-even in the darkest of times. Yes, we can find JOY in Every Beat.		
10:00	NOON	Faculty Presentations https://minnstate.zoom.us/j/94701088359 Passcode: TLC		
10:00	10:25	Camille Brandt & Miriam White: <i>Habits of Joyful Teaching</i> Inspired, intentional practices that reflect joy in teaching can become habits beneficial to us in so many ways. Multiple examples will be presented with ideas on how to mindfully incorporate these purposeful practices into both face-to-face and online courses.		
10:30	10:55	Layna Cole: <i>Building Connections in the Classroom: The Why & the How of It</i> Sharing information about the importance of building connections with and among students in your classroom. Establishing a safe learning environment is an essential requirement for students to willingly engage in the uncomfortable task of learning hard things. Building connections with peers and colleagues reduces potential threats within the environment to create a safe space for learning.		
11:00	11:25	Sarah Cronin: <i>Professional Goal Setting: A values-based approach</i> Intervention from Acceptance and Commitment Therapy (ACT) that helps individuals identify their professional values and how to use those values to create professional goals for themselves. The theory behind ACT is that if we do activities that align with our values, we will find greater meaning and have less stress (Krajewski, 2018).		
11:30	11:55	Lukas Szrot: <i>Unlimited Attempts & Big Deadlines? Flourishing in an Anxious Classroom During Anxious Times</i> I have found and evaluated specific approaches to teaching, including but not limited to quizzes and assignments with unlimited attempts, and giving three big, easy-to-remember deadlines, that have helped students, and their teacher, to stay engaged, flourish, and retain optimism in difficult times.
