

**Report to Minnesota Office of Higher Education
Sexual Assault Data for Bemidji State University Covering Calendar Years 2016-2018**

Minnesota Statute 135A.15, sub. 6 requires postsecondary institutions to annually report statistics on sexual assault to the Office of Higher Education (OHE) by October 1 of each year for sexual assault data from the previous calendar year, January 1 to December 31. OHE is responsible for calculating state totals and communicating institutional reports in a manner that is consistent with state and federal laws on student and data privacy. Each institution is also responsible for publishing on their own website the data elements submitted to OHE. The table below depicts this information separately for Bemidji State University and Northwest Technical College. In situations in which there are fewer than 10 occurrences (but more than zero), data have been suppressed in order to protect identities.
