Important Considerations for a Spring 2019 (January 2019) implementation:

- Proposals must be received by the Curriculum Coordinator (Step 6 below) by July 1, 2018 to **tentatively** receive approval in September 2018. Please allow sufficient time PRIOR to this date to work through steps 1-5 below. Proposals received after the July 1 deadline may have insufficient time to make it through the approval process.

- Due to the extremely tight timeline for Spring 2019 student registration/catalog publication, proposals MUST be approved by the October Faculty Association meeting in order to be effective Spring 2019. Therefore, the proposal must be approved by all applicable curriculum committees (curriculum, liberal education, teacher education, and/or graduate) no later than September 26, 2018.

- Access current curriculum forms from Records & Registration Faculty Resources web page at http://www.bemidjistate.edu/mybsu/resources/faculty-resources/faculty-curriculum-forms/.

- Access current program information in the 2018-19 online catalog at http://www.bemidjistate.edu/academics/catalog/.

- Expect that the length, complexity, novelty, and completeness of the proposal will affect the duration of various steps in the approval process. For example, new programs or proposals with significant changes may require several conversations between relevant offices (in bold below).

- Address questions regarding the curriculum process to the Curriculum Coordinator: Robin Gullickson at catalog@bemidjistate.edu by phone at 218-755-4248.

Effective Dates

The effective date for each approved proposal appears in the online Curriculum Proposal Progress Chart (see web address after step 13 below). Departments are cautioned against publicizing and recruiting for new/modified programs until they are certain of the program’s effective date.
