Dear Field Experience Cooperating Teacher:

Below is the teacher candidate disposition form with which you will evaluate your teacher candidate during their participation in field experience. This allows us to catch and address any issues before the teacher candidate begins student teaching. This data will also be utilized to improve teacher candidate performance and to inform change in our field experience program. It should only take a few minutes to complete the form.

**This form is now completed in SL&L. This paper copy is for your reference and can be used to guide discussions of dispositional issues with your field experience student.**

Thank you,  
*Office of Teacher Education*
