Program Modification Form

Program to be modified: Nursing, B.S. major 4-Year Track

List all proposed change(s):
Current courses / prerequisites
   1. BIOL 1110 Human Biology (4 credits)
   2. BIOL 2110 Human Anatomy and Physiology (5 credits)
   3.
Proposed courses / prerequisites
   1. BIOL 1111 Anatomy & Physiology for Allied Health I (4 credits)
   2. BIOL 1112 Anatomy & Physiology for Allied Health II (4 credits)

Reason(s) for the change(s): Provide students with a strong foundation necessary to be successful in nursing core curriculum.

Note: In order to avoid hidden prerequisites, if a course is being dropped from this program (but not from the entire curriculum), please check for which remaining courses may include this dropped course as a prerequisite. Course prerequisites may be found in the online catalog (http://www.bemidjistate.edu/academics/catalog/). Remedies for hidden prerequisites may be found under Curriculum Forms at (http://www.bemidjistate.edu/faculty_staff/faculty_association/forms/).

Note: If a course from another department/program was either added to or dropped from this program, please notify the chair/coordinator of that course's department/program and indicate the following: The course’s home department/program was notified of the addition or dropping of their course(s) on _9/26/2018_ (date) by __email__ (mail, email, or phone).

Please check one of the items below:

_______  No comments were received from other programs or departments within one week of the notification.

__X___  Comments were received within one week of the notification, and are attached.

“The Biology Department and I approve this change”  - Dr. Mark Wallert

Note: If this is a joint program, the signatures of both department chairs (and both deans, if different colleges) must be provided.
Alert: Attach a copy of the current program showing the marked changes. Please copy the current program from the online catalog (http://www.bemidjistate.edu/academics/catalog/) and paste it into Word. Then use either the Track Changes feature under Tools, or the underline and strikethrough Font feature under Format. (Please note that the Track Changes feature may be easily switched on and off by holding down the Ctrl+Shift+E keys.)
Nursing, B.S. major
4 - Year Track

Required Credits: 88
Required GPA: 2.25

The 4-year track is designed for students who are beginning their studies for the nursing major.

I. ADMISSION TO MAJOR

Application for admission to the nursing major is a separate process from admission to the university. Admission to the nursing major is required for enrollment in selected spring semester sophomore and all upper division nursing courses. Application to the nursing major must be completed by September 15 (applications accepted between August 15 and September 15) for spring admission consideration. Additional information and advisement is available through the Department of Nursing.

Students must be admitted to Bemidji State University prior to applying for admission to the nursing major.

All official transcripts of credits transferred from other colleges and universities must be available in the BSU Admissions Office by September 15 for spring admission consideration to the nursing major. Applicants must have completed at least 30 semester credits, including the designated required non-nursing courses listed as follows, for admission consideration.

- BIOL 1110 Human Biology (4 credits)
- BIOL 2110 Human Anatomy and Physiology (5 credits)
- BIOL 1111 Anatomy & Physiology for Allied Health I (4 credits)
- BIOL 1112 Anatomy & Physiology for Allied Health II (4 credits)
- CHEM 1110 Chemistry for Allied Health (3 credits) or CHEM 1111 General Chemistry I (4 credits) [contact Nursing Department]
- PSY 1100 Introductory Psychology (4 credits)
- PSY 3237 Lifespan Development (4 credits)

A grade of C or higher is required in the designated prerequisite courses for admission to the nursing major. If a grade of C or above is not earned the first time the course is taken, a grade of C or above must be earned the second time the course is taken. Designated course requirements for the major may not be taken on a pass/no credit basis.

Admission to the nursing major is competitive and limited. Admission is dependent on the number of applications and evidence of meeting the listed requirements.

A cumulative grade point average of 2.5 or higher (on a 4.00 scale) and satisfactory completion of all designated required courses qualifies the student for the applicant pool, but does not guarantee admission to the major. A completed application for the nursing major and the additional materials requested in the application must be available in the Department of Nursing by September 15. The application packet includes information concerning requirements such as immunization, malpractice insurance, federal and state background checks, and American Heart Association Health Care Provider CPR and CNA Certifications.

II. PROGRESSION
All nursing and non-nursing courses required for the major must reflect a letter grade of C or better.
