## Admission to the Nursing Major Pre-Licensure Track Program

Application for admission to the nursing major is a separate process from admission to the university. Admission to the nursing major is required for enrollment in **selected** spring semester sophomore and **all** upper division nursing courses.

**Application to the nursing major must be completed by September 15 for spring admission consideration.**

**Students must be admitted to Bemidji State University and have completed the required prerequisite courses prior to applying to the nursing major.**
