## Liberal Studies

The Liberal Studies major is an interdisciplinary program in which students pursue broad interests or develop a specialized program in areas where majors are not currently offered. It encourages skills for responsible citizenship, including critical thinking, self-knowledge, and interdisciplinary understanding, and is appropriate for students who wish to participate fully in shaping their university education to their needs and interests.

## Programs

- Liberal Studies, B.A. major

## Career Directions

The Liberal Studies major by its nature does not aim at a single career path. Rather, it offers a meaningful core education to students who 1) have broad career goals, 2) already have a career and wish to advance it with a bachelor's degree, 3) seek to enrich their lives through a classic core education, 4) wish to prepare for graduate or professional study. The major could be appropriate for students interested in any of the following, for example:

```
Arts
Business
Communications
    Education
    Government
    Human Services
    Law
    Library Science
    Medicine
    Nonprofit Organizations
    Also: Graduate School
    Professional School
    Seminary
```
