What’s the Scoop?

**New tool available for student collaboration**

Wiggio is now available in D2L Brightspace. Students and teachers can use Wiggio to collaborate on projects, case studies, labs, study groups, and class initiatives.

With Wiggio, students and teachers can:
- Host virtual meetings (up to 10 people), chats, and conference calls
- Manage events with a shared calendar
- Create to-do lists and assign tasks
- Poll their group in real time
- Send email, text, and voice messages
- Upload and manage files in a shared folder

For more information about Wiggio, check out these videos: [https://www.youtube.com/user/WiggioProductions](https://www.youtube.com/user/WiggioProductions)

To find Wiggio...
1. Login to D2L and enter a course
2. Click the **Communications** menu, and click **Wiggio**
3. Click the menu in the upper right to find a link to the **Wiggio Knowledge Base** which contains tutorials and videos

**NOTE:** Wiggio is a tool designed to facilitate student collaboration. It doesn’t provide the teacher with assessment data such as number of messages posted, or statistics on participation.
