**POLICY:**  
The Student Center for Health and Counseling will not discriminate against any person(s) with a disability. Every effort to make reasonable accommodations available to disabled persons will be made.

**PROCEDURE:**
2. Informal evaluations of item #2 on the Self Evaluation Summary have been done.
3. Printed material will state the ADA appropriate notice.
4. A relay service number will be readily available.
5. The director and office manager will handle any calls received through the relay service.
6. A TTY will not be utilized.
7. Students with disabilities may inquire about and/or request accommodations by speaking with the SCHC director.
8. The procedure by which a student can appeal a decision of a requested accommodation is to contact Christian Breczinski, Office of Disabilities, to advocate for them with the appropriate people.
9. Confidentiality will be maintained.
