STUDENT APPLICATION

This application consists of three parts; general information, five essay questions and a recommendation from one of your instructors/professors. Prior to applying, we encourage you to get to know us by perusing our website at www.ober.org. We are able to provide this experience for eight to ten students. If you are selected, there is no cost other than your transportation to and from the dock on Rainy Lake and the purchasing of food for 12 for one evening meal, which you will prepare, and co-host, with another student. The application materials are due by April 1st, 2019. If you have any questions, feel free to contact me by email.

You may print this application out and send through conventional mail or as an email.
