Job Title: Research Technician

Who May Apply: Bemidji State University Undergraduate Students
Date Posted: 05/3/2019
Closing Date: 05/15/2019
Start Date: 06/03/2019 (sooner if possible)
Work Shift/Work Hours: Day Shift
Days of Work: Monday - Friday
Travel Required: No
Salary Range: $10 - $15/hourly; $5000/summer
Work Area: Bemidji

Job Summary

Develop a research proposal, conduct research project, and develop a poster and manuscript for presentation at the Bemidji State University Student Achievement Conference. The project must be related to aquatic ecology.

Additional responsibilities include:

Conduct physical, limnological, and biological inventories of Bad Medicine Lake for purposes related to ongoing research projects.

Minimum Qualifications:

Student attending Bemidji State University, preferably freshman or sophomore status. Strong interest and passion for the field of Aquatic Biology but with limited experience. This position is designed to give the students the opportunity to develop their resumes so they are successful at applying for internships with state agencies the following summer.

How to Apply

Send a cover letter, resume, and transcripts to Dr. Andrew Hafs (andrew.hafs@bemidjistate.edu). For additional information email, call, or visit Dr. Andrew Hafs.
