This Bemidji State University process for resolution of grievances may be initiated only after the informal process to resolve complaints has not resulted in a satisfactory resolution. According to MnSCU Procedure 3.8.1, a grievance is a written claim raised by a student alleging improper, unfair, or arbitrary action by a faculty, staff member or administrator involving the application of a specific provision of a university rule or regulation or a board policy or procedure. A disagreement with an administrative or academic decision is not a grievance unless it includes improper, unfair or arbitrary action. The Student Complaints and Grievances policy and procedure may be found [on this website](#).

To request a formal review of a grievance:

1. Attach a written summary of your grievance, including the previous steps taken to resolve the matter informally.
2. Identify the remedy you are seeking.
3. Attach any relevant documentation.
