| **Expectations of candidate** | - Actively engaged with students as much as possible: small groups, individual, whole class, (possibly co-teach lessons)  
- At least 1 experience co-teaching a lesson (more is better!)  
  - Preferably to the whole class  
  - Preferably a lesson designed by candidate or in collaboration with the classroom teacher  
- The BSU student is **not** there to observe but needs to take the initiative to interact and engage with the students in the classroom |
| **Number of hours required** | 16 hours in a classroom experience – Elementary  
32 hours in a classroom experience – Secondary and K-12 |
| **Expectations of teacher** | - Introduce the candidate to the students  
- Facilitate integrating the BSU teacher candidate into the classroom experience, assisting the candidate to actively engage with students  
- Facilitate candidate’s teaching experience(s) |
