Monday Morning Mentor

These 20-minute online programs are fast, focused, high-quality presentations that cover traditional & online teaching as well as administrative issues. Each video is brief enough to fit busy schedules, but long enough to deliver valuable, actionable content. Presentation information & access links are delivered to your inbox Monday mornings.

Available: Monday, Jan. 29. - Sunday, Feb. 4, 2018

How Do I Create the Ideal Learning Environment for Modern Learners?
Presentation Password: released via email on 1/29

Office Hours: The Doctor is In
Steve Volk, Director of the Center for Innovation and Excellence at Oberlin College, discusses how to optimize office hours – and how to get students to use them.

eLearning Support Center

Visit an open lab to learn about D2L Brightspace tools, work on your online course, and ask questions. (Located in L233)

Around here, we don’t look backwards for very long... We keep moving forward, opening up new doors and doing new things because we’re curious... and curiosity keeps leading us down new paths. -Walt Disney

Join us next month...

TLC & CPD Event: NEW! Book Club
Let’s explore together how the slow movement might improve our professional and personal lives. Based on the new, widely-acclaimed book by Maggie Berg and Barbara K Seeber titled The Slow Professor: Challenging the Culture of Speed in the Academy.

CPD Event: Coffee & Conversation
Location: David Park House
Date: TBD
Time: 4:00 - 6:00

Visit the TLC website & calendar for more event information along with other scheduled teaching and learning events!
