MASTER AGREEMENT

ARTICLE 1 PARTIES

This Agreement is entered into by and between the Board of Trustees of the Minnesota State Colleges and Universities (Minnesota State), hereinafter called the Board, and the Minnesota State University Association of Administrative and Service Faculty (ASF) affiliated with Minnesota Teamsters Local 320, hereinafter called the Association.

ARTICLE 2 NON-DISCRIMINATION

Section A. Employer and Association Responsibility. The parties are firmly committed to affirmative action and as such accept their responsibility to ensure equal opportunity in all aspects of employment for all qualified persons regardless of race, creed, religion, color, national origin, age, disability, status with regard to public assistance, sex, marital status, sexual orientation, gender identity, gender expression, veteran status, membership or non-membership in the Association, or any other class or group distinction, as set forth by State or Federal anti-discrimination laws.

Section B. Jurisdiction. The parties recognize that jurisdiction for the enforcement of the provisions of Section A hereof is vested solely in various State and Federal agencies and the courts, and, therefore, complaints regarding such matters shall not be subject to the grievance procedure in this agreement. This does not preclude the use of any administrative procedure adopted by the Employer.

ARTICLE 3 RECOGNITION

Section A. Recognition. Pursuant to the Minnesota Public Employment Labor Relations Act of 1971, as amended, the Employer recognizes the Association as the exclusive representative in the appropriate unit as described in the decisions of the Bureau of Mediation Services in the cases 75-PR-642-A, dated September 29, 1975; 80-PR-1257-A, dated June 16, 1980; and 83-PR-1220-A, dated September 9, 1983.

Section B. Exclusive Right. The Employer will not meet and negotiate relative to those terms and conditions of employment subject to negotiations with any ASF Member groups or organizations composed of ASF Members covered by this Agreement except through the Association.

Section C. Notification of Unit Determinations.

Subd. 1. University Position Information. Via e-mail or written personal delivery, the President/designee shall, within ten (10) calendar days of receipt of the audit package from the System Office, send to the campus association President the position description, organizational chart, and other supporting documentation of professional and classified or unclassified supervisory positions at the university that are either: a) newly created, or b) existing but are being assigned from the ASF bargaining unit to a different unit.

Subd. 2. Meeting. Within ten (10) calendar days of receipt of the position information, the Association may request a meeting with the representatives of the university and System Office administration to discuss the bargaining unit assignment of the position(s). Unless another date is mutually agreed to, the meeting shall be held within ten (10) calendar days of the request. This meeting shall be convened in person or via conference call or similar technology.

Subd. 3. BMS Petition. Positions which have gone through the process contained in Subdivisions 1-2 above, and which the Association disputes, may be challenged by the Association filing the proper petition with the Minnesota Bureau of Mediation Services.

Subd. 4. This Section shall be non-grievable and non-arbitrable except for failure to provide the data noted in Subdivision 1 above.

ARTICLE 4 ACADEMIC FREEDOM

Section A. Policy. It shall be the policy of the Minnesota State Colleges and Universities to maintain and encourage full freedom, within the law, of inquiry, teaching, and research. The Employer shall not discriminate against an ASF Member for engaging in political activities or holding or voicing political views, so long as the exercise of this right does not interfere with the individual's responsibility as an ASF Member.

Section B. Prohibition on Recording. The Employer agrees not to use any mechanical or electronic listening or recording devices except with the ASF Member express consent; provided, however, that nothing herein shall be construed to preclude the recording of formal proceedings, work groups, committees, or training sessions where a record or minutes are customarily maintained.

In the exercise of academic freedom the ASF Member, while engaged in classroom teaching activities, may, without limitation, discuss the ASF Member's own subject in the classroom. Subd. 3. The Employer shall also furnish the Campus Association President notification of announcements of unclassified, non-teaching vacancies and new non-teaching positions at the time such vacancies and positions are announced for the recruitment purposes.

Subd. 4. This provision shall not be construed to require the Employer to compile information and statistics in the form requested which are not already compiled in that form, unless mutually agreeable. Reasonable costs incurred in compiling such data and information may be charged by the Employer to the Association.

Section D. Use of Facilities. Upon request to the university President/designee, the campus Association shall be permitted to meet at the university if appropriate facilities are available. All requests must be submitted in accordance with the campus facility usage procedure. Any additional costs incurred by the Employer because of the Campus Association's use of its facilities may be charged to the Campus Association.

Section E. Bulletin Boards. The university President/designee shall furnish adequate bulletin board space in convenient locations on the campus for the exclusive use of the Association for the purpose of meeting notices and other relevant announcements.

Section F. ASF Member Mail. Consistent with law and policy, the Association shall be permitted the right to use university mail distribution services for on-campus mailing to ASF Members. "Distribution service" shall include electronic mail for both on-campus and inter-campus mailing.

Section G. Association Release Time.

Subd. 1. The Employer and the Association agree that the release of an ASF Member from normal job duties to perform other service shall be governed as follows:

(a) Association Representational Duties.

1. Association Responsibilities. Duly authorized representatives of the Association shall be free to transact official Association business necessary for the performance of Association responsibilities to ASF bargaining unit members, including grievance representation activities in accordance with Article 25, Section H. Such business may be conducted at the university at

reasonable times so long as it does not interfere with the normal functioning of the university.

2. Meet and Confer. Provided that the operations of an ASF Member's work unit will not be adversely affected, release time from normally-scheduled duties without loss of pay shall be granted to ASF Members within the following parameters for time spent at Meet and Confer meetings:
 - a) Up to nine (9) ASF Members elected or appointed by ASF to serve on the ASF meet and confer committee(s) with the university or Minnesota Management & Budget, and
 - b) Up to seventeen (17) members of the ASF State Board of Directors to serve on the ASF meet and confer committee with Minnesota State.
3. Service on University or System Committees in a Representational Capacity. In cases where an ASF Member acts as a representative of ASF on a university or system committee, ASF will select the ASF Member to serve on such committee, and the ASF Member's pay status will be in accordance with Article 19, Section A, Subd. 5. However, the Employer may elect to treat all or a portion of the time spent by the ASF Member performing such service as a work assignment by paying normal compensation and providing appropriate expense reimbursement.
- (b) Service on University or System Committees in a Non-Representational Capacity. In situations where the President/designee or Chancellor/designee requests ASF to nominate bargaining unit members to serve on university or system committees that perform the work of the Employer, and those individuals are assigned to such committees, the Employer will pay normal compensation and appropriate expense reimbursement to the ASF Member. In making nominations and assignments to committees, the effect on the ASF Member's work unit will be considered by ASF and the Employer. Although the Employer's determinations on whether to accept a nomination will not be arbitrary or capricious, such determinations shall not be subject to the grievance procedure. Nothing in this paragraph precludes the Employer assigning other ASF Members to such committees.

Subd. 2. Association President, statewide Association Officers, and Campus Association Presidents. Upon request of the Association, the Association President, statewide Association Officers, and Campus Association Presidents shall be granted up to a cumulative system-wide total of three (3) FTE release time from their assigned workloads for each year of the contract. The Association shall reimburse the Employer at the amount of the member's monthly base salary prorated for the amount of release time granted. The Association and the Employer may meet and confer to discuss additional FTE release for the Association if

circumstances warrant. The number of individuals granted release time shall not exceed eleven (11). ASF Members granted release time under this Subdivision shall remain on the State payroll at their regular salary and lose no benefits.

Subd. 3. Professional Development. Upon completion of two (2) or more consecutive terms as Association President, an ASF Member shall have the opportunity to take a paid professional development leave of up to six (6) months at full base salary, with a professional development activity that is mutually agreed to by the President and the ASF Member. The application for Professional Development Leave must be submitted within three (3) months of completion of the final term. The starting date of the leave must be agreed upon by the President and ASF Member. Upon completion of the leave, a recipient of this benefit is expected to provide service for a period of time equal to the length of the Professional Development Leave. An individual who takes this professional development leave shall not accrue vacation but shall accrue sick leave at one-half (1/2) the applicable rate for the duration of the leave.

Subd. 4. ASF State Board of Directors Meetings. Authorized ASF State Board members, not to exceed four (4) from each campus, shall be released one (1) day with pay per meeting for up to four (4) ASF State Board meetings per year. No more than seventeen (17) individuals will be released under this subdivision for each ASF State Board meeting.

Section H. Board of Trustees Meetings. The Association President and each Campus Association President shall be sent advance notices and agendas of the Board of Trustees meetings and shall also be provided copies of the minutes.

ARTICLE 8 MANAGEMENT RIGHTS

Section A. Inherent Rights. Except as expressly delegated in this Agreement, the Employer reserves all management rights and management functions as provided by law to the state of Minnesota.

Section B. Management Rights. Except as expressly delegated in this Agreement, the parties agree that management rights include but are not limited to the following: establishment of educational policies of the universities; administration of the universities; selection, direction, assignment, transfer, evaluation and promotion of ASF Members; establishment of class schedules, the exercise of such areas of discretion or policy as the functions and programs of the Employer, its overall budget, utilization of technology, the organizational structure, and the number of personnel.

Section C. Management Responsibilities. The parties also recognize the right and obligation of the Employer to efficiently manage and conduct the operation of the System within its legal limitations and with its primary obligation to provide educational opportunities. The foregoing enumeration of Employer rights and duties shall not be

deemed to exclude other inherent management rights and functions not expressly reserved herein, and all management rights and functions not expressly delegated in this Agreement are reserved to the Employer.

ARTICLE 9 AGREEMENT AGAINST STRIKES AND LOCKOUTS

Section A. Lock-Outs. No lock-out of ASF Members shall be instituted by the Employer during the term of this Agreement.

Section B. Strikes. During the life of this Agreement, no illegal strike of any kind shall be engaged in, sanctioned, or supported by MSUAASF, its officers, or agents. In the event the Employer alleges that any ASF Member or ASF Members are engaged in an illegal strike, MSUAASF will, upon written notification from the employer, immediately notify such ASF Member or ASF Members in writing of the allegation and the implications of a strike. However, nothing in this Article shall be construed as a waiver by MSUAASF of the rights of ASF Members to conduct a permissible and legal strike pursuant to Minnesota Statutes §179A.18.

ARTICLE 10 APPOINTMENTS

Section A. Appointments. There shall be the following types of ASF Member appointments:

- Subd. 1. Fixed-Term. A fixed-term appointment is an appointment for a limited period of time. A fixed-term appointment terminates at the end of the appointment period and does not imply that any future employment will be offered.
- (a) Fixed-term appointments may be used to fill vacancies created by leaves of absence, to fill positions when the President determines that normal recruitment and selection procedures cannot be implemented due to time constraints (an emergency fill), to meet peak work demands, to fill positions that involve head or assistant coaching responsibilities, to fill positions during departmental or university restructuring, to fill positions that may be eliminated in the near future, or for special projects. For all fixed-term positions, the Employer will communicate to the Association in writing the basis for the fixed-term position prior to or, at a minimum, contemporaneously with the fixed-term appointment.
 - (b) Normally, a fixed-term appointment shall not exceed twelve (12) months in duration. However, the President may extend such an appointment to a maximum of twelve (12) additional months when such action is deemed to

be in the best interest of the university. Fixed-term appointments involving head or assistant coaching responsibilities shall not be subject to the limitations set forth in this paragraph.

- (c) Fixed-term appointments may be extended for up to an additional twelve (12) months (for a total of 36 months) upon:
 - (1) sixty (60) calendar days written notice to the Campus Association President detailing the Employer's explanation of the necessity for the additional appointment period; and
 - (2) the agreement of ASF State Board of Directors.
- (d) If the position is being used to fill a leave of absence pursuant to Article 19, Section A, or to replace an individual on an acting or interim assignment in a higher range within the bargaining unit under Article 12, Section I, Subd. 2. (a) a fixed-term appointment may extend beyond thirty-six (36) months, but shall be limited by the length of the leave granted or the duration of the acting or interim appointment.
- (e) If there is a need to terminate the appointment prior to the appointment end date, the ASF Member will be given thirty (30) calendar days' notice of such termination.
- (f) Current or future ASF Members in a probationary, permanent, or externally funded position who are assigned athletic coaching duties will not be involuntarily converted to fixed term status. For positions involving head or assistant athletic coaching responsibilities, ASF Members may only be assigned fixed term assignments under this subdivision if the athletic coaching duties are at least fifteen percent (15%) of the position duties.
- (g) Discipline. Any ASF member with a fixed term appointment shall be subject to discipline only in accordance with the "just cause" provisions set forth in Article 23.

Subd. 2. Externally Funded.

- (a) Externally funded appointments are at least 40% financed by funding outside of the Employer's control which, for purposes of this subdivision, includes, but is not limited to, external grants, funding between Minnesota State institutions, and funding based upon voluntary revenue sources (e.g., child care fees, athletic ticket sales, etc.). Such appointments are not subject to the two (2) year limitation in Subd. 1.
- (b) Positions filled by an externally funded appointment do not become probationary when a portion of the funding is supplied from state money or state generated revenue. An externally funded appointment terminates when the external funding ceases, unless the university determines to

continue the position when external funding ceases. An externally funded appointment does not imply that any future employment will be offered. Any ASF Member hired on an externally funded appointment who subsequently becomes fully funded by state appropriated monies in the same position shall be converted to a fixed term or a probationary appointment. The probationary period for ASF Member(s) moved from externally funded positions to probationary status as a result of this subdivision shall be governed by Subd. 4 (c).

- (c) Any ASF Member hired on probationary status shall not be involuntarily changed to externally funded status.
- (d) **Non-Renewal and Personnel Reduction.** Any ASF Member with an externally funded appointment with four (4) years or less of service may be non-renewed. Such non-renewal shall not require just cause, but shall require ninety (90) calendar days advance written notice. The decision of the president to non-renew an externally funded ASF Member shall not be subject to the arbitration step of the grievance procedure. Notwithstanding the provisions of Article 22, ASF Members with externally funded appointments with more than four (4) years of service shall receive written notice of personnel reduction one hundred fifty (150) calendar days in advance of termination. For purposes of this paragraph, a personnel reduction shall not include the elimination of externally funded positions due to cessation or reduction of external funding.
- (e) **Discipline.** Any ASF Member with an externally funded appointment shall be subject to discipline only in accordance with the “just cause” provisions set forth in Article 23.

Subd. 3. Intermittent.

- (a) **Definition.** An intermittent appointment means the employee will work an irregular and uncertain schedule which alternatively begins, ceases, and begins again as the needs of the Employer require.
- (b) **Maximum Work Days.** An intermittent employee shall not work more than one hundred (100) days in a fiscal year.
- (c) **Benefits.** During the period of an intermittent appointment, an employee shall not accrue vacation, sick leave, or other benefits provided in this Agreement, unless otherwise required by law. Intermittent employees shall receive holiday pay if the holiday falls within an intermittent employee’s period of work.
- (d) **Discipline.** Intermittent employees shall be subject to discipline only in accordance with the “just cause” provisions set forth in Article 23.

- (e) Elimination and Non-rehire. The cessation of an intermittent employee's period of appointment shall not require just cause. The decision to not rehire an intermittent employee shall not require just cause.

Subd. 4. Probationary.

- (a) Definition. A probationary appointment means that the individual holding such an appointment is being evaluated for purposes of determining whether or not the ASF Member will be offered an appointment with permanent status.
- (b) Length. The total period of probationary service, prior to the acquisition of permanent status, shall be four (4) consecutive appointment years of service within a university without a break in service. For purposes of this Article, an appointment year is defined as service during a period starting from July 1 through June 30 annually that is at least one-half time (.5 FTE) for nine (9) to twelve (12) months.

An ASF Member who has multiple consecutive appointments in the same range within an appointment year shall have these counted toward fulfilling a year of probationary service if the appointments total at least nine (9) to twelve (12) months and are at least one-half time (.5 FTE).

1. **Length for ASF Members Hired after June 30, 2024 but before July 1, 2026.** For ASF Members hired after June 30, 2024 but before July 1, 2026, the total period of probationary service, prior to the acquisition of permanent status, shall be three (3) consecutive years starting on the individual's most recent date of hire at the university in a probationary position. The provisions of Subd. 4 (c) do not apply to these individuals. In the event that an ASF Member is on a fixed-term appointment, limited appointment or externally funded appointment, and is appointed to a probationary position within the bargaining unit at the same university without a break in service, the individual shall receive up to a maximum of one (1) year of credit toward permanent status for service in a fixed-term appointment, limited appointment, or externally funded appointment. Probationary ASF Members who are assigned to a different position within the bargaining unit shall complete their probationary period in the new position or serve a one (1) year probationary period, whichever is greater.
2. **Length for ASF Members Hired after June 30, 2026.** For ASF Members hired in a probationary appointment after June 30, 2026, the total period of probationary service, prior to the acquisition of permanent status, shall be two (2) consecutive years starting on the individual's most recent date of hire at the university in a probationary position. The provisions of Subd. 4(c) do not apply to these individuals. Service in a fixed-term appointment, limited appointment or externally

funded appointment will not be credited toward permanent status. Probationary ASF Members who are assigned to a different position within the bargaining unit shall complete their probationary period in the new position or serve a one (1) year probationary period, whichever is greater.

- (c) Computation. In the event that an ASF Member is on a fixed-term or externally funded appointment, and is appointed to a probationary position within the bargaining unit at the same university without a break in service, the ASF Member involved shall receive one (1) appointment year of credit toward permanent status for each appointment year of service up to a maximum of three (3), but in such case shall serve a minimum of one (1) appointment year of probationary status in that position. For an externally funded ASF Member whose position becomes fully funded by state appropriated monies as specified in Article 10, Section A, Subd. 2(b), the one (1) appointment year probationary period in that same position may be waived at the discretion of the President/designee. Such discretion is not subject to the grievance procedure. Notwithstanding the above, prior service in the classified service, if such service is in the ASF Member's current position, shall be counted toward completing the probationary period up to a maximum of three (3) appointment years.

Probationary ASF Members who are assigned to a different position within the bargaining unit shall complete their probationary period in the new position or serve a one (1) year probationary period, whichever is greater.

- (d) Discipline. An ASF Member with a probationary appointment shall be subject to discipline only in accordance with the "just cause" provisions set forth in Article 23 Discipline.
- (e) Non-Renewal. A probationary ASF Member may be non-renewed with advance notice, as specified below. Such a non-renewal shall not require just cause.

For ASF Members hired on or before June 30, 2024. If the ASF Member's first appointment is less than nine (9) months, written notice of non-renewal shall be one (1) month. Otherwise, one hundred fifty (150) calendar days' notice of non-renewal shall be given during the first, second, third, or fourth year of probation.

For ASF Members hired after June 30, 2024 but before July 1, 2026, during their first year of employment in a probationary appointment the ASF Member will be provided thirty (30) calendar days' written notice of non-renewal, during their second and third years of employment the ASF Member will be provided one hundred twenty (120) calendar days' written notice of non-renewal. Summer months shall not be excluded from the calculation of the notice period.

For ASF Members hired after June 30, 2026, during their first year of employment in a probationary appointment the ASF Member will be provided thirty (30) calendar days' written notice of non-renewal, and during their second year of employment the ASF Member will be provided one hundred twenty (120) calendar days' written notice of non-renewal. Summer months shall not be excluded from the calculation of the notice period.

Nothing contained herein modifies the computation of service applied to probation under (b) and (c) above. The decision of the President to non-renew a probationary ASF Member shall not be subject to the arbitration step of the grievance procedure. During the notice period, the ASF Member remains in probationary status, despite the provisions of Article 10, Section A, Subdivisions 4(b) and (c) above. The Campus Association President shall receive notice of non-renewal of any ASF Member in the local unit.

- (f) Evaluation. Probationary ASF Members shall be provided an annual written performance evaluation based on job performance as established by each campus. Job performance deficiencies noted in this evaluation are to be addressed in a plan for performance improvement developed by the supervisor after consultation with the ASF Member.
- (g) Special Probation. Permanent ASF Members who have been promoted pursuant to Article 12, Section G, Subdivision 1 to a different position within the bargaining unit (except if assigned to an interim/acting assignment) at the same university after they have attained permanent status shall be subject to a probationary period of three hundred ninety five (395) calendar days beginning on the first day of the appointment in the new position. If an ASF Member does not successfully complete this special probationary period, the ASF Member shall be provided thirty (30) calendar days advance notice, and then be returned to the individual's immediately preceding status. Failure to successfully complete the special probationary period shall not be subject to the grievance procedure. For purposes of this paragraph, "returned to the ASF Member's immediately preceding status" means the ASF Member will be assigned to a position in the bargaining unit at the university in the same range as the position the ASF Member occupied immediately prior to being promoted, and the ASF Member's salary will be sent in accordance with Article 12, Section G, Subdivision 4 Demotion. If this assignment is to the position the ASF Member occupied immediately prior to being promoted, there will be no subsequent special probation. If this assignment is not to the position the ASF member occupied immediately prior to being promoted, there will be an associated special probation.

Subd. 5. Permanent Status. An appointment with permanent status is an appointment granted by the Employer upon successful completion of the probationary period specified in Subd. 4 above. Appointments with permanent status are for an indefinite time period and individuals holding such appointments continue in employment status within the university, but not in any particular position, unless terminated under the provisions of either Article 23, Discharge Suspension, and Disciplinary Demotion, or Article 22, Personnel Reduction and Layoff.

Subd. 6. Position Requirements. All ASF position appointments of greater than six (6) months duration require minimum qualifications of a Bachelor's degree/appropriate professional certification, or an equivalent combination of education and experience. The six (6) month period may be extended by an additional six (6) months if the Employer notifies the campus Association in writing that the Employer has experienced a failed search with respect to the affected position. ASF Members employed prior to July 1, 1999, shall not be discharged or demoted based upon this provision.

Subd. 7. Limited Appointment for Residence Halls and Admissions Positions. A limited appointment is an optional appointment, as determined by the university, for a limited period of time for up to five (5) appointment years within a university. A limited appointment terminates at the end of the appointment period and does not imply that any future employment will be offered. Limited appointments may only be used for positions working in residence halls with primary duties that involve living in a residence hall, and for admissions positions having primary duties of off-site student recruiting. If there is a need to terminate the limited appointment prior to the appointment end date, the ASF Member will be given written notice of such termination. If the ASF Member's limited appointment is less than nine (9) months, termination shall require a notice of thirty (30) calendar days. For an ASF Member in the first appointment year of a limited appointment, termination shall require a notice of sixty (60) calendar days. Otherwise, one hundred and twenty (120) calendar days' notice of termination shall be given during the second, third, fourth and fifth appointment years. Summer months shall not be excluded from the calculation of the notice period.

- (a) If an ASF Member is on a Limited Appointment and appointed subsequently to a probationary position within the bargaining unit at the same university without a break in service, the ASF Member shall receive one (1) appointment year of credit toward permanent status for each appointment year of service in the limited appointment up to a maximum of three (3) appointment years of credit, but in such case shall serve a minimum of one (1) appointment year of probationary status in that position.
- (b) Discipline. An ASF Member with a limited appointment shall be subject to discipline only in accordance with the "just cause" provisions set forth in Article 23 Discipline.

Section B. Reserved.

Section C. Notification of Appointment. Each ASF Member will be notified in writing at the beginning of each fiscal year of the individual's salary, salary range, title, type of appointment, starting and ending dates of the appointment, full or part-time status (if part-time, percentage of full-time will be shown), probationary appointment years worked, if any, payment option, and any other relevant special conditions of employment, if any, such as "live-in" requirements and applicable rental charges for residence hall staff. The format of the appointment document shall be the same for each university, and shall include a statement that the appointment is subject to the provisions of this Agreement. However, if the Employer develops a means to allow ASF Members to access this information electronically, the above described written notification need not be provided.

Section D. Notice of Change of Appointment. Any change of terms and conditions of an existing appointment not sufficient to constitute layoff is not effective until thirty (30) days after notification to the affected ASF Member. For purposes of this section a change in the ASF Member's terms and conditions of employment, as defined in Minn. Stat. § 179A.03, include salary, benefits, range, hours of employment, and appointment type. The affected ASF Member may waive the thirty (30) day notice by submitting a written statement to the university Human Resources Office.

Section E. Performance Evaluations. Prior to implementing procedures for ASF Members' performance evaluations, the President/designee shall meet and confer with the Campuses Association. The instruments and procedures shall be uniform throughout the campus. Each ASF Member shall be evaluated regularly in accordance with these procedures. Job performance deficiencies noted in this evaluation are to be addressed in a plan for performance improvement developed by the supervisor after consultation with the ASF Member.

ARTICLE 11 WORKLOAD

Section A. Base Pay Rates. The following base pay rates will apply:

Subd. 1. Fair Labor Standards Act (FLSA) Exempt ASF Members. The salary ranges, and annual base salaries set within those ranges, are for the full fiscal year (July 1- June 30), and shall not be added to or subtracted from to reflect fluctuations in the number of work days (260, 261, 262) in a given year. Any appointment of less than twelve (12) months shall have the base salary prorated based on the FTE of the appointment, as determined by that portion of the actual duty days worked in a given fiscal year (e.g., 260, 261, or 262 as appropriate). Any other appointment of less than full time shall have the base salary pro-rated based on the FTE of the appointment, as defined in Article 11, Section D.

Subd. 2. FLSA Non-Exempt ASF Members. The salaries indicated on the salary schedule are based on full time employment for a forty (40)-hour work week over

twelve (12) months. Any appointment of less than twelve (12) months shall have the base salary pro-rated based on the FTE of the appointment, as determined by the portion of the actual duty days worked in a given fiscal year (e.g., 260, 261, or 262 as appropriate). Any other appointment of less than full time shall have the base salary pro-rated based on the FTE of the appointment, as defined in Article 11, Section D. Variations in an ASF Members actual hours worked will be compensated as provided in the FLSA and this Article.

Section B. Work Schedule. The Employer and the Association endorse the principle that non-traditional working patterns may provide the best means for the discharge of professional responsibilities. In such context, the Employer agrees that schedule adjustments as approved by the President/designee shall be made to adjust for unique requirements of the ASF Member's assignment. Additionally, the Employer and the Association agree to the following concepts regarding schedule adjustments:

Subd. 1. ASF Members hold professional positions within the Association, and are responsible for accomplishing the necessary work reasonably expected of the positions.

Subd. 2. The Association and the Employer agree that organizational areas of the universities need to operate for determined hours and to provide determined services to the clientele of the universities.

Subd. 3. Work Schedules for FLSA Exempt ASF Members.

- (a) Within each organizational area, ASF Members as assigned may work in excess of their normal bi-weekly work period to meet peak work demands. These peak demands may be considered as annual recurring requirements of the position, or periodic normal requirements of the position. The Employer agrees that ASF Members shall be permitted to schedule flexible work schedules to offset these peak work periods.
- (b) It is also understood by the Association and the Employer that the flexible work schedules will be implemented following the peak work periods and approved in advance by the appropriate manager or supervisor. The Employer agrees that administrators, managers and supervisors shall make a reasonable attempt to honor requests for these applications, dependent upon staffing and project needs. Such requests, where honored, must be completed within twelve (12) months following the conclusion of the respective peak work period.
- (c) The Association and the Employer agree that the time management understanding outlined herein does not entitle any ASF Member to an hour for hour offset for time worked in excess of their normal bi-weekly work period.

- (d) The Association and the Employer agree that the application of these procedures shall be on a request by request basis and shall not result in the establishment of formal or informal compensatory time banks.

Subd. 4. Work Schedules for FLSA Non-Exempt ASF Members.

- (a) The normal work period for full time FLSA non-exempt ASF Members shall be forty (40) hours of work during seven (7) consecutive days. A university may use other work schedules permitted by the FLSA, and shall notify the affected ASF Members when those other work periods are in effect. Hours worked in excess of the maximum number of hours permitted in each applicable work period are overtime hours. All paid vacation time, paid holidays, paid sick leave, paid compensatory time off, and other paid leaves of absence shall not be considered "time worked" for overtime compensation purposes. All overtime work requires prior approval by the supervisor.
- (b) Balancing Hours within a Work Period. By mutual agreement, an FLSA nonexempt ASF Member and the immediate supervisor may adjust hours during a work period.
- (c) No Duplication of Payment. Compensation shall not be paid more than once for the same hours under any provision of this Agreement. For purposes of this paragraph, Honoraria, Special Initiative Awards and Professional Excellence Awards as detailed in Article 12, Section I, Subdivisions 4, 5 and 6 are not considered compensation.

Section C. Fair Labor Standards Act. No provision of this Agreement shall abridge, violate or diminish rights of ASF Members as guaranteed by the Fair Labor Standards Act.

Section D. Part-Time Scheduling. Subject to Section B of this Article, the Employer and the Association endorse the principle that less than full time equivalent ("FTE") positions shall, within reason, be expected to work a biweekly work period that equates to an eighty (80) hour work period multiplied by the position's FTE. (e.g., 80 hours @ .75 = 60 hours).

It is further understood by both parties that ASF Members assigned to less than a FTE position may be required, during the peak work periods, to exceed their normal biweekly work period. FLSA non-exempt ASF Members who work a part-time schedule will earn overtime for hours worked in excess of forty (40) in a work week.

The Employer agrees to review any ASF position that is less than one (1) FTE if the Association can demonstrate that the position has regularly been required to work a work period that substantially exceeds the normal work period as defined above, and adjust the FTE of the respective position as deemed appropriate by the Employer.

Section E. Compensatory Time for FLSA Non-Exempt ASF Members.

Subd. 1. Eligibility for Compensatory Time. Only ASF Members who are non-exempt under the FLSA are eligible to accrue compensatory time in lieu of cash overtime.

Subd. 2. Accrual of Compensatory Time. By mutual agreement between the eligible ASF Member and that individual's supervisor, overtime hours worked may be accrued as compensatory time in lieu of cash overtime. Overtime hours worked that are accrued as compensatory time will be credited at the rate of time and one half. In the absence of an agreement to credit overtime hours worked as compensatory time, the overtime hours shall be compensated in cash at a rate of time and one half of the individual's regular rate of pay.

Subd. 3. Limit on Accrual of Compensatory Time. The maximum amount of hours that may be accrued as compensatory time at any given time is two hundred and forty (240) hours. All overtime hours worked over this maximum will be compensated in cash.

Subd. 4. Scheduling Compensatory Time. An eligible ASF Member, who has accrued compensatory time and requested use of this compensatory time, shall be permitted to use such time off within a reasonable period after making the request, if such request does not unduly disrupt the operations of the university. Nonetheless, the university may require an ASF Member to use accrued compensatory time by providing reasonable advance notice to the ASF Member prior to the scheduled time off.

Subd. 5. Liquidation of Compensatory Time.

- (a) Payments for all or a portion of an ASF Member's compensatory time may be made at any time and shall be paid at the regular rate earned by the ASF Member at the time the employee receives such payment.
- (b) Upon termination of employment, the individual shall be paid for unused compensatory time at a rate of compensation as provided in 29 C.F.R. 553.27(b).
- (c) If for any other reason (including, but not limited to, movement to a FLSA exempt position or layoff) an ASF Member becomes ineligible for compensatory time under this collective bargaining agreement, the ASF Member's unused compensatory time shall be paid at the regular rate earned by the employee in the individual's last ASF FLSA non-exempt position. Further, if an eligible ASF Member moves for any reason to the jurisdiction of another Appointing Authority, the ASF Member's unused compensatory time shall be paid at the last rate earned by the employee at the sending university.

ARTICLE 12 SALARIES

Section A. Assignment to Salary Range.

Subd. 1. Process. Subject to meet and confer, the Employer will have a process for the assignment of positions to salary ranges. The process will use the following instruments: MSUAASF Position Description form, Administrative Procedures for MSUAASF Position Allocation, and the MSUAASF Position Allocation Matrix. The Employer will provide a copy of these documents to the Campus Association President, and a copy will be available in each human resources office. The documents referred to in this Subdivision are not part of the collective bargaining agreement, and are not negotiable or grievable.

Subd. 2. Evaluation Committee. A local evaluation committee will be established by the President and it shall include a Campus Association representative.

Subd. 3. Range Assignments. Positions are assigned to salary ranges A through E. Such assignments shall continue for the duration of this Agreement unless changed pursuant to Subd. 4 of this Section.

Subd. 4. Position Evaluations. Positions created during the term of this Agreement will be evaluated for the purpose of assignment to salary range. An ASF Member or supervisor may request to have a position reevaluated every twelve (12) months if such a request is based upon substantive changes in the position. Such a request shall be acted upon unless the position has been evaluated in the previous twelve (12) month period, in which case endorsement of the request by the President's designee will be required before a reevaluation is undertaken. All requests for reevaluation shall be in writing. The Employer agrees that an opportunity to appear before the evaluation committee will be provided to the ASF Member. The Campus Association President and the ASF Member shall be notified of the results of the campus recommendation. Except as provided in Article 12, Section G. Subd. 2(b) Range Reevaluation to a Lower Range, the effective date of the reassignment to a different salary range shall be the date the Human Resources Director or designee receives a formal written request for reevaluation of the position, with all appropriate agreed upon documentation.

Subd. 5. Position Description. The format of position descriptions shall be uniform for all positions in the bargaining unit. An ASF Member's position description shall be provided by the university's Human Resources Office upon request of the ASF Member or the applicable Campus Association President.

Subd. 6. Discretion. The ultimate authority of assignment to ranges is reserved to the discretion of the Employer.

Subd. 3. No ASF Member's annualized salary will be less than forty-six thousand eight hundred dollars (\$46,800).

Section C. Compensation Adjustments for FY 2026 and FY 2027.

Subd. 1. FY 2026 Compensation

- (a) The salary schedule for FY 2026 is reflected in the table in Section B, Subd. 1 above.¹

¹ The FY 2026 salary schedule in Section B, Subdivision 1 remains unchanged from the salary schedule for the previous fiscal year. This footnote is included for informational purposes only and is not a term of the contract.

- (b) Effective July 1, 2025, except for ASF Members excluded by Section D below, all other ASF Members employed in the unit on June 30, 2025 will receive a one (1) step increase on the salary schedule set forth in Section B, Subdivision 1.

Subd. 2. FY 2027 Compensation

- (a) The salary schedule for FY 2027 is reflected in the table in Section B, Subd. 2 above.²
- (b) Except for ASF Members excluded under Section D below, all ASF Members employed in the bargaining unit during FY 2026 and who remain in the unit at the start of FY 2027 will have their salaries adjusted effective July 1, 2026 as provided in the July 1, 2026 salary schedule in Section B, Subd. 2.

Section D. Exclusions. Medical Directors and Health Service Physicians shall have their initial salary set without reference to the ranges stated above. Effective July 1, 2025, ASF Members under this section who are employed in the bargaining unit shall receive a one percent (1%) increase to their base salary in effect on June 30, 2025. On July 1, 2026, ASF Members under this section who were employed in the bargaining unit during FY 2026 and who remained in the unit at the start of FY 2027 shall receive a one percent (1%) increase to their base salary in effect on June 30, 2026.

Section E. Duration of Salary Increases. Any salary increases provided in this Agreement shall be limited to the duration of this Agreement, and if a successor Agreement is not in effect on July 1, 2027, ASF Members shall be compensated pursuant to the effective salary as of June 30, 2027, until such time as a successor Agreement is in effect.

Section F. New ASF Members. Step placement for new ASF Members shall be consistent with equity and experience. If market is a factor in determining salary placement, and the salary exceeds the midpoint of the appropriate range, the salary must be approved by the Minnesota State System Office.

Section G. Salaries on Promotion or Range Reevaluation or Downgrade or Demotion or Reevaluation to a Lower Range or Lateral Movement.

Subd. 1. Promotion. A promotion occurs when a current ASF Member is 1) selected via an internal or external search or 2) reassigned to fill a vacant position in a higher salary range. An ASF Member assigned to fill a position in the bargaining unit in a higher salary range on an Acting or Interim basis pursuant to Article 12, Section I, Subdivision 2 who is subsequently selected to fill the same position shall be deemed to have been promoted. In such situations, the ASF Member's step placement will be reviewed consistent with the factors stated in Section F of this Article, and may be modified, if justified by those factors.

² The FY 2027 salary schedule in Section B, Subdivision 1 reflects a 0.5% ATB increase from the salary schedule for the previous fiscal year. This footnote is included for informational purposes only and is not a term of the contract.

Subd. 2. Range Reevaluation.

- (a) Range Reevaluation to a Higher Range. A range reevaluation to a higher range occurs when, as a result of increased levels of responsibility within a given job, that job is reevaluated in accordance with the procedures set out in Section A of this article and reassigned to a higher salary range. In such situations, the ASF Member's step placement will be reviewed consistent with the factors in Section F of this Article, and may be modified, if justified by those factors.
- (b) Range Reevaluation to a Lower Range. A range reevaluation to a lower range occurs when a filled position is reevaluated in accordance with the procedures set out in Section A of this Article and is reevaluated to a lower salary range. When this occurs the ASF Member in that position will remain at the prior range and step for one (1) year, after which the ASF Member, if in the same position and assigned the same responsibilities, will have their base salary reduced: 1) to the maximum step of the new range, for those who are above the maximum of the new range, or 2) to the step at the new range which is nearest to but not greater than their current base salary, if their salary is within the new range.

Subd. 3. Downgrade. A downgrade occurs when an ASF Member voluntarily accepts a position in lower salary range. The ASF Member shall have their salary reduced to the maximum of the new range, or if their salary is within the new range, to the step which is nearest to but not greater than their current salary.

Subd. 4. Demotion. A demotion occurs when an ASF Member is placed in a position in a lower salary range pursuant to Article 10, Section A, Subdivision 4(g) Special Probation, or for disciplinary reasons pursuant to Article 23 Discipline. When the ASF Member is demoted pursuant to Article 10, Section A, Subdivision 4(g) Special Probation, the ASF Member's salary shall be reduced to the range and step the ASF Member was paid immediately preceding the Special Probation plus any contractually negotiated step increases. When a demotion occurs pursuant to Article 23, the ASF Member shall receive a salary within the range to which the individual is demoted. In no event shall the ASF Member receive an increase in salary as a result of the disciplinary demotion pursuant to Article 23.

Subd. 5. Reserved.

Subd. 6. Lateral Movement. A lateral move may occur with an external search, internal search or without a search.

- (a) With an External or Internal Search. A Lateral Move occurs where an ASF Member is assigned to a different position at the same university in the same range as the result of an external or internal search process. In such situations, the ASF Member's step placement will be reviewed consistent with the factors

stated in Section F of this Article, and may be modified, if justified by those factors. However, at a minimum the ASF Member's salary will remain at the same step that it was prior to the lateral move.

- (b) Without a Search. A Lateral Move also occurs where an ASF Member is permanently assigned to a different position at the same university in the same range without a search process. This type of lateral move requires thirty (30) days' notice to the ASF Member. A waiver of the thirty (30) day notification period in this paragraph must be approved in writing by the ASF Member. In such situations, the ASF Member's step placement will be reviewed consistent with the factors stated in Section F of this Article, and may be modified, if justified by those factors. However, at a minimum the ASF Member's salary will remain at the same step that it was prior to the lateral move.

Section H. Exceptional Achievement Incentive Program. The purpose of this program is to provide ASF Members with an incentive to attain high achievement in a number of areas. It will provide recognition to an ASF Member who has demonstrated ongoing exceptional achievement as defined in Subds. 2 and 3 of this Section. The Exceptional Achievement Incentive Program shall be based on the principles of demonstrated consistent high performance and achievement. For each Fiscal Year of this Agreement, no more than ten percent (10%) of the eligible ASF Members at each university, as of July 1st, may have applications approved and receive an incentive under this program.

Subd. 1. Eligibility. ASF Members on Fixed-term, Externally Funded, Limited Appointment for Residence Halls and Admissions positions, Probationary, and Permanent appointments are eligible to receive an Exceptional Achievement Incentive after 9 months of consecutive service in this bargaining unit of at least one-half time (.5 FTE).

Subd. 2. Exceptional Achievement Requirements. All eligible ASF Members who apply for this program are expected to demonstrate and provide evidence of exceptional achievement under Subd. 3(a) of this Section. In addition, all eligible applicants must demonstrate and provide evidence of exceptional achievement under a minimum of two (2) other criteria identified in Subd. 3. These additional criteria may be chosen by the Member applicant from paragraphs (b) through (f) in Subd. 3. All evidence of exceptional achievement must be submitted as part of the Member's application portfolio described in Subd. 5.

Subd. 3. Criteria. The criteria to be used shall be:

- (a) Demonstrated ability to effectively perform job responsibilities. Exceptional achievement in performing the ASF Member's job responsibilities is a necessary condition of an exceptional achievement incentive plan. A pattern of consistent exceptional achievement on performance evaluations may be considered appropriate evidence of satisfying this criteria.

- (b) Scholarly activity, creative achievement or research. Evidence of an ASF Member's continuing contribution to the individual's profession is necessary to meet this criteria. ASF Members can demonstrate exceptional achievement in this criteria in a number of ways, such as: professional recognition by peers at a state, regional or national level; appropriate dissemination of new knowledge, scholarly and/or artistic work; or applied scholarly research.
- (c) Evidence of continuing preparation, study. ASF Members can demonstrate exceptional achievement in this criteria in a number of ways, such as: completion of a degree or certificate program; evidence of active participation as a presenter in state, regional or national professional meetings; completion of post-graduate seminars; participation in workshops and training sessions; and additional graduate coursework. Such continuing preparation and study should be directly related to either the individual's position responsibilities or continued professional growth within the Minnesota State system.
- (d) Contribution to student growth and development. ASF Members can demonstrate exceptional achievement in this area in a number of ways, such as: through evidence of advising excellence; unusual success in recruitment, retention or placement of students; counseling excellence; residential-life programming excellence; facilitation of student groups and student leadership, student research projects or internships; documented praise and recognition from alumni; or substantial involvement in department, division, and extra-departmental student activities.
- (e) Service to the university or community. Exceptional service to the university can be demonstrated in a number of ways, such as: through service on departmental, division, or university committees; service for professional organizations; work on specific projects on the university's behalf; unusual success in fundraising; conducting workshops; developing and maintaining effective working relationships with teaching faculty; teaching courses not part of position responsibilities; and assisting with cultural diversity efforts. Service to the external community is generally understood to be service consistent with, or growing out of, the ASF Member's professional expertise, yet beyond the expectations of the ASF Member's position responsibilities.
- (f) Other contributions that further the strategic goals of the Minnesota State system. Evidence of the ASF Member's exceptional contributions in furtherance of the Minnesota State system's strategic goals that might not otherwise fall clearly into criteria (a) through (e) above will be considered to satisfy one of the two applicant-selected criteria described above. Documentation submitted in support of this criterion must clearly identify and explain how the ASF Member has furthered the system's strategic goals.

Contributions in support of this criterion may be consistent with, or growing out of, the ASF Member's professional expertise, but should generally be beyond the expectations of the ASF Member's position responsibilities.

- (g) Among other activities, evidence of achievement in criteria (a) through (f) above may include efforts by the ASF Member that are intended to close educational equity gaps, and/or work with the university in multicultural, anti-racism, anti-oppressions, or equity and inclusion activities, or engage in similar volunteer activities with the community.

Subd. 4. Timelines and Funding. An ASF Member who meets the eligibility criteria and wishes to apply for this program must comply with all applicable deadlines for the program, as determined by the ASF Member's current university, for the fiscal year in question. Each university shall communicate available funds for the program, as well as its application and decision timelines, no later than two (2) months prior to the date application portfolios are due.

Subd. 5. Application Procedures and Portfolio.

- (a) All eligible ASF Members who apply for this program must electronically submit an application portfolio sufficient to allow the university to evaluate whether and how the ASF Member applicant has demonstrated exceptional achievement in each of the three areas specified in Subdivision 2. The application portfolio shall, at a minimum, include: (1) a written statement that identifies which of the applicant-selected criteria in Subdivision 3 the ASF Member has chosen and explains in detail how the ASF Member has satisfied the relevant criteria required; (2) evidence documenting the Member's satisfaction of each of the three criteria; and (3) a written verification from the ASF Member's supervisor of the ASF Member's eligibility to apply.
- (b) The ASF Member applicant shall timely submit their completed application portfolio to the appropriate Vice President or other appropriate senior-level administrator. The Vice President or other appropriate senior administrator will submit a recommendation along with the application to the President, whose decision shall be final. The decision to approve or not approve an incentive shall not be grievable.

Subd. 6. Incentive Amount. If selected to receive an incentive under this program, the ASF Member will receive a lump-sum payment of three-thousand (\$3,000) less normal withholdings and deductions. This lump-sum payment shall not be added to base. ASF Members at the top of the salary schedule are not excluded from receipt of this incentive.

Subd. 7. Effective Date. Applicants selected to receive an incentive under this program shall normally receive the incentive in or before the last full pay period of the fiscal year in which their application was submitted.

Section I. Additional Assignments and Compensation.

Subd. 1. Additionally Assigned Responsibilities. Under the circumstances described in this subdivision, an FLSA Exempt ASF Member temporarily assigned additional duties or responsibilities shall be provided appropriate additional compensation. At a minimum, appropriate additional compensation will be ten (10) percent of base salary. Compensation for additionally assigned duties or responsibilities shall be documented in writing and commence on the date the duties begin. The ASF Member will be notified of the assignment in writing which will state: the duties assigned, the compensation amount, and the duration of assignment and compensation. If the duties began prior to the date of the written notice, pay shall be retroactive to the date the assigned additional duties or responsibilities began. For the ASF Member to be eligible for additional compensation, all of the following conditions must be met:

- (a) The additionally-assigned duties or responsibilities must not be reasonably covered by the ASF Member's position description;
- (b) The additionally-assigned duties or responsibilities must reasonably be those of an unclassified position in an equal or higher range; and
- (c) The ASF Member's employing university must anticipate that the duration of the Member's performance of the temporary additional assignment will be six (6) weeks or longer, and the university must have an expectation that the additional assignment will end. Time that an ASF Member is scheduled to be on vacation or leave of any other sort shall not count towards the fulfillment of the six-week requirement.

Additionally, in circumstances where an FLSA Exempt ASF Member is temporarily assigned additional duties or responsibilities that meet criteria (b) and (c) above, but not criterion (a), the university may, in the discretion of the President or President's designee, provide the ASF Member with an honorarium subject to the same monetary cap as provided in Article 12, Section I, Subdivision 4. This honorarium is not subject to the other requirements of Subdivision 4.

Subd. 2. Acting or Interim Assignment.

- (a) An ASF Member who is assigned on an acting or interim basis to a position in a higher range in the bargaining unit shall be compensated at a salary which, at a minimum, is the nearest higher salary in the new salary range, plus one (1) step. An ASF Member who is assigned on an acting or interim basis to a position in a higher range will have the right to return to the ASF Member's former position at the same range and step as if the ASF Member had been continuously employed in the former position.

Any acting or interim assignment with an expected duration greater than one (1) year shall be subject to meet and confer with the local Association.

- (b) An ASF Member who is assigned on an acting or interim basis to a position as a Minnesota State Administrator will have the right to return to the ASF Member's former position at the same range and step in the ASF bargaining unit at the university where the individual is employed. The ASF Member shall neither lose nor continue to accrue benefits provided to ASF Members in this bargaining unit during the period of any acting or interim appointment as a Minnesota State Administrator.
- (c) Refer to Article 5 for definitions of acting or interim assignments.
- (d) Article 12, Section G, Subdivision 1 addresses when an ASF Member is assigned to fill a position in the bargaining unit in a higher salary range on an Acting or Interim basis and is subsequently selected to fill the same position.

Subd. 3. Classroom Teaching. When any additional assignments involve classroom teaching, compensation shall, at a minimum, be at the negotiated adjunct faculty pay rate as provided in the instructional faculty collective bargaining agreement.

Subd. 4. Honorarium. An ASF Member who performs an assigned special project for the university and/or Minnesota State may be awarded an honorarium at the President's or Chancellor's discretion. For purposes of this provision, the special project must normally be outside the scope of the ASF Member's responsibilities. Additionally, an honorarium may be granted as provided in the second paragraph of Article 12, Section 1, Subd. 1(c). Additionally, at the President's discretion, an ASF Member who, after the effective date of this agreement and while employed in a position covered by this agreement, obtains a terminal degree from an accredited institution in an academic field related to the ASF Member's position may be awarded an honorarium. Total honoraria for any individual ASF Member shall not exceed five thousand dollars (\$5,000) per fiscal year. Unless the Association is provided the data on honoraria electronically, each university will provided the names of honoraria recipients and the reason for the honoraria to the Campus Association President on a quarterly basis.

Subd. 5. Special Initiative Award. At the discretion of the President/designee, any ASF Member may be issued a Special Initiative Award of up to five thousand dollars (\$5,000), subject to the following conditions.

- (a) Each University shall have a Special Initiative Award Committee which shall be comprised of two (2) Campus Association representatives and three (3) Administrative representatives. After a local meet and confer, each University may implement additional written guidelines, including but not limited to procedures and deadlines, for the functioning of this committee.
- (b) An ASF Member, or a group of ASF Members, seeking consideration for a Special Initiative Award will submit a written proposal that has been

approved by the individual's or individuals' supervisor(s) to the University Special Initiative Award Committee. The proposal must specifically delineate goals for a special initiative that is of benefit to the University, its mission, and/or the Minnesota State system, including a timeline and an assessment plan.

- (c) The committee may accept or reject the proposal, or make suggestions on how to improve the proposal to make it acceptable. Proposals deemed acceptable by the committee will be forwarded to the President/designee, with a recommended initial minimum dollar amount for the award. The President/designee may accept, reject or modify the proposal and/or the committee's recommendation. Written approval of the President/designee must be received prior to beginning work on the initiative.
- (d) In compliance with the assessment plan, the ASF Member(s) will provide a written report to the committee upon completion of the initiative. The committee will review the written report, document the work completed on the initiative and goal achievement, and prepare a written final recommendation to the President/designee for the amount of the award based on work completed and results achieved. The President/designee may accept or modify the committee's recommendations on the amount of the award from the recommended initial minimum up to, but not to exceed, the five thousand dollar (\$5,000) maximum. This payment will be in the form of a one-time lump sum payment, and it will not be added to or considered as part of the ASF Member's base salary.
- (e) For Fair Labor Standards (FLSA) non-exempt ASF Members, the project approval of the President/designee will be in the form of the maximum number of hours that may be devoted to the project. These hours will be paid consistent with Article 11 as they are worked. These hours will be in lieu of a lump sum payment.
- (f) Among other activities, proposals for the Special Initiative Award may include efforts by the ASF Member(s) that are intended to close educational equity gaps, and/or work with the university in multicultural, anti-racism, anti-oppression, or equity and inclusion activities.

Subd. 6. Professional Excellence Award. Annually, the Board of Trustees may provide a Professional Excellence Award to one ASF Member in the amount of \$5,000, less normal withholdings and deductions. This Award will be made consistent with the then-current Award Program Announcement and Guidelines (Guidelines) issued by the employer. Additionally, the employer may provide other recognition as specified in the Guidelines.

- (a) One Professional Excellence Award nominee submitted to the Board from each university, who does not receive that award from the Board, will be

honored with a lump-sum award of one thousand dollars (\$1,000), less normal withholdings and deductions.

Subd. 7. On-Call for FLSA Non-Exempt ASF Members. “On-call status” is defined as when an FLSA Non-Exempt ASF Member is instructed in writing by the President/designee to remain available to work during an off-duty period. While in on-call status, the ASF Member is not required to remain at a fixed location, but is required to provide contact information where the ASF Member can be reached immediately. An eligible ASF Member who is in on-call status shall be compensated for such time on the basis of fifty dollars (\$50) for a designated twenty-four (24) hour period or part thereof, not to exceed a maximum of three hundred fifty dollars (\$350) per work week, (i.e., Wednesday through Tuesday, unless the university designates a different work week). If an ASF Member who is in on-call status performs necessary work for the university during a period of on-call, the ASF Member will be paid for the time worked at the applicable hourly rate in addition to the on-call pay.

(a) Exchanging On-Call Assignments. With advance approval of the President/designee, an ASF Member may exchange all, or a portion of, a single on-call assignment with another ASF Member. In a swap situation, no more than one ASF Member will receive the \$50 on-call pay per assignment. The ASF Member who served on-call for the majority of the assignment will receive the on-call pay. If the ASF Members are in an on-call status for an equal amount of time during the assignment, the ASF Member who was initially assigned to be in on-call status will receive the on-call pay.

Subd. 8. Call Back for FLSA Non-Exempt ASF Members. A call back occurs when an FLSA Non-Exempt ASF Member who is not in an on-call status is required by the President/designee, without prior notice, outside of the ASF Member’s regularly scheduled work hours, to physically travel to work at a location necessitated by the circumstances. An eligible ASF Member who is called back shall be paid a minimum of two (2) hours, or be compensated for the actual time worked, whichever is greater, at the applicable hourly rate of pay. ASF Members who use their own vehicle to report back to the worksite for the call back assignment will be reimbursed mileage for driving to and from the worksite and their home. Call back pay does not apply where the ASF Member resides at the university. Where an ASF Member resides at the university and is required by the President/designee to perform work outside regularly scheduled hours, the ASF Member will be paid for the time worked at the applicable hourly rate of pay.

Subd. 9. Career Step.

(a) Eligibility.

1. Beginning July 1, 2024, an ASF Member who has completed five (5), or fifteen (15) continuous years of service at the university and who is not at the top step of the salary schedule shall receive, in the first full pay

period of the fiscal year that follows the ASF Member's completion of five (5), or fifteen (15) continuous years of service at the university, one (1) additional step on the salary schedule. For purposes of this Subdivision, years of service shall be based on the ASF Member's last hire date at the university.

- (b) FY 2025 and Beyond Lump Sum Payment in Lieu of Step for ASF Members at Top Step. An ASF Member who is at the top step of the salary schedule but who otherwise would be eligible for the Career Step shall receive, in the first full pay period of the fiscal year that follows the ASF Member's completion of five (5), or fifteen (15) continuous years of service at the university, a one-time lump sum payment equivalent to three percent (3%) of the ASF Member's base salary in that fiscal year. The lump sum payment for an ASF Member working less than full time (1.0 FTE) in that fiscal year shall be prorated according to the ASF Member's FTE in the preceding fiscal year.

Section J. Consolidated Positions. During FY 2026 and FY 2027 if, as a result of a university's permanent elimination of an ASF unit position, a current Range E ASF Member is assigned additional responsibilities that were formerly assigned to the permanently eliminated position, and such additional responsibilities are not reasonably covered by the current ASF Member's position description, the university may annually elect to provide appropriate additional compensation. Appropriate additional compensation provided pursuant to this Section shall not be limited by the salary schedules set forth in this Article, but shall not annually exceed ten percent (10%) of the ASF Member's base salary. The university's decision concerning additional compensation in these circumstances shall be grievable only through Step III of the grievance procedure. Should the ASF Member be relieved of the additional responsibilities described herein, or other comparable responsibilities, the salary enhancement described in this Section shall end at that time.

Section K. Discretionary Function. The discretionary function of the Employer as provided in this Article shall not be the subject of the grievance procedure.

Section L. Salary Market Adjustments. After meeting and conferring with the Campus Association, the President/designee may certify to the Campus Association in writing that specified positions are paid below prevailing market rates based on salary surveys by third party professional organizations, such as the College and University Professional Association for Human Resources (CUPA-HR), or comparable organizations or agencies which are mutually agreed upon between the Minnesota State System Office and ASF. The President/designee, on an annual basis, may adjust the salaries for incumbent ASF Members in such positions up to fifteen (15) percent above each incumbent's normal base salary. Such adjustment(s) shall be paid as a one-time lump-sum payment within the fiscal year on a date to be determined by the President/designee, and shall not constitute a permanent increase to the ASF Member's base salary. Receipt of an annual adjustment pursuant to this Section shall not be understood to create an expectation for any future annual payments.

Section M. Pre-Tax Expense Accounts. The Employer agrees to provide eligible ASF Members with the option to participate in pre-tax expense account programs as permitted by law, regulation, and programmatic requirements as defined in the State of Minnesota Pre-Tax Benefits Open Enrollment materials. Current accounts include Health/Dental Premiums, Medical Expense Accounts, Dependent Care Expense Accounts, and Parking/Transit Expense Plans.

Section N. Supplemental Retirement. As allowed by Minnesota Statutes §§ 354C.11, 354C.12 and 356.24, the Employer will make a matching contribution of up to two thousand two hundred and fifty dollars (\$2,250) per fiscal year to each eligible ASF Member's supplemental retirement account.

Section O. Early Notice Incentive. ASF Members who elect to separate from employment after at least fifteen (15) years of service in Minnesota State or any of its predecessor systems shall receive an early notice incentive equivalent to 5% of the ASF Member's base salary for the period of the notice, subject to the provisions of this section. This incentive will be effective from the date the ASF Member submits a written letter of retirement or resignation through the effective date of separation. Such notice must be provided a minimum of one hundred eighty (180) calendar days but not more than three hundred sixty-five (365) calendar days in advance of the separation date.

Section P. Payment Option. Effective July 1, 2022, an FLSA Exempt ASF Member with an appointment of at least nine (9) months in duration may elect to have their salary paid over a twelve (12) month period. In order to make this election, the ASF Member must provide written notice to the university's Human Resources Office at the beginning of the ASF Member's first pay period in the eligible appointment period.

After June 30, 2022, FLSA Non-Exempt ASF Members will not be eligible for this payment option.

Section Q. Subcontracting. In the event the Employer determines to subcontract out work being performed by ASF Members that may result in a reduction of ASF positions or appointment levels, the Association will be notified in advance and afforded the opportunity to meet and confer on this matter.

Section R. Moving Expenses. At the Employer's discretion, moving expenses may be reimbursed in accordance with applicable state regulations.

Section S. Salary Overpayment Offset. When an ASF Member experiences an overpayment of wages, and the individual agrees to a repayment plan with the university, the ASF Member may offset all or a portion of the overpayment with accrued but unused compensatory time and/or vacation, and unused Article 18, Section J personal leave days. In the individual repayment plan, the ASF Member will specify the amount of accrued but unused compensatory time or vacation hours that will be deducted from their vacation balance to offset the overpayment. If the ASF Member exhausts their accrued compensatory time and vacation balance, they may then specify a number of unused personal days to be used to offset the overpayment. One (1) hour of vacation is valued at

the ASF Member's hourly rate of pay. One (1) hour of compensatory time is valued at the ASF Member's hourly rate of pay. One (1) personal day is valued at the ASF Member's hourly rate of pay multiplied by eight (8).

ARTICLE 13 INSURANCE

Section A. State Employee Group Insurance Program (SEGIP). During the life of the Agreement, the Employer agrees to offer a Group Insurance Program that includes health, dental, life, vision, and disability coverages equivalent to existing coverages, subject to the insurance eligibility and employer contribution provisions of this Article and to the insurance benefit provisions of the Insurance Addendum.

All insurance eligible ASF Members will be provided access to an electronic summary of benefits (SOB) or a certificate of coverage (COC) for each insurance product. These documents shall be provided no less than biennially and prior to the beginning of the insurance year.

Section B. Eligibility for Group Participation. This section describes eligibility to participate in the Group Insurance Program.

1. ASF Members - Basic Eligibility. An ASF Member may participate in the Group Insurance Program if the individual is employed on the basis of at least fifty percent (50) of a nine (9) month or more appointment as defined in Article 11, Workload. An ASF Member hired on a fixed term or externally funded appointment during a fiscal year at fifty (50) percent time or greater should also be eligible for coverage if the president expects the appointment to continue beyond the current fiscal year at fifty (50) percent time or greater.
2. ASF Members - Special Eligibility. The following ASF Members are also eligible to participate in the Group Insurance Program:
 - a. ASF Members with a Work-related Injury/Disability. An ASF Member who was off the State payroll due to work-related injury or a work-related disability may continue to participate in the Group Insurance Program as long as such an ASF Member receives workers' compensation payments or while the workers' compensation claim is pending.
 - b. Totally Disabled ASF Members. Consistent with Minnesota Statute 62A.148, certain totally disabled ASF Members may continue to participate in the Group Insurance Program.
 - c. Separated ASF Members Under Minnesota Statute 43A.27. Pursuant to Minnesota Statute 43A. 27, Subdivision 3a(1) an ASF Member who separates from State service, and who, at the time of separation has five (5) or more years of allowable pension service, and is entitled to immediately

receive an annuity under a State retirement program or is immediately eligible to receive a retirement benefit under Chapter 354B, and who is not eligible for regular (non-disability) Medicare coverage, may continue to participate in the health and dental coverages offered through the Group Insurance Program at the individual's own expense.

Consistent with Minnesota Statute 43A.27, Subdivision 3a(2), an ASF Member who separates from State service and who, at the time of separation is at least fifty (50) years of age and has at least fifteen (15) years of State service, may continue to participate in the health and dental coverages offered through the Group Insurance Program at the individual's own expense. A spouse of a deceased retired ASF Member may continue health and dental coverages through the Group Insurance Program provided the spouse was a dependent under the retired ASF Member's coverage at the time of the retiree's death and continues to make the required premium payment. Retiree coverage must be coordinated with Medicare.

3. Dependents. Eligible dependents for the purposes of this Article are as follows:

- a. Spouse. The spouse of an eligible ASF Member (if legally married under Minnesota law). For the purposes of health insurance coverage, if that spouse works full-time for an organization employing more than one hundred (100) people and:

- (1) elects to receive either credits or cash in place of health insurance or towards some benefit in place of health insurance, then they are not eligible for the comparable coverage or insurance under this Article; or
- (2) is enrolled in a high deductible medical insurance plan (as defined by the IRS) that includes a contribution to a health savings account (HSA) through their employing organization, then they are not eligible for medical coverage under this Article.

When both spouses work for the State or another organization participating in the State Employee Group Insurance Program, a spouse may be covered as a dependent by the other but when covered as a dependent they may not carry their own coverage (members may only be covered once).

b. Children.

- (1) Health and Dental Coverage: A dependent child is an eligible ASF Member's child to age twenty-six (26).
- (2) Dependent Child: A "dependent child" includes an ASF Member's (1) biological child, (2) child legally adopted by or placed for adoption with the ASF Member, (3) step-child, (4) foster child, (5) child by legal guardianship, and (6) child by placement to employee,

who is a relative of the child, as established by court judgment, order or decree. For a step-child to be considered a dependent child, the ASF Member must be legally married to the child's legal parent or legal guardian. For a foster child to be considered a dependent child under this plan, the foster child must be placed with the ASF Member or the ASF Member's spouse by an authorized placement agency or by judgment, decree or other court order. For a child by legal guardianship or placement to be considered as a dependent child under this plan, the child's legal relationship with the ASF Member must be established by a court judgment, decree, or other court order. A dependent child is generally eligible to age 26, unless the child's status as a dependent child ceases at an earlier date, such as the expiration of a court order or degree.

- (3) **Coverage Under Only One Plan:** For purposes of (a) and (b) above, if the ASF Member's adult child (age 18 to 26) works for the State or another organization participating in the State's Group Insurance Program, the child may not be covered as a dependent by the ASF Member unless the child is not eligible for a full Employer Contribution as defined in Section 3A.

Effective January 1, 2015, for purposes of (1) and (2) above, if the ASF Member's adult child (age 18 to 26) works for the State or another organization participating in the State's Group Insurance Program, the child may be covered as a dependent by the ASF Member.

- c. **Grandchildren.** A grandchild of an ASF Member, up to age twenty-five (25), is an eligible dependent grandchild who

- (1) is financially dependent upon the ASF Member for principal support and maintenance and has resided with the ASF Member continuously from birth.

A grandchild of an ASF Member is also an eligible dependent if the grandchild is claimed as a tax dependent on the ASF Member's tax return.

If a grandchild is legally adopted or placed in the legal custody of the grandparent, they are covered as a dependent child under Section 2C (2) or (4).

- d. **Child with a Disability.** A dependent child with a disability is an eligible ASF Member's child or grandchild regardless of marital status, who was covered and then disabled prior to the limiting age or any other limiting term required for dependent coverage and who continues to be incapable of self-sustaining employment by reason of developmental disability, mental illness or disorder, or physical disability, and is chiefly dependent upon the ASF Member for support and maintenance, provided proof of such incapacity and dependency must be furnished to the health carrier by the

ASF Member or enrollee within thirty one (31) days of the child's attainment of the limiting age or any other limiting term required for dependent coverage. The dependent with a disability is eligible to continue coverage as long as they continue to be disabled and dependent, unless coverage terminates under the contract.

- e. Qualified Medical Child Support Order. A child who would otherwise meet the eligibility requirements and is required to be covered by a Qualified Medical Child Support Order (QMCSO) is considered an eligible dependent.
 - f. Child Coverage Limited to Coverage Under One Employee. If both spouses work for the State or another organization participating in the State's Group Insurance Program, either spouse, but not both, may cover the eligible dependent children or grandchildren. This restriction also applies to two divorced, legally separated, or unmarried employees who share legal responsibility for their eligible dependent children or grandchildren. A member in the State's Group Insurance benefits may only be covered once, by one (1) parent or guardian.
4. Continuation Coverage. Consistent with state and federal laws, certain ASF Members, former ASF Members, dependents, and former dependents may continue group health, dental, and/or life coverage at their own expense for a fixed length of time. As of the date of this Agreement, state and federal laws allow certain group coverages to be continued if they would otherwise be terminated due to:
- a. termination of employment (except for gross misconduct);
 - b. layoff;
 - c. reduction of hours to an ineligible status;
 - d. dependent child becoming ineligible due to change in age, student status, marital status, or financial support (in the case of a foster child or stepchild);
 - e. death of ASF Member;
 - f. divorce or legal separation; or
 - g. a covered ASF Member's enrollment in Medicare.

Section C. Eligibility for Employer Contribution. This section describes eligibility for Employer Contribution toward the cost of coverage.

- 1. Full Employer Contribution - Basic Eligibility. The following ASF Members covered by this Agreement receive the full Employer Contribution:

- a. An ASF Member who is employed for at least seventy-five (75) percent of nine (9) month or more appointment as defined in Article 11, Workload.
 - b. A probationary ASF Member hired during a fiscal year for at least seventy-five (75) percent time or greater.
 - c. An ASF Member hired on a fixed term or externally funded appointment during a fiscal year at seventy-five (75) percent time or greater should also be eligible if the president expects the appointment to continue beyond the current fiscal year at seventy-five (75) percent time or greater.
2. Partial Employer Contribution - Basic Eligibility. The following ASF Members covered by this Agreement receive the full Employer Contribution for basic life coverage, and at the ASF Member's option, a partial Employer Contribution for health and dental coverage. The partial Employer Contribution for health and dental coverage is seventy-five (75) percent of the full Employer Contribution for both ASF Member only and dependent coverage.
- a. An ASF Member who is employed for at least fifty (50) percent but less than seventy five (75) percent of a nine (9) month or more appointment as defined in Article 11, Workload.
 - b. A probationary ASF Member hired during a fiscal year for at least fifty (50) percent but less than seventy five (75) percent time.
 - c. An ASF Member hired during a fiscal year on a fixed term or externally funded appointment of at least fifty (50) percent but less than seventy five (75) percent time should also be eligible if the president expects the appointment to continue beyond the current fiscal year at least fifty (50) percent but less than seventy five (75) percent time.
3. Special Eligibility. The following ASF Members also receive an Employer Contribution:
- a. ASF Members on layoff. An ASF Member who receives an Employer contribution, who has three (3) or more years of continuous service, and who has been laid off pursuant to the provisions of Article 22, remains eligible for an Employer contribution and all other benefits provided under this Article for an extended benefit eligibility period of twelve (12) months from date of layoff.
 - b. Work-related Injury/Disability. An ASF Member who receives an Employer Contribution and who is off the State payroll due to a work-related injury or a work-related disability remains eligible for an Employer contribution as long as such an ASF Member receives workers' compensation payments. If such ASF Member ceases to receive workers' compensation payments for the injury or disability and is granted a leave

under Article 18, the individual shall be eligible for an Employer contribution during that leave.

- c. Sabbatical leave. An ASF Member eligible for an Employer Contribution immediately prior to taking a sabbatical leave continues to receive the Employer Contribution during the sabbatical leave.

4. Maintaining Eligibility for Employer Contribution.

- a. General. An ASF Member who receives a full Employer Contribution maintains that eligibility as long as the ASF Member meets the Employer Contribution eligibility requirements, and appears on a State payroll for at least one (1) full working day during each payroll period. This requirement does not apply to ASF Members who receive an Employer Contribution while on layoff as described in Section C(3)(a), or while eligible for workers' compensation payments as described in Section C(3)(b).
- b. Unpaid Leave of Absence. If an ASF Member is on an unpaid leave of absence, then vacation leave, compensatory time or sick leave cannot be used for the purpose of maintaining eligibility for an Employer Contribution by keeping the ASF Member on a State payroll for one (1) working day per pay period.
- c. Academic Year Employment. If an ASF Member is employed on the basis of an academic year and such employment contemplates absences from the Minnesota State payroll during the summer months or vacation periods scheduled by the Employer which occur during the regular school year, the ASF Member shall nonetheless remain eligible for an Employer Contribution, provided that the ASF Member appears on the regular payroll for at least one (1) working day in the payroll period immediately preceding such absences.
- d. Special Leaves. An ASF Member who is on an approved Family and Medical Leave Act (FMLA) leave or on salary savings leave as provided elsewhere in this agreement maintains eligibility for an Employer Contribution.

ARTICLE 14

ADMINISTRATIVE TRAVEL

Section A. Administrative Travel. ASF Members engaged in travel assigned by the Employer shall be reimbursed for expenses actually incurred while in travel status in accordance with the travel regulations established by the Board. Travel reimbursement rates for ASF Members will be the same as used for Managerial Plan employees. Copies

of current travel regulations shall be readily available for ASF Member examination on each campus. Administrative travel shall not be funded from Professional Improvement Funds or Professional Development Funds.

Section B. Use of Private Vehicles. Whenever practicable, State-owned or contracted vehicles shall be made available to ASF Members required to travel on behalf of the Employer. The Employer may elect to allow ASF Members to utilize personal vehicles on a case-by-case basis and reimburse the mileage resulting at the rates provided under the travel regulations. Except for emergency circumstances, or when defined by the Employer as a condition of employment, an ASF Member shall not be required to use a personal vehicle for university purposes.

ARTICLE 15 PROFESSIONAL DEVELOPMENT

Section A. Professional Development Funds (PDF).

Subd. 1. For FY 2026 and FY 2027, the state universities will be allocated Professional Development Funds at the rate of five hundred and seventy thousand dollars (\$570,000) for the System to distribute to the campuses on an FTE basis. Each Campus Association and University shall implement an equitable procedure for distribution of the funds made available under this subdivision. The provisions of the subdivision shall continue until a successor agreement is in effect.

Subd. 2. Funds provided by this section shall be limited to paying the cost of travel, housing, meals, registration, and related expenses associated with participating in development activities which promote the goals and mission of an ASF Member's organizational area or university, such as professional conferences, workshops, similar meetings, courses, and other related professional development activities. Consistent with the foregoing, the funds may be used to pay for professional memberships, fees for professional licensure required for the ASF Member's current position, books, journals, subscriptions and software. Books, journals, subscriptions, or software that are purchased in electronic form must be stored on a state-owned device. Purchases of technology, including hardware, that satisfy the standards of this subdivision are permissible. Professional development funds may not be used to purchase equipment that is necessary to meet the ASF Member's position requirements. All assets purchased with professional development funds are the property of the ASF Member's university. The unit may carry over any portion of its allocation from the first to the second year of the biennium, and from one biennium to the next.

Subd. 3. Reimbursement rates for meals, incidentals, and lodging under this subdivision and Section B of this Article shall be as provided in Article 14, Section A, except that meal reimbursements that are paid with PDF and/or PIF funds will be reimbursed at 1.25 times the rate provided in the State of Minnesota Managerial Plan.

Section B. Professional Improvement Fund (PIF).

Subd. 1. A total of one hundred thousand dollars (\$100,000) in each Fiscal Year will be allocated to the state universities according to the number of full-time equivalent ASF Members in the bargaining unit at each university. Any unused funds shall be carried over into the next year. ASF Members may apply for Professional Improvement Funds without regard to the source of funding of their positions. The provisions of this subdivision shall continue until a successor agreement is in effect.

Subd. 2. These funds shall be grants for the purpose of professional improvement, ASF Member development, staff training and similar kinds of development programs for ASF Members. All ASF Members shall be eligible to receive grants from these funds upon application submitted to and approved by the President/designee. The President shall approve such applications if they deem the proposed professional improvement or development activities to be in the best interest of the university in improving the job-related skills and competence of the ASF Member. The President shall determine the exact amount of each such grant on the basis of availability of funds and the application therefore. Within thirty (30) days of completion of the professional improvement or development activity, the ASF Member must submit a written report to the appropriate supervisor outlining the activity completed and analyzing the impact on job-related skills and competence. Each campus shall develop a form for the report, which shall be discussed at meet and confer.

Subd. 3. Regarding expense reimbursements that are funded by PIF, see Section B, Subd. 3 of this Article.

Section C. Sabbatical Leave.

Subd. 1. The President may grant a sabbatical leave to any ASF Member who proposes to undertake additional study or other endeavors that will enhance the ASF Member's contribution to the university.

Subd. 2. In order to be eligible for sabbatical leave, an ASF Member must have completed at least six (6) consecutive years of service of at least half (.5) time for at least nine (9) months within each appointment year at the university since the ASF Member's initial date of employment or the expiration of such ASF Member's last previous sabbatical leave.

Subd. 3. The ASF Member's application for sabbatical leave shall include a written plan consistent with the purposes outlined in Subd. 1 above with the dates of the requested leave. An ASF Member should work with their immediate supervisor to develop a plan for staffing coverage during sabbatical leave.

Subd. 4. Each university shall set deadlines for ASF Members to submit sabbatical applications and to inform the ASF Member if the sabbatical application has been

approved or not. The President/designee may waive the application and decision deadlines in unique circumstances. Where sabbatical leave is approved, the ASF Member shall be notified in writing. Where sabbatical leave is denied, reasons therefore shall be communicated to the ASF Member in writing. Each university will inform the Campus Association President of all local sabbatical approvals and denials.

Subd. 5. The ASF Member shall agree in writing to return to the university for at least one (1) year of service after completion of the sabbatical leave. In the event the ASF Member fails to substantially fulfill the plan upon which the individual was granted a sabbatical leave, or fails to return to the university for one (1) year of service, the ASF Member shall refund to the university such funds awarded during that sabbatical period, except in the cases where a layoff prevents the ASF Member from returning. Within thirty (30) days of return from a sabbatical, the ASF Member must submit a written report to the appropriate supervisor indicating what the individual accomplished on the sabbatical and how the accomplishment related to the written plan.

Subd. 6. Sabbatical leaves may be granted for four (4) months at a full base salary, or for any longer period up to twelve (12) consecutive months, at two-thirds (2/3) pay. ASF Members who are granted a second sabbatical, if it lasts twelve (12) months shall be funded at ninety (90) percent of base salary. For part-time ASF Members, the amount of sabbatical pay shall be adjusted pro rata. ASF Members on a sabbatical shall not accrue vacation leave, but shall accrue sick leave at one-half (1/2) the applicable rate.

Subd. 7. ASF Members on sabbatical leave may accept scholarships, fellowships, grants or employment during the sabbatical leave, consistent with the plan of such leave.

Subd. 8. The number of full-time, twelve (12) month sabbatical leaves in any one (1) year at each university shall not exceed five percent (5%) of the number of ASF Members appointed at one half (1/2) FTE or more under the Agreement at the university. This maximum may be prorated among several ASF Members and among two-thirds (2/3), ninety (90) percent, and full-pay sabbaticals contingent upon the President's determination that funds are available for this purpose and that staffing requirements of the university can be met.

Subd. 9. An ASF Member shall be eligible for continued group insurance benefits as provided by law during the course of the leave.

Subd. 10. If another ASF Member is assigned responsibilities of a person on sabbatical leave, in lieu of hiring a replacement, the individual will be compensated for the additional responsibilities under the terms of Article 12, Section I. Subd. 1, unless the ASF Member is released from other duties commensurately, or under the terms of Article 12, Section I, Subd. 2, if applicable.

Section D. Retraining Leave. The President may grant an ASF Member a paid leave of absence of up to one (1) year in length for the purpose of retraining or further training to meet the programmatic needs of the university. An individual who takes this retraining leave shall not accrue vacation but shall accrue sick leave at one-half (1/2) the applicable rate for the duration of the leave.

Section E. Tuition Waiver.

Subd. 1. ASF Members shall be entitled to enrollment, on a space available basis, in courses at any Minnesota State university without payment of tuition or fees, except laboratory fees and special course fees. Such enrollment shall not exceed thirty (30) semester credit hours per year. For purposes of this section, a year begins the first day of fall semester and concludes the day before the beginning of the succeeding fall semester.

Subd. 2. The ASF Member's spouse/domestic partner or dependent children shall be eligible to share this right within the limits established above, with waiver of tuition only. Eligible dependent is defined as a child (biological, adopted, step-child, or legal ward) of up to twenty-six (26) years of age.

Subd. 3. Discretionary Use. Beginning July 1, 2024, in the discretion of the President where the ASF Member is employed, the ASF Member, and the ASF Member's spouse/domestic partner or dependent children may be authorized to use the tuition waiver benefit at a Minnesota State college, to the extent the university President determines funds are available for this use. This discretionary benefit is limited to eighteen (18) credits of the credits provided for in Subdivision 1 of this section. The President's exercise of discretion under this paragraph is not subject to the grievance procedure.

Subd. 4. In the event of the death of the ASF Member, the ASF Member's spouse/domestic partner or dependent children shall be eligible for this right within the limits established above, for the following five (5) years, with waiver of tuition only.

Subd. 5. Some of the tuition waiver benefits under this section may be taxable in accordance with federal and state law.

Section F. Tuition Reimbursement. Consistent with the State's Administrative Procedure 21, at the discretion of the President/designee, an ASF Member may receive tuition reimbursement. The discretionary function of the Employer as provided in this Section shall not be subject to the grievance procedure.

ARTICLE 16

SEVERANCE PAY AND HEALTH CARE SAVINGS PLAN

Section A. Severance Eligibility. Excluding ASF Members who are discharged for just cause, severance pay shall be granted to ASF Members in accordance with the following provisions:

Subd. 1. All ASF Members who have accrued twenty (20) years of service in Minnesota State or any of its predecessor systems shall receive severance pay upon separation.

Subd. 2. Permanent and probationary ASF Members who have fewer than twenty (20) years of service in Minnesota State shall receive severance pay upon death, layoff that results in separation from service, or receipt of separation incentive. ASF Members on externally funded appointments with more than five (5) years of continuous service shall receive severance pay upon death. Externally funded ASF Members who have fifteen (15) or more years of service in Minnesota State shall also receive severance pay upon personnel reduction that results in separation from service or receipt of separation incentive.

Subd. 3. ASF Members who separate from the Minnesota State Universities after ten (10) years of service in Minnesota State or any of its predecessor systems, and whose combined years of service and age equals at least sixty-eight (68) shall also receive severance pay.

Section B. Computation.

Subd. 1. Severance pay shall be computed upon forty-five (45) percent of the ASF Member's regular accumulated but unused sick leave balance based on the ASF Member's then current rate of pay. The percentage multiplier shall be increased by one (1) percent for each year of service over twenty five (25) years to a maximum of fifty (50) percent.

Subd. 2. The base for computing severance pay shall not exceed one thousand (1,000) hours.

Subd. 3. Calculation of an ASF Member's hourly rate for purposes of computing severance pay shall be based upon a base of two thousand eighty-eight (2,088) working hours per year. Appointment periods of less than one (1) year in duration shall be prorated on this base.

Section C. Health Care Savings Plan. As provided in this Agreement, eligible ASF Members will participate in the health care savings plan (HCSP) established under Minnesota Statute 352.98, and as administered by the Plan Administrator. The Employer is responsible only for transferring funds, as specified in this agreement, to the Plan Administrator.

Subd. 1. All ASF Members who receive severance pay as defined in Section A of this article must participate in the health care savings plan.

Subd. 2. All severance pay as defined in Section B of this article shall be transferred to the severed employee's health care savings plan account. At the time of separation, if an ASF Member has an approved exception to participation in the health care savings plan account from the plan administrator, then the ASF Member shall receive this payment in one lump sum payment of cash.

Subd. 3. Employee Contribution. For all externally funded, probationary, or permanent ASF Members who have served five (5) consecutive appointment years, so long as the ASF Member has sufficient earnings in the pay period to take the deduction, the Employer shall make deductions as follows: a total of three hundred dollars (\$300) shall be deducted in equal amounts from each of the 25 full pay periods during the fiscal year. That amount will be transferred to the individual's health care savings plan account. Deductions will begin in the first full pay period of the next fiscal year after the individual has met the service requirement. Thereafter, deductions will begin in the first full pay period of the fiscal year and will continue through the last full pay period in June of each fiscal year. ASF Members not scheduled to receive pay in each of these pay periods of the fiscal year shall have their deductions taken in equal amounts from each pay period within their normally scheduled appointment period. ASF Members on unpaid status during the year will have missed deductions taken from the first payroll period in which they have returned to paid status. For purposes of this section, appointment year is defined as MSUAASF service during a period starting from July 1 through June 30 annually that is at least one-half time (.5 FTE) for nine to twelve (9 to 12) months. Once an ASF Member meets the service requirements of this provision, if that ASF Member accepts employment at another Minnesota State state university in one of the appointment types identified above with or without a break in service of no more than 3 months, then the Employer will continue to make deductions under this provision.

Subd. 4. Vacation Separation Payment to Retirees. For purposes of this Subdivision, a retiree is defined as an ASF Member who separates from Minnesota State and: 1) has five (5) or more years of allowable pension service, and 2) is immediately eligible to receive a retirement benefit under Minnesota Statute Chapter 354B or an annuity under a State retirement program. A retiree shall receive the vacation separation payment in cash for up to the first one hundred twenty (120) hours of accumulated but unused vacation leave. Payment for hours in excess of one hundred twenty (120) hours (not to exceed the limit provided in Article 18 B, Subd.5) will be transferred to the individual's health care savings plan account.

Subd. 5. Employer Contribution. The Employer will make a lump-sum contribution of three hundred dollars (\$300) to each insurance eligible ASF Member's HSCP account through the payroll in the first full payroll period to occur in the calendar year. To be eligible for this contribution, the ASF Member must be

actively employed, in payroll status or on Family and Medical Leave Act (FMLA) leave or Uniformed Services Employment and Reemployment Rights Act (USERRA) eligible leave and insurance eligible on the day before the payroll period cited above for payment.

Section D. Reappointment. In the event an ASF Member who has received severance pay is subsequently reappointed to a state university, future severance pay for the ASF Member shall be computed upon the individual's unused sick leave balance accumulated since the reappointment.

Section E. Early Separation Incentive.

Subd. 1. Eligibility. Except as provided in paragraph (c) of this subdivision, any permanent ASF Member who has served at least fifteen (15) years in the Minnesota State Universities and is at least fifty-five (55) years of age but less than sixty five (65) shall be eligible to apply for the early separation incentive.

- (a) An ASF Member may apply for a separation incentive. The President will determine whether or not a separation incentive is appropriate for that employee's position. This decision is not subject to the grievance process. During FY 2026 and FY 2027 ASF Members who give notice of retirement shall be informed by the President within twenty (20) days of such notice whether the retiring employee will receive the separation incentive benefit pursuant to this Section. If the President notifies the ASF Member that the individual will not receive the benefit, the ASF Member shall have fifteen (15) days to notify the President that the ASF Member is rescinding the retirement notice.
- (b) Reserved.
- (c) Exception to Subd. 1 Eligibility Criteria. A permanent ASF Member will also be eligible to apply to receive the full benefit of one year's base salary if the ASF Member:
 - 1. Is older than age fifty-five (55) (including those age sixty-five (65) or older) when the individual completes the fifteen (15) years of service requirement.
 - 2. Applies within one hundred and eighty (180) days after meeting the age and service requirement, and
 - 3. The separation will occur no later than one hundred and eighty-one (181) days following the date of application for the benefit.

Any ASF Member eligible under Subd. 1(c) who does not elect early retirement during this window but chooses to apply later will be compensated under the schedule of Article 16, Section E, Subd. 2.

Subd. 2. Payment. For separations happening after July 1, 2022, an ASF Member qualifying for separation through resignation or early retirement, except those qualifying under the provisions of Subd. 1(c) above, shall receive payment equal to their base salary minus ten percent (10%) of their base salary for each year beyond age fifty-five (55). The ASF Member shall receive this amount in two (2) equal payments to the ASF Member's Health Care Savings Plan account; the first payment will be made at the time of the ASF Member's separation from employment and the second payment will be made before the earlier of the following dates:

- 1) eighteen (18) months after the date of separation, or
- 2) the end of the fiscal year following the fiscal year in which the separation occurred.

However, if the separation payment is less than ten thousand dollars (\$10,000), it will be paid in one (1) lump sum payment to the ASF Member's Health Care Savings Plan account at the time of separation from employment. No employee shall receive more than one-hundred percent (100%) of total compensation in a single fiscal year.

Subd. 3. Benefit Contribution Payment. For any ASF Member who separates under this Section, the Employer will deposit in the ASF Member's Health Care Savings Plan account upon separation an amount equivalent to the Employer's expense of the ASF Member's elected of health insurance benefits for one (1) year at the premium rate in effect at the time of separation.

Subd. 4. Early Separation. Persons choosing early separation shall have eligibility for early retirement payments determined in accordance with appropriate statutes and regulations.

- (b) Except as provided in paragraph 3 below, for the purpose of this Article, “continuous service” shall commence on the individual’s initial date of hire in the Minnesota State System, and shall continue unless interrupted as specified below. Except as provided in Subdivision 6 below, if service is interrupted and the individual subsequently is rehired into the Minnesota State system, continuous service will commence on the date of rehire and continue until there is an interruption.

1. “Continuous service” is interrupted by:

- a) resignation,
- b) retirement,
- c) failure to return to work upon expiration of a leave of absence,
- d) failure to return to work upon recall from layoff or retrenchment,
- e) discharge for just cause,
- f) personnel reduction that results in separation from service
- g) layoff (except as provided in paragraph 2 b) below,
- h) reduction in force under a State of Minnesota labor agreement or compensation plan, or a Minnesota State labor agreement or compensation plan,

- j) ending or expiration of a contingent position, such as intermittent, fixed-term, Limited Appointment, adjunct/community faculty, temporary appointment, or a position that is unclassified per M.S. § 43A.08, Subd. 1 (9), etc.

2. “Continuous service” is not interrupted if:

- a) A leave of absence without pay was granted in accordance with Article 19 and the ASF Member returns to work; however an ASF Member will not accrue additional continuous service while on such unpaid leave status.
- b) i) an individual was laid off or retrenched under a State of Minnesota labor agreement or compensation plan, or a Minnesota State labor agreement or compensation plan; and ii) still has recall rights under that agreement or plan, and iii) is recalled or hired into an ASF position within the recall period; however the individual will not accrue additional continuous service” for the period during which they were on such layoff or retrenched status.
- c) An individual moves from a position at a Minnesota State college or university to an ASF position at a Minnesota State university when the end date of the prior position and the start date of the new position are contiguous.

3. The length of continuous service determined for an ASF Member under previous versions of this labor agreement shall remain unchanged until the ASF Member experiences an interruption as defined in paragraph 1 above.

- (c) Less than Six (6) Month ASF Members and Intermittent Appointments. ASF Members with appointments of fewer than six (6) months in duration and ASF Members on an Intermittent Appointment shall not accrue vacation.

Subd. 2. Unused Vacation. ASF Members may accumulate unused vacation to any amount provided that once during each fiscal year each ASF Member's accumulation must be reduced to two hundred and seventy-five (275) hours or less, unless the President determines that the ASF Member is unable to utilize vacation leave because of the requirements of the individual's assignment or because of physical incapacity. This reduction must be accomplished on or before last day of the fiscal year. If this reduction is not accomplished on or before the last day of the fiscal year, the ASF Member's accumulation shall automatically be reduced to two hundred and seventy-five (275) hours effective on the last day of the fiscal year, and the amount of accumulation over two hundred and seventy-five (275) hours will transfer to the ASF Member's sick leave (See Article 18, Section C, Subd.2). Vacation leave accrued during the pay period that includes the last day of a fiscal year, will be credited to each ASF Member's balance after deductions are made for vacation used and/or reduced pursuant this Subdivision.

Subd. 3. Vacation Balance Transfer. An ASF Member who accepts a vacation-eligible position in this bargaining unit at another Minnesota State institution, without a break in service, shall have all of the individual's accumulated and unused vacation leave balance transferred and such leave shall not be liquidated by cash payment in whole or in part. This transferred vacation will remain subject to Article 18, Section B, Subdivision 2. An individual who moves without a break in service from any other position in any branch of Minnesota State Government to a vacation-eligible position in this bargaining unit shall have their accumulated-but-unused vacation leave transferred, provided that the total amount of accumulated vacation leave transferred shall not exceed two hundred seventy-five (275) hours.

Subd. 4. Utilization. The President/designee shall grant an ASF Member's vacation at a time requested by the ASF Member insofar as the staffing needs of the university permit. ASF Members may not take vacation leave until they have been employed a sufficient length of time to have earned the number of hours taken.

Subd. 5. Separation Payment. An ASF Member shall be compensated at the final rate of pay for all unused, accumulated vacation, leave time upon separation from state service, or movement to a vacation ineligible position. An employee on an unpaid leave of absence of more than one (1) year for a purpose other than accepting an unclassified position in state civil service, or an employee on layoff that results in separation from service, may elect to be compensated at the final rate of pay for unused accumulated vacation leave. This accumulated vacation payout shall not exceed two hundred and seventy-five (275) hours, except in the case of the ASF Member's death. Calculation of an ASF Member's hourly rate for purposes of computing vacation separation payment shall be based upon a base of two thousand eighty-eight (2,088) working hours per year. Appointment periods of less than one (1) year in duration shall be prorated on this basis. Except as provided in Article 16, Section C, Subdivision 4 which pertains to the separation payment to retirees, the separation payment will be made in cash.

Subd. 6. Reinstatement. Any ASF Member reemployed within two (2) years at the same or any other university within the System, who is otherwise eligible to accrue vacation, shall accrue vacation according to the length of service the ASF Member had attained at the time of separation.

Subd. 7. Credit for Prior Service. Individuals hired into an ASF position on or after January 1, 2020 may be granted service credit for prior employment held within two (2) years of being hired into the ASF position. The prior employment must be with:

- (a) A public sector employer;
- (b) The United States Armed Forces as a service member; or
- (c) A private sector employer in a position directly related to the ASF Member's current ASF position.

The University may grant service credit in any amount up to the length of time employed by the previous employer(s). If the credit for prior service was approved by the University before the ASF Member's most recent hire date, the effective date for the service credit will be the most recent date of hire. If the credit for prior service was approved by the University after the ASF Member's most recent hire date, the effective date for the service credit will be the beginning of the next payroll period following the University's approval of the adjusted rate and shall not be retroactive. The university's decision concerning granting credit for prior service shall be grievable only through Step III of the grievance procedure.

Section C. Sick Leave.

Subd. 1. Accrual.

(a) Newly hired full-time Probationary Appointments, Externally Funded Appointments, and Limited Appointments.

1. One-hundred twenty (120) hours of sick leave shall be credited to all full-time ASF Members (excluding those on a fixed term appointment). This is provided to cover possible disability during the first thirty (30) pay periods of employment. Beginning with the thirty-first (31st) pay period of employment, each ASF Member will be credited with four (4) additional hours of sick leave for each succeeding pay period of service.
 - a. If the individual has prior ASF service and becomes employed in an ASF position with a break in service of greater than two (2) years, Subd. 1(a)1 applies.
 - b. If the individual has other State of Minnesota service and becomes employed in an ASF position with no break in service, in addition to the credit in Subd. 1(a)1 their current sick leave balance shall be transferred and credited fully to the ASF Member's sick leave accumulation.

- c. If the individual has other State of Minnesota service and becomes employed in an ASF position with a break in service of no greater than two (2) years, their prior sick leave balance, if any, shall not be transferred to the Minnesota State Institution. They will receive the credit in Subd. 1(a)1.
 - d. If the individual has prior ASF service and becomes employed in an ASF position with a break in service of no greater than two (2) years, in addition to the credit in Subd. 1(a)1 their prior sick leave balance, if any, shall be reinstated in accordance with Subd. 1(e) below.
- (b) Fixed-term Appointment. Continuing until the beginning of the first full pay period following the effective date of this Agreement as defined in Article 28, ASF Members appointed to a fixed-term appointment as provided in Article 10, Section A, Subd. 1, shall be credited upon initial appointment with one (1) day of sick leave for each month of anticipated service. For purposes of this paragraph, if an ASF Member is initially hired to work one or more days during a calendar month, then that shall be deemed to be a month of anticipated service. If a fixed-term appointment is extended beyond the initial period of anticipated service, the individual will earn four (4) additional hours of sick leave for each succeeding pay period of full time service. Beginning at the start of the first full pay period following the effective date of this Agreement as defined in Article 28, Section A, ASF Members appointed to a fixed-term appointment as provided in Article 10, Section A, Subd. 1, shall be credited upon initial appointment with one (1) day of sick leave for each month of anticipated service. For purposes of this paragraph, if an ASF Member is initially hired to work one (1) or more days during a calendar month, then that shall be deemed to be a month of anticipated service. If a fixed-term appointment is extended beyond the initial period of anticipated service, the individual will be credited with one (1) day of sick leave for each additional month of anticipated service in the fixed term appointment.
- (c) Externally Funded Appointments. Continuing until the beginning of the first full pay period following the effective date of this Agreement in Article 28, ASF Members appointed to an externally funded appointment as provided in Article 10, Section A, Subd. 2, shall be credited upon initial appointment with one (1) day of sick leave for each month of anticipated service during the first appointment year, and will be credited with four (4) additional hours of sick leave for each succeeding pay period of service. For purposes of this paragraph, "Appointment Year" is defined as the period of employment between July 1 and June 30 annually, inclusive of both dates. For purposes of this paragraph, if an ASF Member is initially hired to work one or more days during a calendar month, then that shall be deemed to be a month of anticipated service. However, if a current ASF Member in a different appointment type is appointed to an externally funded position with no break in service, such ASF Member's current sick leave balance shall be retained and: i) will be credited with four (4) additional hours of sick leave for each succeeding pay period of service and

ii) they will not be credited with the sick leave advance within this paragraph. Transition Implementation. Beginning at the start of the first full pay period following the effective date of this Agreement as defined in Article 28, Section A, an ASF Member on an externally funded appointment will begin accruing sick leave as specified in paragraph (a) above. At the time of this transition, if the ASF Member is on an externally funded appointment and they have thirty (30) or fewer pay periods of service they shall be credited with one hundred twenty (120) hours of sick leave minus all hours of sick leave previously credited or earned (whether or not used) during their prior ASF service. In no case shall this result in a negative balance. At the time of this transition, if the ASF Member is on an externally funded appointment and they have more than thirty (30) pay periods of service they shall begin accruing sick leave as specified in paragraph (a) above. In either case, the ASF Member's current sick leave balance will be retained at the time of transition.

- (d) Part-time Appointments. Individuals commencing employment on less than a full-time basis shall be given sick leave credit as described in this Section on a prorated basis at the start of employment. Such part-time ASF Members shall accumulate sick leave in accordance with the accrual table below. In the use of sick leave, such ASF Members shall be charged on a pro rata basis according to the fraction of the time employed at the time of leave.

HOURS OF SICK LEAVE ACCRUED DURING EACH PAYROLL PERIOD

HOURS WORKED	HOURS ACCRUED
0.00-9.49	0.00
9.50-19.49	.75
19.50-29.49	1.00
29.50-39.49	1.50
39.50-49.49	2.00
49.50-59.49	2.50
59.50-69.49	3.00
69.50-79.49	3.50
79.50+	4.00

- (e) Reinstatement. Any ASF Member reemployed within two (2) years at any Minnesota State university will have reinstated in the records of the employing university all unused sick leave accumulations that were accrued in accordance with the provisions of this Agreement and that were not used in the payment of severance under Article 16.
- (f) All sick leave earned prior to the effective date of this Agreement shall remain in full force and effect and shall be credited fully to each ASF Member's sick leave accumulation.
- (g) Repayment of Credited Sick Leave. When an ASF Member who was credited with an advance of sick leave separates from employment before having served

long enough to accrue sufficient sick leave to offset the initial credit, the ASF Member's last pay check shall be reduced to the extent feasible by an amount equal to the number of hours of sick leave taken in excess of that earned.

Subd. 2. Accrual Limits. Unused sick leave may be accumulated without limit.

Subd. 3. Utilization. Sick leave shall be granted by the President/designee for absences made necessary by reason of illness or disability, including temporary disabilities, by exposure to contagious disease which may endanger the individual or the public health, or by illness in the immediate family of the ASF Member (as defined in Article 5), making it necessary that the ASF Member be absent from the individual's duties. An ASF Member who is the non-birthing parent or is the spouse/domestic partner of the biological parent may use five (5) days of sick leave coincident with the birth of the individual's child. An ASF Member may use up to forty (40) hours of sick leave to arrange for nursing or hospice care for immediate family members regardless of the location of residence of the immediate family member.

(a) Emergency Expansion of Sick Leave Benefit. Upon the determination of the Vice Chancellor for Human Resources/designee that a local or regional emergency dictates that ASF Members with minor children are likely to be required to provide parental supervision at home due to the lack of availability of schools or child care service as a result of the aforementioned emergency, affected state universities will permit the use of sick leave for ASF Members who are unable to telework and are required to be at home to provide parental supervision to their minor children less than age sixteen (16). The Vice Chancellor for Human Resources/designee will provide the ASF President with written notice of any such determination. Determinations by the Vice Chancellor for Human Resources/designee under this subdivision are exercises of management discretion and are not subject to the grievance procedure. The Vice Chancellor for Human Resources/designee may establish a termination date on which the expanded sick leave benefit under this subdivision will cease. If no date is established in the initial determination notice, the expanded benefit will continue for thirty (30) calendar days and automatically terminate at the end of that time, unless extended by the Vice Chancellor for Human Resources/designee in writing.

Subd. 4. Sick Leave Incentive Program. MSUAASF and Minnesota State may develop a sick leave incentive program through the establishment of a joint committee.

Subd. 5. Safety Leave. An ASF Member may use sick leave for such reasonable periods of time as may be necessary for assistance to the ASF Member or their relatives as provided by Minn. Stat. - 181.9447. Generally, that law provides that

Safety Leave is for the purpose of providing or receiving assistance because of sexual assault (under Minn. Stat. 609.342, 609.3453 or 609.352); domestic abuse (under Minn. Stat. 518B.01); or harassment or stalking (under Minn. Stat. 609.749).

Section D. Workers' Compensation. In the event an ASF Member is absent from work as a result of a compensable injury incurred in the service of a Minnesota State University under the provisions of the Workers' Compensation Act, Minnesota Statutes Section 176.001 et seq., the ASF Member shall receive compensation in an amount equal to the difference between the ASF Member's regular pay and the benefits paid under the Workers' Compensation Act to the extent that the ASF Member has accrued vacation or sick leave. Such additional payments to an ASF Member shall be charged against the accrued vacation or sick leave of such ASF Member. In no event shall the combined weekly or monthly compensation paid an ASF Member exceed the normal compensation of the ASF Member.

Section E. Bereavement Leave. The use of a reasonable period of bereavement leave, up to five (5) days per occurrence, shall be granted in case of death in the immediate family. The term "immediate family" is defined in Article 5. Leave of longer than five (5) days may be granted by the President/designee for preparations, extended travel, and time needed to attend to legal matters regarding the deceased which shall be deducted from sick leave. All other bereavement leave in case of death of other relatives of the ASF Member or their spouse/domestic partner shall be deducted from sick leave.

Section F. Adoption Leave. Up to thirty (30) days leave per occurrence shall be granted by the President for absences made necessary by an ASF Member's adoption of a child. Adoption leave shall be deducted from sick leave.

Section G. Military Leave. ASF Members who are members of the State or Federal armed services are entitled to leave of absence with pay of (fifteen) 15 working days per calendar year as defined in Minnesota Statutes Sections 190 through 192.

Section H. Court Related Leaves. ASF Members shall be granted a leave of absence with pay for:

Subd. 1. Service on a jury or waiting in a jury pool.

Subd. 2. Appearance before a court, legislative committee, or other judicial or quasi-judicial body in response to subpoena or other direction by proper authority for purposes other than those created by the ASF Member or the ASF Member organization. However, court leave is not available in any civil litigation where the ASF Member is appearing as a plaintiff or defendant, or in criminal litigation where the ASF Member is appearing as a defendant. Additionally, except as provided in Subdivision 3 below, court leave is not available when an ASF Member is serving as an expert witness.

Subd. 3. Attendance in court in connection with an ASF Member's official duty, such attendance including the time required in going to the court and returning to the ASF Member's place of work.

Section I. Election Judges. ASF members serving as election judges shall be compensated in accordance with Minnesota Statutes Section 204B.195. Upon fourteen (14) calendar days advance request, leave shall be granted for purposes of serving as an election judge in any election.

Section J. Personal Leave. With approval of the President/designee, an ASF Member, who has at least six (6) months of service within Minnesota State, may be granted up to four (4) nonconsecutive days (non-cumulative) leave per fiscal year for personal situations necessitating the absence of the ASF Member from the university. At the President's discretion, personal leave may be granted on consecutive days and/or during an ASF Member's first six (6) months of service. The President's discretion under this Section shall not be grievable. Personal Leave may be taken only in full day increments.

Section K. Emergency Leave. Emergency leave shall be granted pursuant to Minnesota State Board Policy 4.4.

Section L. Sick and Vacation Leave Balance. The Employer shall provide each ASF Member a report of their sick and vacation leave balances at least monthly, unless the ASF Member has self-service access to such information.

Section M. Paid Parental Leave.

Subd. 1. Length of Leave. Paid parental leaves of absence of up to six (6) consecutive weeks shall be granted to eligible Minnesota State employees who request such leave following the birth or adoption of a child.

Subd. 2. Eligibility. Employees are eligible if they meet eligibility criteria for Family and Medical Leave Act ("FMLA") leave, which generally means the employee has been employed by the Employer for twelve (12) months and has worked at least 1,250 hours during the year immediately preceding the leave. Paid parental leave ("PPL") is available to employees who experience the following qualifying events:

- (a) an employee or their spouse/partner gives birth to the employee's child;
- (b) a child is placed in the employee's home for adoption; or
- (c) a child is placed in the employee's home to adjudicate parentage in cases of surrogacy when the employee is the intended parent.

Subd. 3. Use. Eligible employees must complete PPL within six (6) months of the qualifying event. At the discretion of the President/designee, employees may be allowed intermittent or reduced schedule use of leave, which must be completed within twelve (12) months of the qualifying event. PPL not used within the required timeframe shall not be carried over or cashed out.

Subd. 4. Interaction with Other Leaves. Paid parental leave will run concurrently with any unpaid leave(s) that parents may be entitled to under other provisions of this Agreement or provided by law. Employees shall not receive other types of paid

leave provided by this Agreement (e.g., sick, vacation, compensatory time) for hours for which they are receiving PPL.

ARTICLE 19 LEAVES WITHOUT PAY

Section A. Leaves.

Subd. 1. General Leaves. An ASF Member may request a leave of absence for valid reasons, including but not limited to the medical necessity of the ASF Member that is not covered by the Family and Medical Leave Act (FMLA), for an initial period not to exceed two (2) years. A request for leave shall be made as early as practicable and shall include a statement as to the purpose for which the leave is requested, including its value to the ASF Member and the university. The President shall consider the effect of such a leave upon the university, and a request shall not be arbitrarily denied. A general leave of absence beyond two (2) years may be granted at the discretion of the President. However, the ASF Member shall cease to accrue seniority beyond the second year.

Subd. 2. Extended Leave. Extended leaves of absence of at least three (3) but not more than five (5) years may be granted in accordance with Minnesota law. Notwithstanding any other provision of this Agreement, retention and accrual of all rights and benefits for ASF Members on extended leave shall be governed by Minnesota Statute Section 136F.43.

Subd. 3. Family and Medical Leave Act (FMLA) Leaves. The FMLA entitles eligible employees of covered employers to take unpaid, job-protected leave for specific family and medical reasons with continuation of group health insurance coverage under the same terms and conditions as if the employee had not taken the leave. Under the FMLA, eligible employees are entitled to:

- (a) Twelve workweeks of unpaid leave in a 12-month period for:
 - 1) the birth of a child and to care for the newborn child within one year of birth;
 - 2) the placement with the employee of a child for adoption or foster care and to care for the newly placed child within one year of placement;
 - 3) to care for the employee's spouse, child, or parent who has a serious health condition;
 - 4) a serious health condition that makes the employee unable to perform the essential functions of their job;
 - 5) any qualifying exigency arising out of the fact that the employee's spouse, son, daughter, or parent is a covered military member on "covered active duty;" or

- (b) Twenty-six workweeks of unpaid leave during a single 12-month period to care for a covered servicemember with a serious injury or illness if the eligible employee is the servicemember's spouse, son, daughter, parent or next of kin (military caregiver leave).
- (c) The Parties recognize that Minnesota Management & Budget (MMB) occasionally issues, updates, or revises a Statewide Policy on the FMLA. The Parties incorporate by reference the current MMB Statewide FMLA Policy. This policy is available on the MMB website https://mn.gov/mmb/assets/1409-fmlapolconsolidatedpdf_tcm1059-321994.pdf or from the campus Human Resources Office.
- (d) To the extent that the terms of this subdivision vary from the terms of the Family and Medical Leave Act, the parties intend to be bound by the FMLA.

Subd. 4. Parental Leaves. Parental leave of absence without pay shall be granted to biological or adoptive parents who request such a leave as provided below. ASF Members who intend to use parental leave according to the provisions of this section should notify the President/designee as soon as it is practical. The leave shall commence on the date requested by the ASF Member, and shall continue for a period up to nine (9) months. Parental leave may be extended for an additional six (6) months upon application to and approval by the President/designee.

Subd. 5. Unpaid Union Leave for Service by ASF Members on the Association's Behalf. Upon advance written request from the Association to the university's Chief Human Resources Officer or designee, a reasonable amount of unpaid leave shall be granted to ASF Members to engage in activities on behalf of the Association, provided that the granting of such time off will not adversely affect the operations of the work unit. Where practicable, the Association will provide the written request at least 21 calendar days in advance. At the ASF Member's discretion, the ASF Member may use vacation, accrued compensatory time, personal leave, or unpaid union leave during absences for this purpose, or, upon mutual agreement with the supervisor, the ASF Member may make up the time so long as it does not result in the payment of overtime. Examples of activities covered under this paragraph include, but are not limited to: collective bargaining negotiations activities, service on Association/Exclusive Representative boards/committees, and other activities/events as designated by the Association. This provision does not apply to situations where paid time is provided in Article 7, Section G, Subdivisions 1 and 2 or Article 25, Section H.

Section B. Maintenance of Benefits.

Subd. 1. While on unpaid leave, the ASF Member shall have the right to continue to the extent permitted by law, any or all benefits, provided any direct cost resulting therefore is reimbursed to Minnesota Management & Budget by the ASF Member, except for leaves under the Family and Medical Leave Act (FMLA) (Section A., Subdivision 3).

Subd. 2. An ASF Member, while on leave, shall retain all rights and accumulated benefits. For purposes of layoff, a permanent status ASF Member on a general or extended leave for purposes judged by the President to be of benefit to the university, shall be entitled to credit for years of seniority accumulated during the leave.

An ASF Member, on leave under this Article, shall have the right to return to a position in the bargaining unit at the same university, at the same range and pay level as the ASF Member's previous position, provided the individual is qualified, as determined by the president or designee. If no vacancy exists for which the individual is qualified, layoff provisions will be invoked. By mutual agreement of the President/designee and the ASF Member, an ASF Member on leave under this Article may return from that leave prior to the originally anticipated return to work date. If an ASF Member is unable to return to work on the originally anticipated return to work date, the ASF Member will notify the President/designee as soon as it is practical, but no later than the originally anticipated return to work date. Such notice will include the ASF Member's application for extension of leave, if applicable. If the ASF Member does not return from leave as scheduled and does not request and obtain an extension of their leave, it shall constitute a voluntary resignation.

Section D. Salary Savings Leave. An ASF Member may request unpaid salary savings leave as provided in Minnesota Statute 43A.49. <https://www.revisor.leg.state.mn.us/statutes/?id=43A.49>. At the discretion of the President/designee, an ASF Member may be allowed to take such unpaid leave. The discretionary function of the Employer under this Section is not subject to the grievance procedure.

Additionally, the Minnesota State Employment Opportunities Bulletin is available at https://minnstate.wd1.myworkdayjobs.com/Minnesota_State_Careers.

Section B. Internal Search. The Employer at each campus shall determine and publish a uniform process for conducting internal searches. The Employer may decide to fill a position from candidates who are current ASF Members at the University prior to an external notice of the vacancy.

The Employer shall announce the vacancy to all such ASF Members. If the position is not filled through an internal search, the Employer may conduct an external search. Section C. Filling of Vacancies after Notice of Layoff. An ASF Member who has received notice of layoff shall be sent notice of any vacancy in the bargaining unit that is posted in the Minnesota State employment opportunities bulletin. Any such ASF Member who meets the qualifications, as determined by the President/designee, of any announced ASF vacancy and who supplies all required materials within the stated vacancy timeline shall be offered an interview for the position prior to filling the position with external candidates. The Employer is not required to pay the costs incurred by the ASF Member associated with this interview.

Section D. Right to Return to the Unit.

Subd. 1. For ASF Members who accepted a Minnesota State Administrator position before July 1, 2003. ASF Members shall neither lose nor continue to accrue benefits provided to ASF Members in this bargaining unit because of, or during, the period of any appointment to a Minnesota State Administrator position. An ASF Member appointed under this Article, shall have the right to return to a position in the bargaining unit at the same university, at the same range and pay level as the ASF Member's previous position, provided the individual is qualified as determined by the President or designee. If no vacancy exists for which the individual is qualified, layoff provisions will be invoked.

Subd. 2. For ASF Members who are appointed to a Minnesota State Administrator position (excluding acting or interim appointments) on or after July 1, 2003.

- (a) No ASF Member will be required to accept an appointment as a Minnesota State Administrator. However if the Employer appoints an ASF Member with permanent status to a Minnesota State Administrator position at the same university, that individual will have the right to return to a position in the ASF bargaining unit from the Administrator position for a period of four (4) years from the date of appointment, as described in this Subdivision. The ASF Member shall be returned to an ASF position with no break in service at the same range and step as the individual's previous ASF position, provided the individual is qualified as determined by the President/designee.
- (b) Within the four (4) year period described above, if an individual desires to return to a position in the ASF bargaining unit, the ASF Member must provide written notice to the President/designee by December 31 to be effective the following June 30, as provided in paragraph (a) of the Subdivision.
- (c) Within the four (4) year period described above, if the Employer ends the Minnesota State Administrator appointment of an individual covered by this Subdivision for any reason other than misconduct, the individual will have a right to return to a position in the ASF bargaining unit as described in

paragraph (a) above. However, if in the Employer's discretion such appointment is terminated for misconduct, there is no right to return under this Subdivision. The discretionary function of the Employer as provided in this paragraph shall not be subject to the grievance procedure.

- (d) For the purposes of this Subdivision, if no vacancy exists for which the individual is qualified as determined by the President/designee, the layoff provisions in Article 22 will be invoked.
- (e) An ASF Member will neither lose nor continue to accrue benefits provided to ASF Members in this bargaining unit because of, or during, the period of any appointment to a Minnesota State Administrator position.

Section E. Search Committees.

Subd. 1. At least one (1) Association representative selected by the Campus Association President shall be included on any search committee established by the Employer for the purpose of making recommendations with regard to the filling of a vacancy within the bargaining unit. The number of ASF Members on the committee will not be exceeded by the membership from any other individual bargaining unit.

Subd. 2. For each search, if the Campus Association President has not notified the Employer of the name of the Association Representative within twelve (12) business days following the Employer's request for a representative and there has not been a mutually agreed upon extension to designate an Association Representative, the Employer may proceed with the search without an Association Representative.

ARTICLE 22

PERSONNEL REDUCTION AND LAYOFF

Section A. Procedure. Elimination means the abolition or FTE reduction of a position held by an ASF Member as provided in this Article. Elimination shall be accomplished by either: i) the personnel reduction of a fixed term, externally funded, or probationary ASF Member, or ii) the layoff of a permanent ASF Member. A layoff of a permanent ASF Member is the reduction of FTE from .75 FTE or greater to less than .75 FTE, or from .74 to .50 FTE to less than .50 FTE, or separation from service. For purposes of this Article, the non-renewal or discharge of an ASF Member will not be deemed to be a personnel reduction or layoff. In the event of a personnel reduction or layoff of ASF Members, the following provisions shall apply.

Subd. 1. Meet and Confer. The President/ designee shall meet and confer with the Campus Association in accordance with the provisions of Article 7, Association Rights, Section B, Subd. 2, regarding circumstances which will lead to the personnel reduction or layoff of members of this bargaining unit. In connection with such duty to meet and confer, available information, statistics, or financial data related to any proposed personnel reduction or layoff, including any anticipated reassignment of duties, shall be made available to the Campus Association at least ten (10) duty days prior to the meeting unless the Campus Association President agrees otherwise.

Subd. 2. Advance Notice of Personnel Reduction and Layoff. Written notice of personnel reduction under the provisions of this Article shall be furnished to probationary ASF Members at least ninety (90) calendar days in advance of termination during the first two (2) years of employment, and at least one hundred and fifty (150) calendar days in advance of termination thereafter. ASF Members with permanent status shall receive at least two hundred and forty (240) calendar days' advance notice of layoff. Article 10, Section A, Subd. 2 (d) addresses the notice requirements of externally funded ASF Members, and the rights for those ASF Members are defined solely therein. The Campus Association President shall receive notice of personnel reduction or layoff of any ASF Member in the local unit.

Subd. 3. Order of Personnel Reduction and Layoff. After meeting and conferring with the Campus Association and pursuant to Subd. 1 hereof, the President shall determine the particular organizational area as identified on the current seniority

roster in which eliminations are to be made and the specific position or positions to be eliminated. Eliminations shall then be accomplished in the following order:

- (a) If the position(s) identified for elimination are occupied by fixed-term, externally funded or probationary ASF Members, no further action is necessary except to provide required notice to affected employees.
- (b) If the position or positions identified for elimination are occupied by ASF Members with permanent status, and there are fixed-term, externally funded, limited appointment, or probationary status ASF Members in the particular organizational area occupying positions in the same or lower salary range as the position(s) to be eliminated, that the permanent status ASF Members meet the minimum qualifications according to the position description for the position, as determined by the President, the fixed-term, externally funded, limited appointment, or probationary ASF Member shall be provided the required notice and the permanent status ASF Member reassigned to the position occupied by such ASF Member. If the ASF Member whose position is to be eliminated does not meet the minimum qualifications according to the position description for the position occupied by a fixed-term, externally funded, limited appointment, or probationary status ASF Member in that organizational area in the same or lower salary range as the position to be eliminated, then the ASF Member whose position is to be eliminated will be laid off. The decision of which fixed term, externally funded, limited appointment, or probationary ASF Member to retain will be made on the basis of the programmatic needs of the university as determined by the President/designee.
- (c) If there are not sufficient numbers of fixed-term, externally funded, limited appointment, or probationary ASF Members in the particular organizational area to achieve the number of eliminations necessary, notice of being at risk of layoff shall be given to the least senior permanent status ASF Member in that organizational area in the same or lower salary range as the position to be eliminated. The ASF Member whose position is to be eliminated will then be reassigned to the position vacated by the least senior permanent status ASF Member, if the individual meets the minimum qualifications as determined by the President. If the ASF Member whose position is to be eliminated does not meet the minimum qualifications according to the position description for the position occupied by the least senior permanent status ASF Member in that organizational area in the same or lower salary range as the position to be eliminated, then the ASF Member whose position is to be eliminated will be laid off. If more than one position is to be eliminated, notice shall be given in inverse order of seniority, and reassignment to resulting vacancies shall be made as indicated above. When such reassignment results in placement in a position in a lower range, it shall be treated as a downgrade under Article 12, Section G.

- (d) If a permanent status ASF Member whose position is being eliminated has served: 1) thirty-six (36) FTE months in one or more currently existing organizational area at a state university, and 2) no reassignment options are available within their current organizational area, then the individual may choose, at the time the decision is made to eliminate the position, to exercise their right to move to that other organizational area (or one of the other organizational areas) in the individual's current institution. Should this occur, the salary provisions of Article 12, Section G will be applied no sooner than as provided in Article 10, Section D. Notice within that organizational area will be given consistent with (b) and (c) above.
- (e) An ASF Member who has received notice of layoff or is scheduled to be reassigned as a result of the individual's position being eliminated, may, during the period between notice and actual layoff, accept, in lieu of layoff or reassignment, a comparable vacancy within the bargaining unit at that university, provided the President has determined that such vacancy is to be filled and that the ASF Member is qualified.
- (f) A permanent status ASF Member may elect to accept a layoff that results in separation from service in lieu of exercising the reassignment right under this Article. The ASF Member must notify the President/designee in writing of the acceptance of layoff within fifteen (15) calendar days from the date the individual was informed that they would be reassigned. The ASF Member will be eligible for an Employer contribution toward insurance to the extent provided in Article 13. An ASF Member who elects to accept layoff is not eligible for the Article 12 § O Early Notice Incentive or the Article 16 § E Separation Incentive.

Subd. 4. Seniority.

- (a) Seniority Definition and Calculation. For the purpose of this Article, "seniority" shall be defined as continuous employment at the university in positions within the bargaining unit. An authorized leave of absence or sabbatical, pursuant to Articles 15, Section C, 18 or 19 of this Agreement, shall not be deemed an interruption of continuous employment. For purposes of seniority calculation, time on a Sabbatical Leave pursuant to Article 15, Section C will be counted based on the ASF Member's regular appointment as provided in this Subdivision. For purposes of this Section, a full-time ASF Member on a nine (9) to twelve (12) month appointment or a part time ASF Members on a seventy five percent (75%) time or greater appointment for twelve (12) months shall be considered to have accrued one (1) year of seniority. For other part time ASF Member and for first year full time ASF Members whose FTE is less than seventy five (75) percent, the number of months of seniority will be credited based on the FTE of the individual's appointment. If an ASF Member has an assignment in more than one organizational area, all seniority will be credited in the one in which the ASF Member is assigned the greatest percentage of time. If the

assignment is split equally between more than one organizational area, then the President/designee will designate that one in which all seniority will be credited prior to the issuance of the subsequent seniority roster.

If two (2) or more ASF Members have equal seniority, then those with greater length of service in permanent status shall have priority for retention. Should ASF Members still be equal in seniority, then the decision of which person to retain will be made on the basis of ASF Member competence and programmatic needs of the university as determined by the President.

- (b) **Seniority Roster.** A seniority roster shall be posted by the President/designee on or before November 1 of each year, and a copy of such rosters shall be furnished to the Campus Association President. Grievances concerning the accuracy of the roster must be filed within thirty (30) calendar days of publication of the roster and must be limited to changes made and shown on the most recent roster.

ASF Members on leave status at the time of posting of the seniority roster shall have thirty (30) calendar days after the end of such leave within which to file a grievance.

The format of the seniority roster shall be the same for each university. The fields on the seniority roster will be listed in this order: 1) organizational area, 2) name, 3) appointment type, 4) range in descending order, 5) years of seniority as of July 1 of the current fiscal year as defined in Subd. 1 above, and 6) currently existing organizational area in which the ASF Member has served at least thirty-six (36) FTE months, if applicable.

Subd. 5. **Sabbatical Leave.** If an ASF Member had been scheduled for a sabbatical leave or a professional improvement grant under Article 15, Section B, the individual shall not be deprived of the benefit because the ASF Member is subject to layoff.

Subd. 6. **Out-of-Order Layoff.** In lieu of the provisions in Subdivisions 1 through 5 above, a permanent ASF Member may be laid off upon written agreement of the ASF Member and the President or the President's designee. The layoff shall take effect on a mutually agreeable date as stated in the written agreement. The ASF Member will be eligible for an Employer contribution toward insurance to the extent provided in Article 13. An ASF Member who is laid off under this provision is not eligible for the Article 12 § O Early Notice Incentive, the Article 16 § E Separation Incentive, or the Section B. Recall provisions of this Article.

Subd. 7. **Alternative Rights for Personnel Reduction or Layoff.** To be eligible for this provision, the ASF Member must be in one of the following appointment types as provided in Article 10, Section A: externally funded, probationary, or permanent appointment.

- (a) An eligible ASF Member who receives a notice of Personnel Reduction or Layoff may choose to receive a lump sum payment of twenty thousand dollars (\$20,000) less normal withholdings and deductions if they agree to separate on a mutually agreeable date that is no later than forty-five (45) days after the date of notice. The ASF Member must notify the President/designee in writing of the acceptance of alternative rights under this subdivision within fifteen (15) calendar days from the date of the notice. The agreement on the separation date must be documented in writing.
- (b) An ASF Member who chose the alternative rights under this provision is not eligible for Article 12 § O Early Notice Incentive, the Article 13, Section C 3.a Employer contribution toward insurance, and the Article 16 § E Early Separation Incentive, and the Article 22, Section B, Recall provisions of this Article.
- (c) For an ASF Member who chose the alternative rights under this provision, the University will deposit in the ASF Member's Health Care Savings Plan account (as provided in Article 16, Section C) upon separation an amount equivalent to the Employer's expense of the ASF Member's elected health insurance benefits for one (1) year at the premium rate in effect at the time of separation.

Section B. Recall. ASF Members with permanent status as defined in Article 10 laid-off in accordance with this Article shall have recall rights in the same or similar position within the organizational area from which the individual was laid-off in accordance with the following provisions.

Subd. 1. When the vacant positions are filled, laid-off ASF Members shall be offered reemployment in inverse order of their layoff from the university. In addition, ASF Members with recall rights shall be offered interviews for positions for which they apply and meet the minimum qualifications, as determined by the President/designee, at any Minnesota State institution for a period of six (6) months from their effective date of layoff.

Subd. 2. Persons offered reemployment must accept such offer within fifteen (15) calendar days after such offer, such acceptance to take effect on a date specified by the President which will be not less than forty-five (45) calendar days from the date of the reemployment offer unless otherwise agreed to by the university and the ASF Member.

Subd. 3. Persons who decline offers of reemployment at the same or higher pay range as their previous position waive all rights of recall as established in this Article and shall have their names stricken from the recall list.

Subd. 4. All recall rights established herein shall expire at the conclusion of three (3) years from the effective date of the ASF Member's layoff.

Subd. 5. Layoff List. A list of all ASF Members laid-off within the prior three (3) year period shall be maintained by the System office. The list shall indicate if an individual has recall rights. The Association President shall be provided a copy of the list by July 15, and notified promptly of changes.

Subd. 6. Notice of Vacancies to Laid-Off ASF Member. The System office shall notify each individual on the layoff list of any vacancy in the bargaining unit that is being searched by means other than an internal search. This notification may be by U.S. mail or by electronic means. It is the responsibility of the laid-off ASF Member to provide a current address to the System office. Additionally, the Minnesota State employment opportunities bulletin is available at https://minnstate.wd1.myworkdayjobs.com/Minnesota_State_Careers.

Section C. Accrued Benefits. An ASF Member who is recalled in accordance with this Article, shall retain all unused sick leave accumulations that were not used in the payment of severance under Article 16. Additionally, the ASF Member's previously earned credits for sabbatical leave will be retained, but the individual shall not accrue any such benefits during the period of layoff.

Section D. Grievance Procedure. The decision to implement a personnel reduction or layoff of an ASF Member shall not be considered a termination of appointment or a discharge for cause, and an ASF Member who is reduced or laid-off shall not be permitted to grieve that decision pursuant to the provisions of the grievance procedure. Subsequent to the decision to reduce or lay off ASF Members, an affected ASF Member may grieve violations of the procedures described in this Article.

Section E. Determination of Organizational Area. For purposes of this Article only, the organizational areas for the seniority roster at each university will be based on the vice-presidential and other administrator reporting structure including but not limited to Athletic Directors, Executive Directors and other administrators who report to the president, and all ASF Members who report directly to the president. Subsequently, based on the needs of the university should the president determine to change the reporting structure described in this paragraph, prior to implementing the change in organizational areas, the parties will meet and confer as provided in Article 7, Section B, Subd. 2., and such determinations are not subject to the grievance procedure.

Section F. Placement Assistance. The University Administration, with the Campus Association, shall select a placement consultant and provide placement services and assistance to any ASF Member who 1) is given notice of layoff, 2) does not have a reassignment opportunity, and 3) who requests such service.

Section G. Work during Employee's Notice Period. Notwithstanding Article 10, Section D, the Employer may immediately change the terms and conditions of employment for ASF Members who have been properly notified of personnel reduction or layoff

pursuant to Article 10, Section A, Subdivision 1(d); Article 10, Section A, Subdivision 2(d); or Article 22. For purposes of this Section, terms and conditions of employment does not include salary or the ASF Member's work schedule.

ARTICLE 23

DISCHARGE, SUSPENSION, AND DISCIPLINARY DEMOTION

Section A. Just Cause. Disciplinary action may be imposed on ASF Members only for just cause. Discipline may include the following, but not necessarily in this order: oral reprimand, written reprimand, suspension without pay, reduction in salary, demotion, and discharge. In lieu of a suspension without pay, the Employer may, at its discretion, require an ASF Member to use accumulated vacation in an amount equal to the length of a suspension up to five (5) days. For purposes of progressive discipline, the required use of vacation in lieu of suspension shall be treated as an unpaid suspension of an equivalent length. To establish just cause in a disciplinary action, the Employer must show that: 1) the ASF Member engaged in misconduct and/or unsatisfactory performance, 2) the ASF Member was provided adequate process, and 3) the level of discipline was appropriate for the offense.

Section B. Procedures.

Subd. 1. In the event the President/designee, believes just cause exists for an action as defined in Section A. hereof, the President/designee shall give written notice (except in the case of an oral reprimand) of the action specifying all the reasons to the affected ASF Member. Any ASF Member who is given notice of suspension without pay, required use of vacation, reduction in salary, demotion or discharge by the President/designee shall be granted, upon request, an opportunity to hear an explanation of the evidence against the individual, and to present their side of the story to the President/designee. The ASF Member may, at the individual's own request, have an Association Representative present at such meeting.

Subd. 2. Investigative Leave. The President/designee may place an ASF Member who is the subject of a disciplinary investigation on an investigatory leave with pay.

Section A. Definitions. A grievance for the purpose of this Article is defined as a dispute or disagreement as to the interpretation or application of any specific term or terms of this Agreement.

Section B. Informal Resolution. ASF Members are encouraged to attempt to resolve the occurrence of any alleged violation of this Agreement on an informal basis with the employee's designated supervisor, and if the employee so chooses, with the assistance of the Campus Association. If the matter is not resolved to the employee's satisfaction by informal discussion, it shall be settled in accordance with the procedure set forth below.

Section C. Grievance Steps.

Step I. If the grievance has not been settled in the informal procedure above, it may be presented by the Association or the employee in writing to the appropriate Vice President/designee within thirty (30) calendar days after the employee or the Association, through the use of reasonable diligence, should have had knowledge of the occurrence that gave rise to the grievance. The written grievance shall set forth the nature of the grievance, the facts upon which it is based, the specific section(s) of the Agreement allegedly violated and the relief requested.

If the grievance remains unsettled, it may be presented by the Association or the employee in writing to the university President within ten (10) calendar days after the response of the Vice President/designee. The parties shall, within ten (10) calendar days of the receipt of the grievance, arrange a grievance meeting, unless another timeline for the Step II meeting is mutually agreed upon. The President/designee shall respond to the Association and the employee in writing no later than fourteen (14) calendar days after the Step II meeting.

Step III. If the grievance is still unresolved after the response of the university President/designee, it may be presented to the Chancellor/designee by the Association or the employee within fifteen (15) calendar days after the response of the President. The parties shall, within ten (10) calendar days of the receipt of the grievance, arrange a grievance meeting, unless another timeline for the Step III meeting is mutually agreed upon. The Chancellor/designee shall respond to the grievance no later than twenty-one (21) calendar days after the Step III meeting.

Section D. Arbitration Procedure. If the grievance is still unresolved after the response of the Chancellor/designee the Association may, within fifteen (15) calendar days, serve written notice to the Chancellor/designee of its intent to submit the issue to arbitration. The arbitration proceeding shall be conducted by an arbitrator. The arbitrator shall be selected by mutual agreement of the System office and the Association within fifteen (15) calendar days after the request to select an arbitrator. If the parties fail to mutually agree upon an arbitrator within the said fifteen (15) calendar day period, either party may request the Bureau of Mediation Services to provide a list of seven (7) neutral arbitrators. The representatives of the Employer and the Association shall strike names and the last remaining person shall be the arbitrator. Unless otherwise agreed, a coin will be flipped to determine which party will strike the first name.

Expenses for the arbitrator's service and the proceedings shall be borne equally by the Employer and the Association; however, each party shall be responsible for compensating its own representatives and witnesses. If either party cancels an arbitration hearing or asks for a last minute postponement that leads to the arbitrator's making a charge, the canceling party or the party asking for the postponement shall pay this charge. The decision of the arbitrator shall be final and binding upon the parties and the arbitrator shall be requested to issue their decision within thirty (30) calendar days after the conclusion of the testimony and argument. If either party desires a transcript record of the arbitration proceedings, it may cause such a record to be made, providing it pays for the record. However, any party ordering a copy of the record shall pay for such copy.

Subd. 1. Other Forms of Alternative Dispute Resolution (ADR). By mutual agreement between the Association and the Chancellor/designee, a grievance may be submitted for mediation before the Bureau of Mediation Services at any time prior to the arbitration hearing. Additionally, by mutual agreement between the Association and the Chancellor/designee, the parties may use any other form of ADR to resolve a grievance prior to the arbitration hearing. Expense for the ADR practitioner's service, if any, and the proceedings shall be borne equally by the Employer and the Association; however, each party shall be responsible for compensating its own representatives and participants. If either party cancels an ADR proceeding or asks for a last minute postponement that leads to the ADR practitioner's making a charge, then the party initiating the cancellation or the postponement shall pay this charge.

Section E. Arbitrator's Authority. General Authority. The arbitrator shall have no right to amend, modify, nullify, ignore, add to, or subtract from the provisions of this Agreement. The arbitrator shall consider and decide only the specific issue or issues submitted to them in writing by the parties to this Agreement and shall have no authority to make a decision on any matter not so submitted to them. The arbitrator shall be without power to make decisions contrary to, inconsistent with, or modifying or varying in any way the application of laws, rules, or regulations having the force and effect of law. The decision shall be based solely upon the arbitrator's interpretation and application of the expressed terms of this Agreement and to the facts of the grievance presented.

Section F. Time Limits, Extensions and Waiver of Steps. If a grievance is not presented within the time limits set forth above, it shall be considered waived. If a grievance is not presented to the next step within the specified time limit or any agreed extension thereof, it shall be considered settled on the basis of the Employer's last response. If the Employer does not answer within the specified time limits, the union may elect to treat the grievance as denied at that step and timely present the grievance at the next step. By mutual written agreement between the Employer and the Association, the parties may waive Steps I and/or II. The timeline to file at a subsequent step of the grievance procedure begins to run on the day after the waiver is granted. The time limit in each step may be extended by mutual written agreement of the Employer and the Association. In computing any period of time prescribed or allowed by this grievance procedure, the date of the act or event, or default for which the designated time begins to run shall not be included. The last day of the period shall be included, unless it is a Saturday, a Sunday or a legal holiday, in which event the period runs until the end of the next day, which is not a Saturday, a Sunday or legal holiday.

Section G. General Provision. All ASF Members of the appropriate unit are free to present grievances in accordance with this Article. In this regard, it is understood that the grievant has the right to be their own representative in the processing of a grievance in Steps I, II, and III, and the Association shall not interfere with that right.

Section H. Grievance Processing. Whenever practicable, the processing of grievances shall be handled during the university's regular work day. ASF Members who are required to participate in the processing of such grievances shall not be subject to a loss of wages

for doing so; however, the number of ASF Members who may participate without loss of wages shall be limited to a maximum of three (3), inclusive of ASF Members who are representatives and/or officers of the Association.

Section I. Reprisals. The Employer shall engage in no reprisals or recriminations based upon the filing and pursuit of a grievance, or upon acting as a witness or advocate for a grievant.

Section J. Scope. Subject to Article 2 of this Agreement, nothing in this contract shall prevent an employee from pursuing both a grievance under this contract and a Charge of Discrimination, including, but not limited to, those charges of Discrimination brought under Title VII of the Civil Rights Act, the Americans with Disability Act, the Age Discrimination in Employment Act, or the Equal Pay Act.

Section K. Election of Remedies. Except as provided in Section J of this Article, if an ASF Member or the union pursues a claim under any statute, regulation, policy, or procedure, the ASF Member or union shall be precluded from processing a grievance under this Article.

ARTICLE 26 SAVINGS CLAUSE

Section A. Conformance to Law. If any of the provisions of the Agreement are found by a court or other authority having jurisdiction to be in conflict with or contravene any Federal law or statute, State law or statute, executive order, or any rule and regulation promulgated pursuant to one of the above, such provisions shall be considered null and void and shall not be binding on the parties hereto; in such event, the remaining provisions of this Agreement shall remain in full force and effect. In the event that any provision of this Agreement is thus found to be invalid, either party shall have the right to reopen negotiations on that provision only.

Section B. Limit on Invalidity. If any provision or portion of this Agreement is prevented from being put into effect because of applicable legislative actions, executive order or regulation dealing with wage and price controls, then only such specific provisions or portions specified in such decision shall be invalid, the remainder of this Agreement continuing in full force and effect for the term of the Agreement. However, any provision of this Agreement so prevented from being put into effect shall become effective at such time, in such amounts, and for such periods, retroactively and prospectively, as is permitted by law at any time during the life of this Agreement or any extension thereof.

ARTICLE 27 COMPLETE AGREEMENT AND WAIVER

Section A. Complete Agreement. The Employer and the Association acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not

removed by law from the applicable area of collective bargaining, and that the understandings are set forth in this Agreement, and shall constitute the sole Agreement between the parties for the duration thereof.

Section B. Modification and Repeal. The Employer agrees to modify or repeal the Governing Rules, Internal Rules, Operating Policies, Administrative Procedures and university constitutions which are in conflict with or are superseded by this Agreement.

ARTICLE 28 DURATION

Section A. Effective Dates. Except as otherwise provided herein, this Agreement shall become effective as specified in Minn. Stat. 3.855, and shall remain in full force and effect through the 30th day of June 2027.

Section B. Legislative Action. In the event that any provision of this Agreement requires legislative action to become effective, including, but not limited to, amendment of existing statutes, the adoption of new legislation, or the granting of appropriations, that provision shall become effective only if such legislative action is taken. Should any legislative action be required pursuant to this Section, the Employer and the Association agree to cooperate in any effort to secure legislative approval.

Section C. Renewal and Reopening. This Agreement shall automatically renew itself from biennium to biennium thereafter unless, not later than January 1st of the year of the expiration of the then current term of Agreement, either party shall serve written notice on the other of its desire to terminate, modify, or amend this Agreement.

Positions in this category also are accountable for determining overall objectives, priorities, and policies within a program area. Higher level positions in this category handle significant and involved relationships with governmental leadership. Incumbents of these positions have the authority to exercise discretionary powers on a regular basis," and
2. The position creates or formulates, influences or manages policy or directs the enterprise, and
3. The position is responsible for making key operating decisions high up in the enterprise on an on-going basis, or specifically delegates them to others responsible to the position, and

Assignment of Duties from Another Unit

Employees of the unit represented by IFO or by MSUAASF, administrator and excluded professional unit, or the excluded, may be assigned duties that would normally be assigned to employees in another unit. If the non-primary unit assigned duties exceed forty-nine percent (49%)

of the position duties, then the position shall be reviewed by the two units involved and the Chancellor's Office representative to determine whether duties should be removed or percentages assigned reduced, or whether it should be placed in another unit.

As position duties get close to the forty-nine percent (49%) limit, a position will be re-evaluated to make sure that the position is assigned to the appropriate bargaining unit.

Every position must specifically state at least fifty-one percent (51%) of the duties that would place the position within a single bargaining unit.

No Waiver

None of the parties to this Agreement have in any way waived the right to request unit clarification or other action from the Minnesota Bureau of Mediation Services on any single position or positions to which the agreed-upon criteria is applied. Each party expressly reserves the right to challenge factual determinations relative to these criteria.

Insurance Addendum

Insurance benefit provisions in effect plan years 2026 and 2027 for all State of Minnesota labor agreements and compensation plans

Section 1. Amount of Employer Contribution. The Employer Contribution amounts and rules in effect on June 30, 2025 will continue through December 31, 2025.

A. Contribution Formula - Health Coverage.

1. **Employee Coverage.** For employee health coverage for the 2026 and 2027 plan years, the Employer contributes an amount equal to ninety-five percent (95%) of the employee-only premium of the Minnesota Advantage Health Plan (Advantage).
2. **Dependent Coverage.** For dependent health coverage for the 2026 and 2027 plan years, the Employer contributes an amount equal to eighty-five percent (85%) of the dependent premium of Advantage.

B. Contribution Formula - Dental Coverage.

1. **Employee Coverage.** For employee dental coverage, the Employer contributes seventy percent (70%) of the employee premium of the dental plan.
2. **Dependent Coverage.** For dependent dental coverage, the Employer contributes fifty percent (50%) of the dependent premium of the dental plan.

C. Contribution Formula - Basic Life Coverage. For employee basic life coverage and accidental death and dismemberment coverage, the Employer contributes one-hundred percent (100%) of the cost.

Section 2. Coverage Changes and Effective Dates.

A. When Coverage May Be Chosen.

1. **Newly Hired Employees.** All employees hired to an insurance eligible position must make their benefit elections by their initial effective date of coverage as defined in this Insurance Addendum, Section 2C. Insurance eligible employees will automatically be enrolled in basic life coverage. If employees eligible for a full Employer Contribution do not choose a health plan administrator and a primary care clinic by their initial effective date, and do not waive medical coverage, they will be enrolled in a Benefit Level Two clinic (or Level One, if available) that meets established access standards in the health plan with the largest number of Benefit Level One and Two clinics in the county of the employee's residence at the beginning of the insurance year. If an employee does not choose a health plan administrator and primary care clinic by their initial effective date, but was

previously covered as a dependent immediately prior to their initial effective date, they will be defaulted to the plan administrator and primary care clinic in which they were previously enrolled.

2. **Eligibility Changes.** Employees who become eligible for a full Employer Contribution must make their benefit elections within thirty (30) calendar days of becoming eligible. If employees do not choose a health plan administrator and a primary care clinic and do not waive coverage within this thirty (30) day timeframe, they will be enrolled in a Benefit Level Two clinic (or Level One, if available) that meets established access standards in the health plan with the largest number of Benefit Level One and Two clinics in the county of the employee's residence at the beginning of the insurance year.

If employees who become eligible for a partial Employer Contribution choose to enroll in insurance, they must do so within thirty (30) days of becoming eligible or during open enrollment.

An employee may change their health or dental plan if the employee changes to a new permanent work or residence location and the employee's current plan is no longer available. If the employee has family coverage and if the new residence location is outside of the current plan's service area, the employee shall be permitted to switch to a new plan administrator and new Benefit Level within thirty (30) days of the residence location change. The election change must be due to and correspond with the change in status. An employee who receives notification of a work location change between the end of an open enrollment period and the beginning of the next insurance year, may change their health or dental plan within thirty (30) days of the date of the relocation under the same provisions accorded during the last open enrollment period. An employee or retiree may also change health or dental plans in any other situation in which the Employer is required by the applicable federal or state law to allow a plan change.

3. **Waiving Medical Coverage.** Employees may choose to waive medical coverage. If an employee is eligible for the full employer contribution and desires to waive medical coverage, the employee must submit a Waiver of Medical Coverage form and provide proof of other coverage by the end of the employee's enrollment period. If an employee does not submit the form and proof by the end of the employee's enrollment period, the employee will be enrolled in medical coverage, with the next opportunity to waive coverage during Open Enrollment or upon a permitted Qualified Life Event. If an employee waives medical coverage, the employee can elect it again during the next Open Enrollment or midyear upon a permitted Qualified Life Event.

B. When Coverage May be Changed or Cancelled.

1. **Changes Due to a Life Event.** After the initial enrollment period and outside of any open enrollment period, an employee may elect to change health or dental

coverage (including adding or canceling coverage) and any applicable employee contributions in the following situations (as long as allowed under the applicable provisions, regulations, and rules of the federal and state law in effect at the beginning of the plan year).

The request to change coverage must be consistent with a change in status that qualifies as a life event, and does not include changing health or dental plans, which may only be done under the terms of Section 2A above. Any election to add coverage must be made within thirty (30) days following the event, and any election to cancel coverage must be made within sixty (60) days following the event. (An employee and a retired employee may add dependent health or dental coverage following the birth of a child or dependent grandchild, or following the adoption of a child, without regard to the thirty (30) day limit.) These life events (for both employees and retirees) are:

- a. A change in legal marital status, including marriage, death of a spouse, divorce, legal separation and annulment.
- b. A change in number of dependents, including birth, death, adoption, and placement for adoption.
- c. A change in employment status of the employee, or the employee's or retiree's spouse or dependent, including termination or commencement of employment, a strike or lockout, a commencement of or return from an unpaid leave of absence, a change in worksite, and a change in working conditions (including changing between part-time and full-time or hourly and salary) of the employee, the employee's or retiree's spouse or dependent which results in a change in the benefits they receive under a cafeteria plan or a health or dental plan.
- d. A dependent ceasing to satisfy eligibility requirements for coverage due to attainment of age or otherwise no longer meets the eligibility requirements under Section 2C of the Insurance Article (IFO and MSUAASF: Section B3; MSCF: Section 2, subd. 3).
- e. A change in the place of residence of the employee, retiree or their spouse or dependent that is not in the health plan service administrator's service area.
- f. Significant cost or coverage changes (including coverage curtailment and the addition of a benefit package).
- g. Family Medical Leave Act (FMLA) leave.
- h. Judgments, decrees or orders.
- i. A change in coverage of a spouse or dependent under another Employer's plan.

- j. Open enrollment under the plan of another Employer.
 - k. Health Insurance Portability and Accountability Act (HIPAA) special enrollment rights for new dependents and in the case of loss of other insurance coverage.
 - l. A COBRA-qualifying event.
 - m. Loss of coverage under the group health plan of a governmental or educational institution (a State's children's health insurance program, medical care program of an Indian tribal government, State health benefits risk pool, or foreign government group health plan).
 - n. Entitlement to Medicare or Medicaid.
 - o. Any other situations in which the group health or dental plan is required by the applicable federal or state law to allow a change in coverage.
- 2. **Canceling Dependent Coverage During Open Enrollment.** In addition to the above situations, dependent health or dependent dental coverage may also be cancelled for any reason during the open enrollment period that applies to each type of plan (as long as allowed under the applicable provisions, regulations and rules of the federal and state law in effect at the beginning of the plan year).
 - 3. **Canceling Employee Coverage.** A part-time employee may also cancel employee coverage within sixty (60) days of when one of the life events set forth above occurs.
 - 4. **Effective Date of Benefit Termination.** Medical, dental and life coverage termination will take effect on the first of the month following the loss of eligible employee or dependent status. Disability benefit coverage terminations will take effect on the day following loss of eligible employee status.

C. Effective Date of Coverage.

- 1. **Initial Effective Date.** The initial effective date of coverage under the Group Insurance Program is the thirtieth (30th) day following the employee's first day of employment, re-hire, or reinstatement with the State. The initial effective date of coverage for an employee whose eligibility has changed is the date of the change. An employee must be actively at work on the initial effective date of coverage, except that an employee who is on paid leave on the date State-paid life insurance benefits increase is also entitled to the increased life insurance coverage. In no event shall an employee's dependent's coverage become effective before the employee's coverage.

If an employee is not actively at work due to employee or dependent health status or medical disability, medical and dental coverage will still take effect. (Life and disability coverage will be delayed until the employee returns to work.)

2. Delays in Coverage Effective Date.

- a. **Basic Life.** If an employee is not actively at work on the initial effective date of coverage, coverage will be effective on the first day of the employee's return to work. The effective date of a change in coverage is not delayed in the event that, on the date the coverage change would be effective, an employee is on an unpaid leave of absence or layoff.
- b. **Medical and Dental.** If an employee is not actively at work on the initial effective date of coverage due to a reason other than hospitalization or medical disability of the employee or dependent, medical and dental coverage will be effective on the first day of the employee's return to work.

The effective date of a change in coverage is not delayed in the event that, on the date the coverage change would be effective, an employee is on an unpaid leave of absence or layoff.

- c. **Optional Life and Disability Coverages.** In order for coverage to become effective, the employee must be in active payroll status and not using sick leave on the first day following approval by the insurance company. If it is an open enrollment period, coverage may be applied for but will not become effective until the first day of the employee's return to work.

D. Open Enrollment.

1. **Frequency and Duration.** There shall be an open enrollment period for health and dental coverage in 2025 and 2026. Open enrollment periods shall last a minimum of fourteen (14) calendar days. Open enrollment changes become effective on January 1 in 2026 and 2027. Subject to a timely contract settlement, the Employer shall make open enrollment materials available to employees at least fourteen (14) days prior to the start of the open enrollment period.
2. **Eligibility to Participate.** An employee eligible to participate in the State Employee Group Insurance Program, as described in Sections 2A and 2B of the Insurance Article (IFO and MSUAASF: Section B1 and B2; MSCF: Section 2, subd. 1 and Section 2, subd. 2), may participate in open enrollment. In addition, a person in the following categories may, as allowed in section 2D1 of the Insurance Addendum above, make certain changes: (1) a former employee or dependent on continuation coverage, as described in Section 2D of the Insurance Article (IFO and MSUAASF: Section B4; MSCF: Section 2, subd. 4), may change plans or add coverage for health and/or dental plans on the same basis as active employees; and (2) an early retiree, prior to becoming eligible for Medicare, may change health

Section 3. Basic Coverages.

A. Employee and Family Health Coverage.

1. **Minnesota Advantage Health Plan (Advantage).** The health coverage portion of the State Employee Group Insurance Program is provided through the Minnesota Advantage Health Plan (Advantage), a self-insured health plan offering four (4) Benefit Level options. Provider networks and claim administration are provided by multiple plan administrators. Coverage offered through Advantage is determined by Section 3A2 of the Insurance Addendum.
2. **Coverage Under the Minnesota Advantage Health Plan.** From July 1, 2025 through December 31, 2025, health coverage under the SEGIP will continue at the level in effect on June 30, 2025. Effective January 1, 2026, Advantage will cover eligible services subject to the copayments, deductibles and coinsurance coverage limits stated. Services provided through Advantage are subject to the managed care procedures and principles, including standards of medical necessity and appropriate practice, of the plan administrators. Coverage details are provided in the Advantage Summary of Benefits.
 - a. **Benefit Options.** Employees must elect a plan administrator and primary care clinic. Those elections will determine the Benefit Level through Advantage. Enrolled dependents must elect a primary care clinic that is available through the plan administrator chosen by the employee.
 - 1) **Plan Administrator.** Employees must elect a plan administrator during their initial enrollment in Advantage and may change their plan administrator election only during the annual open enrollment and when permitted under Section 2 of the Insurance Addendum. Dependents must be enrolled through the same plan administrator as the employee.

- 2) **Benefit Level.** The primary care clinics available through each plan administrator are assigned a Benefit Level. The Benefit Levels are outlined in the benefit chart below. Primary care clinics may be in different Benefit Levels for different plan administrators. Family members may be enrolled in clinics that are in different Benefits Levels. Employees and their dependents may change to clinics in different Benefit Levels during the annual open enrollment. Employees and their dependents may also elect to move to a clinic in a different Benefit Level within the same plan administrator by calling their plan administrator, with changes typically effective the following day. Unless the individual has a referral from their primary care clinic, there are no benefits for services received from providers in Benefit Levels that are different from that of the primary care clinic in which the individual has enrolled.
- 3) **Primary Care Clinic.** Employees and each of their covered dependents must individually elect a primary care clinic within the network of providers offered by the plan administrator chosen by the employee. Employees and their dependents may elect to change clinics within their clinic's Benefit Level as often as the plan administrator permits and as outlined above.
- 4) **Advantage Benefit Chart for Services Incurred During Plan Years 2026 and 2027.**

Amounts above the copay that an individual elects to pay for a brand name instead of a generic drug will not be credited toward the out-of-pocket maximum.
- f. **Special Service Networks.** The following services must be received from special service network providers in order to be covered. All terms and conditions outlined in the Summary of Benefits apply.

If a national network provider is not available in their area, services will be covered at Benefit Level Two through any other provider available in their area. If a national network provider is available but not used, benefits will be covered at Benefit Level Three. All terms and conditions outlined in the Summary of Benefits will apply.
- h. **Health Care Services Received Outside the Minnesota Advantage Health Plan’s Service Area.** For covered services received by employees, former employees, and dependents outside of the Advantage service area, all care that is received within the national network of the member’s plan administrator will be covered at Benefit Level Three, with a separate out-of-area deductible. Urgent care and emergency care will be covered at Benefit Level Three whether or not the providers are within the member’s plan administrator’s national

3. **Benefit Level Two Health Care Network Determination.** Issues regarding the health care networks for the 2026 insurance year shall be negotiated in accordance with the following procedures:
- a. At least twelve (12) weeks prior to the open enrollment period for the 2026 insurance year the Employer shall meet and confer with the Joint Labor/Management Committee on Health Plans in an attempt to reach agreement on the Benefit Level Two health care networks.
 - b. If no agreement is reached within five (5) working days, the Employer and the Joint Labor/Management Committee on behalf of all of the exclusive representatives shall submit a list of providers/provider groups in dispute to a mutually agreed upon neutral expert in health care delivery systems for final and binding resolution. The only providers/provider groups that may be submitted for resolution by this process are those for which, since the list for the 2025 insurance year was established, Benefit Level Two access has changed, or those that are intended to address specific problems caused by a reduction in Benefit Level Two access.

Absent agreement on a neutral expert, the parties shall select an arbitrator from a list of five (5) arbitrators supplied by the Bureau of Mediation Services. The parties shall flip a coin to determine who strikes first. One-half (1/2) of the fees

and expenses of the neutral shall be paid by the Employer and one-half (1/2) by the Exclusive Representatives. The parties shall select a neutral within five (5) working days after no agreement is reached, and a hearing shall be held within fourteen (14) working days of the selection of the neutral.

- c. The decision of the neutral shall be issued within two (2) working days after the hearing.
4. **Coordination with Workers' Compensation.** When an employee has incurred an on-the-job injury or an on-the-job disability and has filed a claim for workers' compensation, medical costs connected with the injury or disability shall be paid by the employee's health plan, pursuant to M.S. 176.191, Subdivision 3.
5. **Health Promotion and Health Education.** Both parties to this Agreement recognize the value and importance of health promotion and health education programs. Such programs can assist employees and their dependents to maintain and enhance their health, and to make appropriate use of the health care system. To work toward these goals:
 - a. **Develop Programs.**
 - 1) **Policy.** The Employer will develop and implement health promotion, health education programs, and other programs mutually agreed upon with the Joint Labor Management Committee on Health Plans, subject to the availability of resources. Each Appointing Authority will develop a health promotion and health education program consistent with the Minnesota Management and Budget policy. Upon request of any exclusive representative in an agency, the Appointing Authority shall jointly meet and confer with the exclusive representative(s) and may include other interested exclusive representatives. Agenda items shall include but are not limited to smoking cessation, weight loss, stress management, health education/self-care, and education on related benefits provided through the health plan administrators serving state employees.
 - 2) **Pilot Programs.** The Employer may develop voluntary pilot programs to test the acceptability of various risk management programs, programs that seek to control costs, programs that streamline the delivery of services, or that enhance services to members. Incentives for participation in such programs may include improvements to the benefits outlined in the Insurance Article and/or Insurance Addendum. Implementation of such pilot programs is subject to the review and approval of the Joint Labor-Management Committee on Health Plans.

- b. **Health Plan Specification.** The Employer will require health plans participating in the Group Insurance Program to develop and implement health promotion and health education programs for State employees and their dependents.
 - c. **Employee Participation.** The Employer will assist employees' participation in health promotion and health education programs. Health promotion and health education programs that have been endorsed by the Employer (Minnesota Management and Budget) will be considered to be non-assigned job-related training pursuant to Administrative Procedure 21. Approval for this training is at the discretion of the Appointing Authority and is contingent upon meeting staffing needs in the employee's absence and the availability of funds. Employees are eligible for release time, tuition reimbursement, or a pro rata combination of both. Employees may be reimbursed for up to one hundred (100) percent of tuition or registration costs upon successful completion of the program. Employees may be granted release time, including the travel time, in lieu of reimbursement.
6. **Post Retirement Health Care Benefit.** Employees who separate from State service and who, at the time of separation are insurance eligible and entitled to immediately receive an annuity under a State retirement program, shall be entitled to a contribution of two hundred fifty dollars (\$250) to the Minnesota State Retirement System's (MSRS) Health Care Savings Plan. Employees who have a HCSP waiver on file shall receive a two hundred fifty dollars (\$250) cash payment. If the employee separates due to death, the two hundred fifty dollars (\$250) is paid in cash, not to the HCSP. An employee who becomes totally and permanently disabled on or after January 1, 2008, who receives a State disability benefit, and is eligible for a deferred annuity under a State retirement program is also eligible for the two hundred fifty dollar (\$250) contribution to the MSRS Health Care Savings Plan. Employees are eligible for this benefit only once.
7. **Temporary plan changes due to a state or national emergency.**

SEGIP and the unions recognize that certain natural disasters and other major emergencies may disrupt or seriously threaten to disrupt the State of Minnesota at a time when employees are especially needed to provide services. If the State or a federal government agency declares a state of emergency or otherwise invokes emergency authority by declaration, rules, regulations or similar official statements, the terms of the programs administered by SEGIP may be changed for the period of the declared emergency and for up to a 30 day run-out period.

These changes may include changes to programs administered by SEGIP including but not limited to, benefit design, enrollment and eligibility, billing, and administration as well as waiver of out-of-network restrictions, changes to out of pocket costs, extension of time frames for enrollment and billing, and other protocols reasonably required to provide Members with access to benefits.

These changes must be agreed to by both SEGIP and the Joint Labor Management Committee. Nothing in this provision prohibits SEGIP from making changes authorized or required under another authority including but not limited to a state or federal law, regulation, order, or rule without union agreement.

B. Employee Life Coverage.

1. **Basic Life and Accidental Death and Dismemberment Coverage.** The Employer agrees to provide and pay for the following term life coverage and accidental death and dismemberment coverage for all employees eligible for an Employer Contribution, as described in Section 3 of the Insurance Article (IFO, MSUAASF, and MSCF: Section C). Any premium paid by the State in excess of fifty thousand dollars (\$50,000) coverage is subject to a tax liability in accord with Internal Revenue Service regulations. An employee may decline coverage in excess of fifty thousand dollars (\$50,000) by filing a waiver in accord with Minnesota Management and Budget procedures. The basic life insurance policy will include an accelerated benefits agreement providing for payment of benefits prior to death if the insured has a terminal condition.

The minimum benefit will not be reduced by any other wage replacement benefit. In the event that the employee becomes totally disabled before age seventy (70), the premiums on this benefit shall be waived.

3. **Disability Coverage Subcommittee.** A subcommittee of the Joint Labor Management Committee on Health Plans (JLM) will be created to review disability plan options to conform with and complement the Minnesota Paid Leave Law. The JLM must agree to changes that modify or change the disability coverage provisions.

- D. **Accidental Death and Dismemberment Coverage.** An employee may purchase accidental death and dismemberment coverage that provides principal sum benefits in amounts ranging from five thousand dollars (\$5,000) to two hundred thousand dollars (\$200,000). Payment is made only for accidental bodily injury or death and may vary, depending upon the extent of dismemberment. An employee may also purchase from five thousand dollars (\$5,000) to twenty-five thousand dollars (\$25,000) in coverage for their spouse, but not in excess of the amount carried by the employee.
- E. **Vision Coverage.** Under the life of this agreement, an optional and fully employee-paid vision benefit will be available pursuant to contract parameters with the State's vision vendor.
- F. **Voluntary Legal Services Coverage.** Under the life of this agreement, an optional and fully employee-paid legal services benefit will be available pursuant to contract parameters with the State's vendor for disability insurance.
- G. **Continuation of Optional Coverages During Unpaid Leave or Layoff.** An employee who takes an unpaid leave of absence or who is laid off may discontinue premium payments on optional policies during the period of leave or layoff. If the employee returns within one (1) year, the employee shall be permitted to pick up all optionals held prior to the leave or layoff. For purposes of reinstating such optional coverages, the following limitations shall be applicable.

For the first twenty-four (24) months of long-term disability coverage after such a period of leave or layoff during which long-term disability coverage was discontinued, any such disability coverage shall exclude coverage for pre-existing conditions. For disability purposes, a pre-existing condition is defined as any disability which is caused by, or results from, any injury, sickness or pregnancy which occurred, was diagnosed, or for which medical care was received during the period of leave or layoff. In addition, any pre-existing condition limitations that would have been in effect under the policy but for the discontinuance of coverage shall continue to apply as provided in the policy.

The limitations set forth above do not apply to leaves that qualify under the Family Medical Leave Act (FMLA).
