**Expectations of candidate**
- Interact with students and cooperating teacher during your time in the setting.
- Teach 2 or more integrated literacy lessons into a content area lesson. One of these should focus on Comprehension in the content area (5-10 minutes of the overall lesson). These lessons are intended to be mini lessons built into a normal content lesson.

**Number of hours required**
- 16 hrs. required for students seeking middle school endorsement, and for graduate students.
- 32 hrs. required for students seeking secondary licensure.

**Expectations of teacher**
- Provide an opportunity for students to teach at least two lessons, though more would be even better. Share your expertise in how you integrate literacy into your content area.
