**Purpose:** Two $2,500 scholarships will be awarded to two students who are declared Bemidji State University computer science majors for the 2014-2015 academic year. If you wish to be considered, you must apply by noon on February 28, 2014.

**Criteria:**
1. Junior or senior status during the 2014-2015 academic year as a declared computer science major. Students with multiple majors are also encouraged to apply, but one of the majors must be in computer science.
2. Preference will be given to students in the Paul Bunyan Communications service area (see map [http://www.paulbunyan.net/cooperative/districtmap.html](http://www.paulbunyan.net/cooperative/districtmap.html)).
3. Transfer students must have completed at least one (1) semester of course work in mathematics, statistics, or computer science at BSU with at least two (2) courses in mathematics, statistics, or computer science to be eligible for the scholarship in addition to satisfying criteria one (1).

**Application Process:** To apply, prepare a typed application that includes the following items:
1. Contact information including your name, email address, phone number, and local mailing address,
2. A 300-500 word statement addressing your professional plans after completion of the degree program at Bemidji State University
3. Your unofficial transcripts *sorted by course prefix*, not chronologically sorted,
4. Your current resume,
5. The name and location of the high school you graduated from.

**Submission Process:** Please submit a paper copy of your application directly to Dr. Derek Webb, Chair of the Mathematics and Computer Science Department at Bemidji State University or mail it to the following address:

Dr. Derek Webb  
Department of Mathematics and Computer Science  
Bemidji State University  
304 Hagg Sauer Hall  
1500 Birchmont Dr. NE 23  
Bemidji, MN 56601-2699

**Deadline:** Completed application must be received by noon Friday, February 28, 2014.
