

## Addictions Minor Planning Form

Discover the potential of our Addictions Minor, designed to equip students with essential knowledge and resources to support individuals struggling with substance abuse. The minor can seamlessly integrate into your Social Work Degree with just an additional three to four classes offered on campus and synchronous online, making it an ideal enhancement for students in the helping professions. Students will gain hands-on experience through experiential activities, so they feel confident in interacting with those who struggle with addiction.

To declare the Addictions Minor contact [records@bemidjistate.edu](mailto:records@bemidjistate.edu) or fill out [Student Personal Data Form](#).
