Whereas;

    the curriculum process at Bemidji State University is controlled by the faculty.

And whereas;

    ensuring timely and fair evaluation of curriculum proposals is key to student learning.

And Whereas;

    Issues of timeliness and ambiguity have arisen that relate to the handling of curriculum proposals.

Be it resolved that the BSUFA requests the following.

1. That the Curriculum Proposal Progress grid includes date received in the Dean’s office.
2. That the Curriculum Proposal Progress grid includes an optional item to record the date and reason for proposals that are returned for any reason.
