

Students are listed in alphabetical order by college. Each major is housed within a college and students will be recognized by college at the ceremony. The two colleges at BSU are: College of Creativity, Enterprise and Place and the College of Sciences and Health.

Those students achieving academic honors recognition include that designation by their name. The same applies for those students graduating from the Honors program.

College of Creativity, Enterprise and Place

Accounting, Bachelor of Science

Anderson, Aidan	International Falls	Magna Cum Laude
Anderson, Christine	Harris	
Beck, Riley	International Falls
