Steps

Follow these steps to run a degree audit in uAchieve Self-Service for your first school.

When you are done viewing your degree audit in that school you must log out of uAchieve Self-Service before you switch institutions in your eServices.

Follow these steps to completely log out of uAchieve Self-Service for the first school.

- Log Out of uAchieve Self-Service

- Close the uAchieve Self-Service browser tab to completely logout

- Do not login to this screen.
• If you try to login to that screen, you will get the Access is Denied screen.

• Close the uAchieve browser tab

• Return to your eServices Home
• Select a college or university from Your School Summary

Follow these steps to run a degree audit in uAchieve Self-Service for your next school.
