Describe in detail what this money will be used for:

If awarded, these funds may be used for one-time emergency support, based on the student being a current Bemidji State University student. Emergency funding is designed to support students in emergency situations (i.e., changes to financial support, unforeseen medical circumstances, unforeseen legal bills, etc). Funds will be distributed by the Bemidji State University Alumni & Foundation accounting department. Funds may be sent to a third-party vendor, or by check directly to the student. A thank you note by the student receiving the funds is encouraged. Please allow 1-2 weeks for processing. If you do not provide enough information, we may request additional information be provided.
