

Minnesota State COVID-19 Return to Campus/Work Preparedness Plan Training

Online Training Human Resources Division, Talent Management
June, 2020

Announcing a New Online Resource for Minnesota State Employees

This course provides key information and training to support the communication and implementation of individual campus and system office COVID-19 Back-to-Campus/Work Preparedness Plans. It provides access to the plans and clearly describes what is included in each plan and how the plans will allow faculty, staff and leadership to return to work in a safe and healthy environment. The course was developed following the guidelines from the Centers for Disease Control and Prevention (CDC), Minnesota Department of Health (MDH), Minnesota Office of Higher Education (OHE), Occupational Safety and Health Administration (OSHA), system and campus policies and procedures.
