

# Pre-Physical Therapy

---

**Advisors: Dr. Christina Kippenhan**

1. The pre-physical therapy student should fulfill all requirements for a Bachelor of Science or Bachelor of Arts degree at Bemidji State University. The student should declare an academic major. Pre-physical therapy is not an academic major. The major may be in any field of study. The Allied Health Professions Admission Test (AHPAT) or Graduate Record Examination (GRE) is taken in the spring of the junior year.
2. Many universities are dropping their undergraduate physical therapy programs and replacing them with a graduate program. Most students enter physical therapy school after completing a baccalaureate degree. In addition, some physical therapy schools may require more courses than listed below. It is the responsibility of the pre-physical therapy student to become aware of these additional requirements and to plan his or her pre-physical therapy curriculum accordingly.
3. The pre-physical therapy student should work closely with the pre-physical therapy advisor so all course requirements are fulfilled prior to entrance into physical therapy school. Delay in meeting with the pre-physical therapy advisor will likely result in delayed entrance into physical therapy school.
4. In addition to a strong background in behavioral sciences, English, and humanities, the following courses are specifically required for entrance into most physical therapy schools:

BIOL 1400, 1500, 2110, 2360, 3710  
 CHEM 2211, 2212, 3311, 3312, 3371, 3372  
 ENGL 1151, 2152  
 MATH 1470  
 PHYS 1101, 1102 (or) 2101, 2102

5. The following courses are strongly recommended to be included in the student's pre-physical therapy curriculum:

ACCT 1100  
 BIOL 1300, 3590, 3920, 4270  
 COMM 1100  
 PHED 3100, 3110, 3190, 3200, 3300, 4150  
 PSY 1100, 2217, 2237  
 SOC 1104  
 STAT 2610

6. A suggested pre-physical therapy academic schedule is listed below; numbers in parentheses are semester credits:

BIOL 2360, 3710; F, S; (4,4)  
 BIOL 3920; F; (1)
