Bemidji State High Altitude Ballooning Team is recruiting participants

We’re looking for students who want to be a part of our high altitude ballooning team.

Our next launch is March 31 or April 1st

Join us if you want to learn about:
- atmospheric science
- experimental design
- data acquisition systems
- analysis of atmospheric data
- software applications in radiotelemetry
- high altitude balloon launch and recovery operations

Launching in March of 2013

Preparing data sensors in balloon payload box

A look at northern Minnesota from 100,000 feet

Contact: Dr. Tim Kroeger (tkroeger@bemidjistate.edu)

Team is expected to start working by the end of February
You will need to attend training sessions (usually late afternoon)
