c. Additional Insurance Conditions:
- Vendor’s policy(ies) shall be primary insurance to any other valid and collectible insurance available to MnSCU with respect to any claim arising out of the vendor’s performance under this contract;
- Vendor agrees to notify MnSCU within five (5) business days with a copy of the cancellation notice, unless Vendor’s policy(ies) contains a provision that coverage afforded under the policy(ies) will not be cancelled without at least thirty (30) days advance written notice to MnSCU.
- Vendor is responsible for payment of contract related insurance premiums and deductibles;
- If vendor is self-insured, a Certificate of Self-Insurance must be attached;
- Vendor’s policy(ies) shall include legal defense fees in addition to the liability policy limits, with the exception of section 4) above.
• Vendor shall obtain insurance policy(ies) from insurance company(ies) having an “AM BEST” rating of A-(minus), Financial Size Category (FSC) VII or better, and authorized to do business in the State of Minnesota;
• An umbrella or Excess Liability insurance policy may be used to supplement the vendor’s policy limits to satisfy the full policy limits required by the contract.

d. The Schools reserve the right to immediately terminate the contract if the vendor is not in compliance with the insurance requirements and retains all rights to pursue any legal remedies against the vendor. All insurance policies must be available for inspection by MnSCU and copies of policies must be submitted to MnSCU’s authorized representative upon written request.

4.9 State Audit

The books, records, documents and accounting practices and procedures of the vendor relevant to the contract(s) must be available for audit purposes to Minnesota State and the Legislative Auditor’s Office for six (6) years after the termination/expiration of the contract.

4.10 Minnesota Government Data Practices Act

The requirements of Minnesota Statutes § 13.05, subd. 11 apply to the contract. The vendor must comply with the Minnesota Government Data Practices Act, Minnesota Statutes Chapter 13, as it applies to all data provided by Minnesota State, its schools and the System Office in accordance with the contract and as it applies to all data created, gathered, generated or acquired in accordance with the contract. All materials submitted in response to this RFP will become property of the State of Minnesota and will become public record after the evaluation process is completed. Pursuant to the statute, completion of the evaluation process occurs when Minnesota State has completed negotiating the contract with the selected vendor. If the vendor submits information in response to this RFP that it believes to be trade secret materials as defined by the Minnesota Government Data Practices Act, the vendor must:

- mark clearly all trade secret materials in its response at the time the response is submitted;
- include a statement with its response justifying the trade secret designation for each item;
- defend any action seeking release of the materials it believes to be trade secret, and indemnify and hold harmless the State of Minnesota, Minnesota State, its agents and employees, from any judgments or damages awarded against the State or Minnesota State in favor of the party requesting the materials, and any and all costs connected with that defense. This indemnification survives Minnesota State’s award of a contract. In submitting a response to this RFP, the responder agrees this indemnification survives as long as the trade secret materials are in possession of Minnesota State.

Minnesota State will not consider the prices submitted by the Responder to be proprietary or trade secret materials.

4.11 Conflict of Interest

The vendor must provide a list of all entities with which it has relationships that create, or appear to create, a conflict of interest with the work that it is contemplated in this RFP. The list should indicate the names of the entity, the relationship, and a discussion of the conflict.
4.12 **Organizational Conflicts of Interest**

The responder warrants that, to the best of its knowledge and belief, and except as otherwise disclosed, there are no relevant facts or circumstances that could give rise to organizational conflicts of interest. An organizational conflict of interest exists when, because of existing or planned activities or because of relationships with other persons, a vendor is unable or potentially unable to render impartial assistance or advice, or the vendor’s objectivity in performing the contract work is or might be otherwise impaired, or the vendor has an unfair competitive advantage. The responder agrees that, if after award, an organizational conflict of interest is discovered, an immediate and full disclosure in writing must be made to the respective University’s chief financial officer or the System Office’s Business Manager that must include a description of the action which the vendor has taken or proposes to take to avoid or mitigate such conflicts. If an organizational conflict of interest is determined to exist, the University or System Office may, at its discretion, cancel the contract. In the event the responder was aware of an organizational conflict of interest prior to the award of the contract and did not disclose the conflict to the contracting officer, the University or System Office may terminate the contract for default. The provisions of this clause must be included in all subcontracts for work to be performed similar to the service provided by the prime contractor, and the terms “contract,” “contractor,” and “contracting officer” modified appropriately to preserve Minnesota State’s rights.

4.13 **Physical and Data Security**

The vendor is required to recognize that on the performance of the contract the vendor will become a holder of and have access to private data on individuals and nonpublic data as defined in the Minnesota Government Data Practices Act, Minnesota Statutes Chapter 13; and other applicable laws.

In performance of the contract, the vendor agrees it will comply with all applicable state, federal and local laws and regulations, including but not limited to the laws under Minnesota Statute Chapters 13 relating to confidentiality of information received as a result of the contract. The vendor agrees that it, its officers, employees and agents will be bound by the above confidentiality laws and that it will establish procedures for safeguarding the information.

The vendor agrees to notify its officers, employees and agents of the requirements of confidentiality and of the possible penalties imposed by violation of these laws. The vendor agrees that neither it, nor its officers, employees or agents will disclose or make public any information received by the vendor on behalf of Minnesota State and the University.

The vendor shall recognize Minnesota State’s sole and exclusive right to control the use of this information. The vendor further agrees it shall make no use of any of the described information, for either internal or external purposes, other than that which is directly related to the performance of the contract.

The vendor agrees to indemnify and hold harmless the State of Minnesota, Minnesota State and the University from any and all liabilities and claims resulting from the unauthorized disclosure by the vendor, its officers, employees or agents of any information required to be held confidential under the provisions of the contract. The vendor must return all source data to the “Authorized Representative” to be identified in the contract.
4.14 Reimbursements

Reimbursement for travel and subsistence expenses actually and necessarily incurred by the contractor as a result of the contract will be in no greater amount than provided in the current "Commissioner’s Plan" promulgated by the commissioner of Employee Relations. Reimbursements will not be made for travel and subsistence expenses incurred outside Minnesota unless it has received the State’s prior written approval for out of state travel. Minnesota will be considered the home state for determining whether travel is out of state.

4.15 Liability

The vendor agrees to indemnify and save and hold the University, its agents and employees, harmless from any and all claims or causes of action arising from performance of any resulting contract by Vendor or Vendor’s agents or employees. This clause shall not be construed to bar any legal remedies Vendor may have for the University’s failure to fulfill its obligations pursuant to contract.

4.16 Americans with Disabilities Act Compliance (hereinafter “ADA”)

The vendor is responsible for complying with the Americans with Disabilities Act, 42 U.S.C. 12101, et. seq. and regulations promulgated pursuant to it. The University is NOT responsible for issues or challenges related to compliance with the ADA beyond its own routine use of facilities, services, or other areas covered by the ADA.

4.17 Non-Discrimination

In connection with the performance of work under contract for the University, vendor agrees not to discriminate against any Minnesota State employee or student because of race, color, religion, national origin, sex, marital status, status with regard to public assistance disability, or age.

4.18 Safety

The vendor will comply with all State and Federal laws applicable to this service as they relate to employee safety and customer safety.

4.19 Licenses, Codes and Laws

The successful Contractor shall have and maintain a valid and appropriate business license, if applicable, as well as all required local, state and federal licenses. Contractor shall also meet all local, state and federal codes and comply with all applicable federal and state laws during the performance of the contract.

4.20 Contract

The contract entered into by the University and the successful vendor may include this Request for Proposal, the signed Proposal submitted by the successful vendor, any modifications agreed to in writing by the parties and the Contract document. The Contractor will comply with the provisions of Minnesota Statutes §181.59 which require:

Every contract for or on behalf of the State of Minnesota, or any county, city, town, township, school, school district, or any other district in the state, for materials, supplies, or construction shall contain provisions by which the contractor agrees: (1) that, in the hiring of common or skilled labor for the performance of any work under any contract, or any subcontract, no contractor, material supplier, or vendor, shall, by reason or race, creed, or color, discriminate against the person or persons who are citizens of the United States or resident aliens who are qualified and available to perform the work to which the employment relates; (2) that no contractor, material supplier, or vendor, shall, in any manner, discriminate against, or intimidate, or prevent the employment of any person or persons identified in clause (1) of this section, or on being hired, prevent, or conspire to prevent, the person or persons from the performance of work under any contract on account of race, creed, or color; (3) that a violation of this section is a misdemeanor; and (4) that this contract may be canceled or terminated by the state, county, city, town, school board, or any other person authorized to grant the contracts for employment, and all money due, or to become due under the contract, may be forfeited for a second or any subsequent violation of the terms or conditions of this contract.

This information may be used in the enforcement of federal and state tax laws. These numbers will be available to federal and state tax authorities and state personnel involved in approving the contract and the payment of state obligations. Supplying these numbers could result in action to require CONTRACTOR to file state tax returns and pay delinquent state tax liabilities. This contract will not be approved unless these numbers are provided.

b. **Independent Contractors.** Minn. Stat. §256.998 requires Minnesota State to report the name, address and social security number of independent contractors to the New Hire Reporting Center of the Minnesota Department of Human Services unless this Contract is for less than two months in duration with gross earnings of less than $250.00 per month. The MATERIALS created under this contract by the CONTRACTOR, its employees or subcontractors, individually or jointly with others, shall be considered “works made for hire” as defined by the United States Copyright Act. All of the MATERIALS, whether in paper, electronic, or other form, shall be remitted to Minnesota State by the CONTRACTOR, its employees and any subcontractors, and the CONTRACTOR shall not copy, reproduce, allow or cause to have the MATERIALS copied, reproduced or used for any purpose other than performance of the CONTRACTOR’S obligations under this contract without the prior written consent of Minnesota State’s authorized representative.

Minnesota Statutes §363A.36 requires CONTRACTOR to have an affirmative action plan for the employment of minority persons, women, and qualified disabled individuals approved by the Minnesota Commissioner of Human Rights (hereinafter COMMISSIONER) as indicated by a certificate of compliance. The law addresses suspension or revocation of a certificate of compliance and contract consequences in that event. A contract awarded without a certificate of compliance may be voided.

1) General. Minnesota R. 5000.3400-5000.3600 implement Minnesota Statutes §363A.36. The CONTRACTOR agrees to take affirmative action to employ, advance in employment, and otherwise treat qualified disabled persons without discrimination based upon their physical or mental disability in all employment practices such as the following: employment, upgrading, demotion or transfer, recruitment, advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

ii. The CONTRACTOR agrees to comply with the rules and relevant orders of the Minnesota Department of Human Rights issued pursuant to the Minnesota Human Rights Act.

iii. In the event of the CONTRACTOR’S noncompliance with the requirements of this clause, actions for noncompliance may be taken in accordance with Minnesota Statutes §363A.36, and the rules and relevant orders of the Minnesota Department of Human Rights issued pursuant to the Minnesota Human Rights Act.

iv. The CONTRACTOR agrees to post in conspicuous places, available to employees and applicants for employment, notices in a form to be prescribed by the Commissioner of the Minnesota Department of Human Rights. Such notices must state the CONTRACTOR’S obligation under
the law to take affirmative action to employ and advance in employment qualified disabled employees and applicants for employment, and the rights of applicants and employees.

v. The CONTRACTOR must notify each labor union or representative of workers with which it has a collective bargaining agreement or other contract understanding, that the CONTRACTOR is bound by the terms of Minnesota Statutes §363A.36 of the Minnesota Human Rights Act and is committed to take affirmative action to employ and advance in employment physically and mentally disabled persons.

3) Consequences. The consequences for the CONTRACTOR’S failure to implement its affirmative action plan or make a good faith effort to do so include, but are not limited to, suspension or revocation of a certificate of compliance by the COMMISSIONER, refusal by the COMMISSIONER to approve subsequent plans, and termination of all or part of this contract by the COMMISSIONER or Minnesota State.

4) Certification. The CONTRACTOR hereby certifies it is in compliance with the requirements of Minnesota Statutes §363A.36 and Minnesota R. 5000.3400-5000.3600 and is aware of the consequences for noncompliance.
