The St. Paul District, Army Corps of Engineers, will be accepting applications for summer 2019 STUDENT PATHWAYS Park Rangers at the following locations:

- Cross Lake Recreation Area • Crosslake, MN
- Pokegama/Winnibigoshish Recreation Areas • Grand Rapids, MN
- Leech Lake Recreation Area • Federal Dam, MN
- Sandy Lake Recreation Area • McGregor, MN
- Gull Lake Recreation Area • Brainerd, MN
- Lake Ashtabula, Baldhill Dam • Valley City, ND
- Eau Galle Recreation Area • Spring Valley, WI
- Blackhawk Park • Desoto, WI

ABOUT THE PROGRAM:
Successful applicants will work at a United States Army Corps of Engineers (USACE) St. Paul District lake project as a uniformed recreation/natural resources temporary summer park ranger. Duties may include: assisting visitors with camping, swimming, picnicking, boating, etc. issues at heavily utilized campgrounds and day use areas, assisting with facilities and grounds maintenance at recreation and dam facilities, interpretive programming, forest management, trail management, Title 36 C.F.R rules enforcement, and fee collection.

Hiring will be completed through the federal PATHWAYS internship program. Information on the PATHWAYS program can be found online at: www.usajobs.gov/studentsandgrads/

The Pathways Internship Program is for current students in high school, college, trade school or other qualifying educational institutions. This program offers paid opportunities to work in federal agencies and explore federal careers while completing your education. Successful applicants will be required to sign a PATHWAYS Participation Agreement.

STUDENT TRAINEE (PARK RANGER) - TEMPORARY PATHWAYS Positions:

- Temporary PATHWAYS internship positions are being offered at ALL of the above listed St. Paul District Corps lake project locations.
- Temporary PATHWAYS internship positions are not to exceed September 30, 2019.
