BEMIDJI STATE UNIVERSITY LAND ACKNOWLEDGMENT

We acknowledge that Bemidji State University is located on land and water that is the current and ancestral homeland of the Ojibwe and Dakota. We acknowledge the painful history of genocide, forced assimilation and efforts to alienate the Indigenous inhabitants from their territory here. We honor and respect the many diverse Indigenous peoples still connected to this land, retained tribal sovereignty, treaty rights and cultural resilience. Indigenous people are spiritual and physical caretakers of this land to which we all belong. Bemidji State University respects these sacred lands, stands with the community members from these Nations and will fight injustice in all its forms.
