

K–12 and 5–12 Education Course Sequence

All licensure candidates must follow this sequence to complete their Education (ED) coursework.
Content coursework in specific majors is taken prior to and concurrently with Standards of Effective Practice (SEP) coursework.

The following courses can be completed prior to applying for admission to the Teacher Education program:

- ☐ HLTH 3400 Health and Drugs in Society (2 credits)
- ☐ Content specific coursework without the ED prefix (i.e.: SCI, MATH, GEOG, ENGL, PHED, MUS, etc.)

Would you like to speak with our Assistant Director for Student Success, Dr. Aspen Easterling? Schedule a meeting!

Education Admission Requirements:

- Have a 2.5 GPA or higher
- Have completed 30 semester credits
- Recommendation Form
- Address 4 writing prompts
- Complete the online application for admission to Education

You will not be able to register for the courses in the grid below until you have been admitted. Entry requirements are subject to change. Please see the Office of Teacher Education website for current entry requirements.

Field Experience Requirements:

Talk with your advisor about field experience requirements in your Content Area courses. You must have documented field experience in each level of your license (Elementary, Middle School, and High School).
