LOCATION                TITLE                            SALARY
Northeast Region                 Temporary Conservation Technician II               $15.782/hour
NEBRASKA                                                Parks Division                          position 60009677

APPLICATION DEADLINE:   February 4, 2021

JOB DUTIES: Under general direction of Northeast Region Superintendent and area Park Superintendents, the position will assist in the implementation of a wide-variety of land management activities. These activities will include prescribed burning, control of noxious weeds/invasive species, woodland management, seeding, seed harvest, and related conservation practices. Position will assist with entering data, creating maps, creating plans, etc. in ArcMap/ArcGIS.

KNOWLEDGE, SKILLS, & ABILITIES: Knowledge of wildlife habitat management principles, goals and objectives. Ability to communicate effectively, work with little supervision and with a variety of staff. Computer skills (Excel, Word, ArcMap/GIS) highly desirable. Knowledge of and ability to operate tractors, All Terrain Vehicles (ATV’s), chainsaws, and farm equipment.

QUALIFICATIONS/REQUIREMENTS: 15 semester hours or the equivalent of post high school coursework/training in fisheries management, wildlife management, natural resources and/or biology and 12 months experience in wildlife, recreation or fisheries management. Valid driver's license.

TO APPLY: Apply on line at statejobs.nebraska.gov. Applications must be entered on or before the application deadline to be considered.
