Earn Your K-12 Reading Licensure Online

Beginning in Fall 2017, Bemidji State University will offer a three-semester Reading Licensure Program that is fully online. This 18-credit program is ideal for individuals who hold or qualify for a professional license in PreK-12 or adult basic education. Successful candidates will be authorized by the Minnesota Board of Teaching to teach reading skills, strategies and comprehension to K-12 students.

Also, completion of the program will qualify as a reading cognate area in a Master of Arts in Teaching (MAT).
