Johnson Outdoors Inc., home of Humminbird fish finders, Lakemaster maps, and MinnKota electric trolling motors, has an exceptional opportunity for an:

**Humminbird/LakeMaster GIS INTERNSHIP**

Humminbird Electronics is pleased to offer a *3-6 month* paid internship. The cartography division of Humminbird, "LakeMaster" has been the pioneering leader in freshwater bathymetric surveying and processing within the recreational fishing market for over 15 years. We are interested in candidates who have a true passion for the outdoors and want to make a vital contribution to products which are used every day on the water by fishing enthusiasts.

The focus of this internship is to perform basic geographic analysis and bathymetric map production utilizing a host of source data including GPS, sonar, and aerial imagery. Assist in the creation of new lake databases for our market area and product expansion. Additional experience will include assisting in the processing and conversion of raw data collected from on the water surveys, conversion of digital map data to formats compatible with GPS manufacturer’s specifications and formats, and with project organization and design in the GIS environment.

This position is located at LakeMaster in Little Falls, MN.

The ideal candidate will have:

- Bachelor’s, Associates, or working towards a career in GIS, Geography, Environmental Science, Geology, Earth Sciences, Survey/Mapping, Wildlife and Fisheries or a related field. Work experience may be substituted.
- Knowledge of GIS platforms such as ArcGIS, MapInfo, Global Mapper, etc.
- Proficiency in the use and application of the following software: Microsoft Office (Word, Excel).
- Knowledge of programming/scripting languages such as Python, C++, C#, html, etc. a plus, but not required.
- Ability to read and understand maps and aerial imagery.
- Willingness to travel a plus.
- Start ASAP.

We offer a competitive compensation program, and a challenging and rewarding work environment. Please email a cover letter and resume to:

Email lakemasteroffice@gmail.com
