*\* Required for licensure only. If you do NOT intend to apply for special education licensure, you do not take this course.*

*\*\* Must be taken within the same licensure/concentration area: ASD, EBD or SLD*

*Most courses require 40 hours of field experience in the licensure area you are pursuing or have chosen as your concentration.*

*If you are only working towards M Sp Ed and not sp ed licensure, your advisor may adjust when you take the three research courses.*
