

Field Experience

Pop quiz:

You need brain surgery...

1. Do you pick the surgeon who read thousands of books on brain surgery?
2. Do you pick the surgeon who learned in lecture halls?
3. Do you pick the surgeon who read books, learn in lecture halls, and had hands-on experience?

Pop quiz:

You need brain surgery...

1. Do you pick the surgeon who was trained by a family medicine doctor?
2. Do you pick the surgeon who was trained by a world class brain surgeon?

What are you getting at?!

1. Take your field experience serious. You have future brain surgeons in your class. If your grandma needed brain surgery, would you want a surgeon with a teacher who had a little bit of experience in the field practicing, or a lot?

2. When you become a teacher, it IS your job to train teacher candidates if we want well-rounded teachers.
