In 1990, Congress enacted the *Crime Awareness and Campus Security Act of 1990* (Title II of Public Law 101-542), which amended the *Higher Education Act of 1965* (HEA). This act required all postsecondary institutions participating in HEA’s Title IV student financial assistance programs to disclose campus crime statistics and security information. The act was amended in 1992, 1998, 2000 and 2008. The 1998 amendments renamed the law the *Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act* in memory of a student who was slain in her dorm room in 1986. It is generally referred to as the *Clery Act* and is in section 485(f) of the HEA.

On March 7, 2013, the *Violence Against Women Reauthorization Act of 2013 (VAWA)* (Public Law 113-14) was signed into law. VAWA includes amendments to the Clery Act. These changes require institutions to disclose statistics, policies and programs related to dating violence, domestic violence, sexual assault and stalking, among other changes.

Pursuant to the Act, the Department of Public Safety monitors criminal activity and publishes this report containing a three-year statistical history of select crimes or incidents that occur. This report is distributed to all potential students and employees. All current students, faculty and staff are sent an email that briefly describes the content of the report and also the exact Internet address where it can be found: [https://www.bemidjistate.edu/services/public-safety/wp-content/uploads/sites/92/2019/09/2019-BSU-Crime-and-Fire.pdf](https://www.bemidjistate.edu/services/public-safety/wp-content/uploads/sites/92/2019/09/2019-BSU-Crime-and-Fire.pdf). Printed copies of the report can be obtained from Admissions (Deputy Hall, Room 102), Human Resources (Deputy Hall, Room 350), or at the Department of Public Safety (Walnut Hall). The report contains information regarding campus safety and security as required by the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act.

**DEPARTMENT OF PUBLIC SAFETY AUTHORITY**

The Department of Public Safety at Bemidji State University is recognized as the primary campus department responsible for providing security services for students, faculty, staff and campus visitors. The department is comprised of full-time professional and part-time paraprofessional officers. Public Safety Officers are NOT licensed police officers and do not possess the power of arrest as defined by Minnesota State Statute, but have been granted the authority by the University President to enforce University policy, which is not inconsistent with federal, state or local law, and to make citizens arrests when necessary.

The Bemidji Police Department provides fully licensed police protection for Bemidji State University. The Department of Public Safety has developed a working relationship with the Bemidji Police Department that allows for immediate response to all crimes, emergencies, or requests for service generated by the campus. On occasion, the Department of Public Safety works with other law enforcement agencies such as the Beltrami County Sheriff’s Department, the Minnesota Bureau of Criminal Apprehension, the Paul Bunyan Drug Task Force, the Federal Bureau of Investigation, and the Minnesota State Patrol.

It is the policy of Bemidji State University to report all criminal activity to the Bemidji Police Department by reporting incidents directly to their office or to the Department of Public Safety. All crimes or potential crimes that are reported to the Department of Public Safety will be forwarded to the Bemidji Police Department. It is also the University’s position that all campus community members are responsible for reporting any criminal activity they become aware of to the Department of Public Safety, Walnut Hall, 218-755-3888, or the Beltrami County Law Enforcement Center, 218-333-9111 (emergency 911).

Bemidji State University urges all campus entities that are excluded from mandatory reporting, such as professional mental health counselors and pastoral counselors, to advise clients who are victims of crime to report those incidents to
campus or local law enforcement authorities, and to report confidential information used strictly for statistical purposes to the Department of Public Safety.

CRIME PREVENTION PROGRAMS

The Department of Public Safety presents crime prevention and personal safety programs throughout the academic year. These programs are designed to inform the campus community regarding security procedures and practices, and to encourage responsibility for personal safety. The programs present personal safety and crime prevention techniques. The programs are presented by a certified Campus Crime Prevention Professional who is a full time staff member with the Department of Public Safety. Free programs are offered one or two times each semester. In addition, a program can be scheduled by request by contacting the Director of Public Safety, Walnut Hall, 218-755-3888.

ESCORT SERVICE

The Department of Public Safety provides an escort service that is available 24 hours a day. Escorts are generally provided within 10-15 minutes of a telephone request to 218-755-3888. Escorts are available to all students, employees and their guests.

FACILITIES SURVEYS

The Director of Public Safety, or a designee, along with the Physical Plant Director, VP for Academic Affairs, and members of the student body do an annual security survey, where they examine physical security issues such as landscaping, locks, alarms, and lighting.

ACCESS TO CAMPUS FACILITIES

Access to all Bemidji State University buildings and facilities are restricted to normal business hours, which is generally from 7:00 a.m. to 10:00 p.m. Monday through Friday during the academic year. Persons not associated with the University may be asked to leave campus and are subject to legal process if non-compliant.

Access to facilities after normal business hours is allowed only by special approval of the individual responsible for a specific space. The individual using a specific space outside of normal business hours must possess verifiable proof of approval. All other use of Bemidji State University facilities outside of normal hours of operation must be approved, and scheduled by the Scheduling Office, Hobson Memorial Student Union, 218-755-3760.

Access to residence halls is restricted to residents and guests only. Residence halls remain locked 24 hours a day and are controlled by an electronic key access system. Contact the Department of Residential Life, 218-755-3750 for further information.

Although the Department of Public Safety routinely patrols all campus facilities, it is impossible to maintain a continuous presence in all facilities at all times. Students, faculty, staff and visitors are urged to take appropriate steps to insure their own personal safety. Please report suspicious individuals and activities or hazardous conditions immediately to the Department of Public Safety, 218-755-3888. Take advantage of the escort service provided by the Department of Public Safety which is available 24 hours a day.
The Department of Public Safety works closely with the campus Physical Plant Office regarding security considerations of facilities. If you encounter what you believe is a safety or security deficiency regarding Bemidji State University facilities, contact the Department of Public Safety, 218-755-3888 and/or the Physical Plant Office, 218-755-3988. The public safety officer will respond, assist any victim(s), and prepare reports and other documentation for follow-up. The public safety officer can also assist crime victims in reporting a crime to the Bemidji Police Department and the public safety officer will report the crime to the Bemidji Police Department if the victim is unable to make such a report.

CRIME REPORTING PROCEDURES/POLICY

If you are the victim of a crime or witness a crime occurring contact the Department of Public Safety at 218-755-3888, Bemidji Police Department at 218-333-9111 (non-emergencies) or 911 (emergencies), or by using the emergency blue light phones located around campus.
All students, faculty, staff, and campus visitors are urged to report any crime they become aware of to the Department of Public Safety and/or the Bemidji Police Department, (non-emergency) 218-333-9111, (emergency) 911.

Individuals reporting to the Department of Public Safety who also elect to file a complaint with the Bemidji Police Department will be provided assistance in making that contact. If the victim is unable to make a police report, the Department of Public Safety will accurately and promptly report the incident to the Bemidji Police Department. In addition, if the Department of Public Safety becomes aware that a crime has been committed, University policy requires this information be forwarded to the Bemidji Police Department in a timely manner.

For on-campus emergencies, dial 911. Emergency services will immediately be dispatched from local agencies to your location, and that information will also be relayed to the Department of Public Safety who will also dispatch personnel to the incident location.

For off campus crimes please contact the Bemidji Police Department. The Bemidji State University Department of Public Safety and Bemidji Police Department have a mutual working agreement and each department augments the other within their jurisdiction during mutual investigations. The Director of Public Safety has regular meetings with the Bemidji Police Chief to exchange ideas and discuss problems which are relevant to the University community as well as the community of Bemidji.

**ACCURATE AND PROMPT CRIME REPORTING**

Bemidji State University strongly encourages accurate and prompt reporting of all crimes, especially those on or near campus, to local law enforcement and the University. Accurate and prompt crime reports allow the Department of Public Safety, the Bemidji Police Department, and others to effectively track crime patterns and alert the community. BSU Public Safety officers are NOT sworn police officers though Public Safety officers can assist crime victims in making a police report.

**CAMPUS SECURITY AUTHORITIES**

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act require the declaration of “Campus Security Authorities”. Campus Security Authorities are defined as, “An official of an institution who has significant responsibility for student and campus activities.” Campus Security Authorities are individuals that reports should be made to for the purpose of making Security Alerts and the annual statistical disclosure. Bemidji State University has determined that the following positions fit the criteria:

President and Vice Presidents, Faculty Advisors to student groups and organizations, Athletic Coaches and Trainers, Department of Public Safety employees, Deans, Student Development Officials, Residential Life staff members and other campus officials who have significant responsibilities for student and campus activities.

**CONFIDENTIAL REPORTING PROCEDURES**

If you are the victim of a crime, and do not wish to pursue action within the college or criminal justice systems, you should still consider making a confidential report. With your permission, the Director of Public Safety, or their designee, may file a report that documents the details of your incident without revealing your identity. With this information, the University can keep accurate records of incidents and better identify crime trends. Reports filed in this matter are counted and disclosed in the annual crime statistics for the institution, but again are entirely confidential.
CAMPUS PASTORAL AND PROFESSIONAL COUNSELORS

Campus pastoral and professional counselors, when acting as such, are not required to report crimes for inclusion in the Annual Crime Report. As a matter of policy, they are encouraged; if and when they deem it appropriate, to inform individuals being counseled, of the procedures to report crimes on a voluntary basis for inclusion in the statistics of the annual crime report.

A “pastoral counselor” is an employee of the institution who is associated with a religious order or denomination, recognized by that religious order or denomination as someone who provides confidential counseling, and who is functioning within the scope of that recognition as a pastoral counselor.

A “professional counselor” is an employee of the institution whose official responsibilities include providing psychological counseling to members of the institution’s community, and who is functioning within the scope of his or her license or certification.

TIMELY WARNINGS (AKA “SECURITY ALERTS”)

The Bemidji State University Department of Public Safety will issue a Timely Warning for all Clery Act crimes reported to Campus Security Authorities or local police agencies and considered by Bemidji State University officials to represent a serious or continuing threat to students, faculty and staff. Timely warning will not be limited to violent crimes or crimes against persons, and may include crimes against property or other types of serious or continuing threats.

Issuance of a Timely Warning is determined on a case-by-case basis. Factors included are the nature of the crime or threat, the continuing danger to the campus community and the possible risk of compromising law enforcement efforts. Bemidji State University will consult with local law enforcement and other officials when determining the need and content of any Timely Warning.

The intent of a Timely Warning is to enable the campus community to protect themselves and will include all information that would promote safety and aid in the prevention of similar crimes or protection from specific threats.

Timely warnings will be posted on bulletin boards throughout campus, and may also be found on the web at: https://www.bemidjistate.edu/services/public-safety/alerts/. Timely warnings will remain posted as long as it is determined a threat exists, or will be removed after thirty days if no similar incidents occur. Anyone with information warranting a Timely Warning should report the circumstances to the Department of Public Safety, by phone (218-755-3888) or in person in the basement of Walnut Hall.

EMERGENCY RESPONSE AND EVACUATION PROCEDURES

Upon confirmation of a significant emergency, or dangerous situation, involving an immediate threat to the health or safety of students or staff occurring on campus, it is the policy of the Department of Public Safety to make every effort available to contact every student, staff, and faculty member, unless issuing a notification will compromise the efforts to contain the emergency.

Bemidji State University has several methods of mass notification. The Department of Public Safety is a user of Blackboard Connect, a system that both calls primary contact phone numbers for students, staff, and faculty, as well as sending an instant e-mail to all campus accounts. Also, currently utilized in all academic and residential buildings at the Bemidji State University Campus is an “Informer” system that acts like a public address system that can be activated by the Department of Public Safety to communicate live messages to the campus community.
The information collected and inputted into the Blackboard Connect system is extracted from registration records that individuals provided upon Bemidji State University entry. The Blackboard Connect system is only used for purposes of emergency communication and will not be sold or used for marketing or any purpose other than emergency communications. "Emergency communications" is defined to be communication that is vital information to help minimize any significant risk to the health and safety of the community.

Procedure

Blackboard Connect may be activated by: the Vice President for Finance & Administration, Vice President for Student Development & Enrollment, Vice President of Academic Affairs, Director of Public Safety or designees.

Blackboard Connect is tested once a semester to ensure the system is in good working order and to assist campus community members with emergency preparedness in the event of an actual emergency.

Registration

1. Learners, faculty and staff are automatically enrolled in Blackboard Connect. Individuals are responsible for providing accurate data. The University assumes no liability or responsibility for improper or outdated data.
2. Learner data is collected from E-services. Every student must assure that their information in E-services is accurate and current for successful Blackboard Connect notification. Students who would like to edit their contact information should log into MyBSU/MyNTC, click on E-services, click on Account Management and then click on Address Info.
3. Faculty and staff data is collected from the BSU/NTC Portal. Faculty and staff who would like to edit their contact information should log into MyBSU/MyNTC, go to Settings in the upper right corner and click on Directory/Contact Info.

The systems mentioned above, along with Bemidji State University’s evacuation procedures, are tested independently several times a year. During Minnesota’s Severe Weather Awareness Week a full scale test of all emergency notification systems on campus is conducted.

Emergency Procedures Guides are distributed to all campus offices, made available via website (https://www.bemidjistate.edu/services/public-safety/wp-content/uploads/sites/92/2014/09/Emergency-Procedures-Guide.pdf), and are also available upon request. These guides include information on the following: 911 addresses for campus, general emergency procedures, severe weather, medical emergency, fire or smoke, mechanical/utility, crime reporting, terrorism, violent intruder, suspicious mail, hazardous materials and bomb threat. Also, all new employees are enrolled in a D2L introduction course to campus emergency procedures.

OFF-CAMPUS CRIME

All Bemidji State University organizations that are off-campus are monitored by the Bemidji Police Department, which shares information with the Department of Public Safety.

The Department of Public Safety includes the off-campus student organizations’ crime statistics in its annual report under the classification of “Non-Campus Building or Property”. Currently there are no off-campus student organizations recognized by the University.
PUBLIC CRIME LOG

The Bemidji State University Department of Public Safety creates, keeps and maintains a public crime log recording all crimes reported to the Department of Public Safety. The Bemidji State University log is viewable online at https://www.bemidjistate.edu/services/public-safety/daily-crime-and-fire-log/

The public crime log contains information regarding the nature, date, time and general location of each crime and disposition of the crime if known for crimes on campus, off campus property that is controlled by Bemidji State University and public property that borders campus. The purpose of the daily crime and fire log is to record all fires that occur on-campus student housing facilities, criminal incidents and alleged criminal incidents reported to the Department of Public Safety. Any portion of the log that is older than 60 days will be made available within two business days of a request for public inspection. Requests for inspection can be submitted to the Director of Public Safety, Walnut Hall, 218-755-3888.

Exceptions to published crimes in the public crime log include where disclosure of such information is prohibited by law or such disclosure would jeopardize the confidentiality of the victim, jeopardize an ongoing investigation or the safety of the individual, cause a suspect to flee or evade detection, result in the destruction of evidence in which such information may be withheld until that damage is no longer likely to occur from the release of such information. Bemidji State University may disclose any information withheld once the adverse effect described above is no longer likely to occur. The institution can withhold only that information that would cause the adverse effect.

CRIME REPORT STATISTICS: JANUARY 2016 TO DECEMBER 2018

It is the policy of Bemidji State University that the Department of Public Safety is recognized as the office responsible for the collection and publication of crime statistics, as required by the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act. Statistics in this report are gathered from the following sources: Public Safety Incident Reports, Beltrami County Law Enforcement Records, University Conduct Officials, Campus Security Authorities and Third Party Anonymous Reports.

Pursuant to the Act, the Bemidji State University Department of Public Safety monitors criminal activity and publishes this report containing a three-year statistical history of select crimes or incidents that occur. The statistics are gathered from four specific geographic areas; 1) campus, 2) residence halls (subset of campus if applicable), 3) non-campus property or institution sanctioned buildings or property and 4) public property that is adjacent to campus, and are submitted on an annual basis to the U.S. Department of Education.

The following definitions are taken from the Higher Education Act of 1965, 485(f) (20 U.S.C. 1092(f)), the “Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act”, and are used to classify the locations listed in the Bemidji State University Crime Statistics.

Campus property includes: Bemidji State University grounds, academic buildings, residential buildings, tunnels and campus parking lots.

**Non-Campus Building or Property:** The term “non-campus building or property” means 1) any building or property owned or controlled by an institution; and 2) any building or property (other than a branch campus) owned or controlled by an institution of higher education that is used in direct support of, or in relation to, the institution’s educational purposes, is used by students, and is not within the same reasonably contiguous geographic area of the institution.

Non-campus property includes: The Bemidji Sanford Center and Hobson Union Forest.

**Public Property:** The term “public property” means all public property that is within the same reasonably contiguous geographic area of the institution, such as a sidewalk, a street, other thoroughfare, or parking facility, and is adjacent to a facility owned or controlled by the institution if the facility is used by the institution in direct support of, or in a manner related to the institution’s educational purposes.

Bemidji State University public property includes adjacent streets, parking lots, sidewalks, stairwells.

The policy and procedure follow the Minnesota State Board Policy 1B.3 Sexual Violence and 1B.3.1 Response to Sexual Violence Procedure. The Minnesota State Policy and Procedure can be found at: https://www.minnstate.edu/board/policy/index.html.

Bemidji State University is committed to eliminating sexual violence in all forms and will take appropriate remedial action against any individual found responsible for acts in violation of the Sexual Violence Policy. To further its commitment against sexual violence, Bemidji State University provides reporting options, an investigative and disciplinary process, and prevention training as appropriate.

This policy applies to Bemidji State University students and employees and to others, as appropriate, where incidents of sexual violence on Bemidji State University property have been reported. Reports of sexual violence committed by a student at a location other than on system property are covered by this policy if hazing is involved; if the violation is committed while participating in a university-sanctioned or sponsored activity; if the person who experienced the act of sexual violence is a member of the university community; if the violation constitutes a felony under state or federal law; or the violation adversely affects the educational, research, or service functions of the university. Reports of sexual violence committed by a system employee at a location other than system property are covered by this policy.

Reports of sexual violence committed on Bemidji State University property by individuals who are not students or employees are subject to appropriate actions by Bemidji State University, including, but not limited to, pursuing criminal or civil action against them.

SEXUAL VIOLENCE AND RELATED OFFENSES DEFINITIONS

Bemidji State University Property: means the facilities and land owned, leased, or under the primary control of Bemidji State University.

Affirmative Consent: Consent is informed, freely given and mutually understood willingness to participate in sexual activity that is expressed by clear, unambiguous, and affirmative words or actions. It is the responsibility of the person
who wants to engage in sexual activity to ensure that the other person has consented to engage in the sexual activity. Consent must be present throughout the entire sexual activity and can be revoked at any time. If coercion, intimidation, threats, and/or physical force are used, there is no consent. If the complainant is mentally or physically incapacitated or impaired so that the complainant cannot understand the fact, nature, or extent of the sexual situation, there is no consent; this includes conditions due to alcohol or drug consumption, or being asleep or unconscious. A lack of protest, absence of resistance, or silence alone does not constitute consent, and past consent to sexual activities does not imply ongoing future consent. The existence of a dating relationship between the people involved or the existence of a past sexual relationship does not prove the presence of, or otherwise provide the basis for, an assumption of consent. Whether the respondent has taken advantage of a position of influence over the complainant may be a factor in determining consent.

**Dating Violence:** The term “dating violence” means violence committed by a person— who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of such a relationship shall be based on the reporting party’s statement and with consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship. For the purposes of this definition, Dating Violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse. Dating violence does not include acts covered under the definition of domestic violence. Any incident meeting this definition is considered a crime for the purposes of Clery Act reporting.

**Domestic Violence:** Violence including physical harm or abuse, and threats of physical harm or abuse, arising out of a personal intimate relationship. This violence also may be called spousal/partner abuse and may be subject to criminal prosecution under Minnesota law.

**Employee:** means any individual employed by Bemidji State University including student workers.

**Fondling:** is defined as the touching of the private parts of another person for the purposes of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental incapacity.

**Incest:** is defined as nonforcible sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.

**Non-forcible sex acts:** Non-forcible acts include unlawful sexual acts where consent is not relevant, such as sexual contact with an individual under the statutory age of consent, as defined by Minnesota law, or between persons who are related to each other within degrees wherein marriage is prohibited by law.

**Rape:** is defined as the penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim.

**Sexual Assault:** An actual, attempted, or threatened sexual act with another person without that person’s affirmative consent. Sexual assault is often a criminal act that can be prosecuted under Minnesota law, as well as form the basis for discipline under the Student Code of Conduct and employee disciplinary standards. Sexual assault includes but is not limited to:

1. Involvement without consent in any sexual act in which there is force, expressed or implied, or use of duress or deception upon the victim. Forced sexual intercourse is included in this definition, as are the acts commonly referred to as date rape or acquaintance rape. This definition also includes the coercing, forcing,
or attempting to coerce or force sexual intercourse or a sexual act on another.
2. Involvement in any sexual act when the victim is unable to give consent.
3. Intentional and unwelcome touching of a person’s intimate parts (defined as primary genital area, groin, inner thigh, buttocks, or breast); or coercing, forcing, or attempting to coerce or force another to touch a person's intimate parts.
4. Offensive sexual behavior directed at another, such as indecent exposure or voyeurism.

**Sexual Violence:** A continuum of conduct that includes sexual assault, non-forcible sex acts, dating and relationship violence, stalking, as well as aiding acts of sexual violence.

**Stalking:** Conduct directed at a specific person that is unwanted, unwelcome, or unreciprocated and that would cause reasonable people to fear for their safety or the safety of others or to suffer substantial emotional distress.

1. Course of conduct means two or more acts, including, but not limited to, acts which the stalker directly, indirectly, or through third parties, by any action, method, device, or means follows, monitors, observes, surveils, threatens, or communicates to or about, a person, or interferes with a person’s property.
2. Substantial emotional distress means significant mental suffering or anguish that may, but does not necessarily, require medical or other professional treatment or counseling.
3. Reasonable persons means a reasonable person under similar circumstances and with similar identities to the victim.

**Statutory Rape:** is defined a nonforcible sexual intercourse with a person who is under the statutory age of consent.

**Student:** is defined to include all persons who:

1. Are enrolled in one or more courses, either credit or non-credit through a college or university; or
2. Withdraw, transfer or graduate, after an alleged violation of the student conduct code; or
3. Are not officially enrolled for a particular term but who have a continuing relationship with Bemidji State University; or
4. Have been notified of their acceptance for admission or have initiated the process of application for admission or financial aid; or
5. Are not Bemidji State University employees and are not enrolled in the institution but live in a Bemidji State University residence hall.

**PROCEDURE FOR REPORTING SEXUAL VIOLENCE**

If you have experienced sexual violence, your first priority should be to get to a safe place. Once accomplished, you have options. You may seek medical attention from the Sanford Bemidji Hospital (218-751-5430) or Bemidji State University Student Center for Health and Counseling (218-755-2053) regardless of whether you report the matter to the police. The Department of Public Safety is the office of official record for reports of sexual violence, as it is for all reported law violations. Students, faculty and staff are encouraged to contact the Department of Public Safety to report any information regarding sexual violence. Although the Department of Public Safety also strongly encourages all members of its community to report violations of this policy to law enforcement, it is your choice whether or not to
make such a report, and you have the right to decline involvement with the police. The Department of Public Safety (218-755-3888) will assist you with notifying local police if you so desire. The Bemidji Police Department may be reached directly at 218-333-9111 or in person at 613 Minnesota Ave NW, Bemidji, MN 56601. The Department of Public Safety will also assist you in contacting the Title IX/Affirmative Action Office (218-755-4121) for those that desire to file a formal complaint with that office.

Sexual assault survivors should be aware of the University’s responsibility to release information regarding the fact that an assault occurred for the protection and safety of others. If the Director of Public Safety (or a designee) determines that a threat continues to exist for the campus community, information about the reported sexual assault will be reported to the community whether reported by a sexual assault survivor or through a third-party report. Taking care to protect the identity of the survivor, as much detail as possible regarding the incident will be released such as location, date, time, and information that might help identify the assailant. The Department of Public Safety will inform the campus community of the reported sexual assault by posting “Security Alerts”.

University/college staff, who are “campus security authorities” will inform the Department of Public Safety of reports of sexual assault and can provide anonymous “third party reports” at the request of the student.

Individuals may also file an anonymous complaint of sexual violence by completing an anonymous complaint form on the BSU Affirmative Action website. You also have the right to make anonymous (third-party) reports to the Department of Public Safety. These are also found on the Affirmative Action website. Third party reports may prevent the University and the Bemidji Police Department from actively investigating the incident, but they still help provide the Department of Public Safety and the Title IX Coordinator with an accurate understanding of the frequency of sexual violence incidents.

Timely and prompt reporting of a sexual assault within 120 hours is critical in collecting and preserving evidence important in proving a criminal case against the assailant. If you have experienced sexual violence, it is important that you do not bathe, douche, smoke, change clothing or clean the bed/linen/area where the assault took place so that evidence may be preserved that may assist in proving that the alleged criminal offense occurred/or is occurring or may be helpful in obtaining a protection order. In circumstances of sexual assault, if you do not opt for forensic evidence collection, health care providers can still treat injuries and take steps to address concerns of pregnancy and/or sexually transmitted disease. Even if the 120 hours have passed, you may report incidents of sexual violence at any time.

Those who experience sexual violence are encouraged to also preserve evidence by saving text messages, instant messages, social networking pages, other communications, and keeping pictures, logs or other copies of documents, if they have any, that would be useful to investigators or police.

Filing a report with the Department of Public Safety will not obligate you to pursue prosecution, nor will it subject you to scrutiny or judgment. Filing a report will:

- Ensure that you receive the necessary medical treatment and tests, at no expense to you.
- Provide the opportunity for collection of evidence that is helpful for prosecution, and cannot be obtained later. (Ideally, you should not wash, douche, use the toilet, or change clothing prior to a medical exam).
- Ensure you have access to free confidential counseling from counselors specifically trained in the area of sexual crisis intervention.
Counseling and medical services are available on campus at the Bemidji State University Student Center for Health and Counseling (218-755-2053) and off campus. The Department of Public Safety has information on additional resources including the Support Within Reach Sexual Violence Resource Center available to those who have experienced sexual violence.

If you have experienced sexual violence, Bemidji State University encourages you to contact one or more of the following:

Each report will be taken as presented by the reporting party. Appropriate criminal classifications will be determined after a review of all the facts presented.

In order to reduce contact between the person who experienced sexual violence and the alleged assailant, Bemidji State University will, at the request of the reporting party, attempt to provide a change in classes, academic schedules, dormitory rooms, transportation or working arrangements as applicable and take other appropriate remedial measures. Bemidji State University will provide written notice to the reporting party of these options. The options are available to individuals who have experienced sexual violence regardless of whether the victim chooses to report the crime to law enforcement or campus authorities.

You have the right to petition for an Order for Protection (OFP) or a Harassment Restraining Order (HRO), the Department of Public Safety has information on where to file for and request an OFP or HRO. Bemidji State University may take actions it deems necessary or appropriate in response to all protection, restraining or no contact orders.

You may contact the Minnesota Crime Victims Reparations Board at 651-201-7300. The Crime Victims Reparations Board provides financial help to victims and their families for losses incurred as a result of a violence crime. You may also visit [https://dps.mn.gov](https://dps.mn.gov) for additional information.

Bemidji State University will provide written notification to the person who experienced sexual violence of physical health, mental health, victim advocacy and other support services available on campus and in the community as noted.
above as well as written explanation of his or her rights and options under Bemidji State University Sexual Violence policy.

The University will take appropriate action to safeguard the person who experienced sexual violence and, at the same time, protect the rights of the person alleged to have committed the sexually violent act.

The University will normally not take any disciplinary action against a member of the campus community without a written complaint and the assistance of the complainant in the disciplinary process, unless the University determines there is a clear danger to the person who experienced sexual violence or the college community.

**ASSISTANCE FOR VICTIMS – RIGHTS AND OPTIONS**

Regardless of whether a person who has experienced sexual violence elects to pursue a criminal complaint or whether the offense is alleged to have occurred on or off campus, Bemidji State University will provide that individual with a written explanation of their rights and options. In Minnesota, those who have experienced domestic violence, dating violence, sexual assault or stalking have the following rights:

Any person who obtains an order of protection from Minnesota or any reciprocal state (Under VAWA’s full faith and credit provision, every state must recognize and enforce protection orders issued in other states, as if issued in the enforcing state) should provide a copy to the Bemidji State University Department of Public Safety and the Office of the Title IX Coordinator. The individual may then meet with the Bemidji State University Department of Public Safety to develop a Safety Action Plan, which is a plan for campus officials and the individual to reduce risk of harm while on campus or coming and going from campus. This plan may include, but in not limited to: escorts, changing classroom location or allowing a student to complete assignments from home, etc.

If reasonably available, the individual may be offered changes to academic, living, or working situations in addition to counseling, health services, visa and
immigration assistance and assistance in notifying appropriate local law enforcement. Additionally, personal identifiable information about the reporting party will be treated as confidential and only shared with persons with a specific need to know who are investigating/adjudicating the complaint or delivering resources or support services to the individual (for example, publicly available record-keeping for purposes of Clery Act reporting and disclosures will be made without inclusion of identifying information about the individual, as defined in 42 USC 1395 (a) (20).) Further, Bemidji State University will maintain as confidential, any accommodations or protective measures provided to the individual to the extent that maintaining such confidentiality would not impair the ability of the institution to provide the accommodations or protective measures.

about resources for students who have experienced sexual violence at the institution to which the student is transferring;

- Students who file a complaint of sexual violence will be informed of the outcome of any campus disciplinary proceeding concerning the sexual violence complaint, consistent with the laws relating to data practices;

- Consistent with the laws governing access to student records, the university will provide a student who reported an incident of sexual violence with access to the student’s description of the incident as it was reported to the institution, including if that student transfers to another postsecondary institution;

- Campus authorities will inform students who have experienced sexual violence of their rights to assistance from the office of the Crime Victim Ombudsman and the Crime Victim Reparations Board and will provide assistance in contacting these offices.

**CAMPUS DISCIPLINARY ACTION, SEXUAL VIOLENCE**

Those who experience sexual violence or those witnessing any type of sexual violence are strongly encouraged to report the incident to the Department of Public Safety (218-755-3888) and the Bemidji Police Department (218-333-9111) or the Affirmative Action Officer/Title IX Coordinator (218-755-4121). The Department of Public Safety is the office of official record for reports of sexual assault, as it is in all reported law violations. A report with the Department of Public Safety can ensure that proper steps are taken to ensure the safety of the survivor as well as the safety of the campus community as a whole. Filing a report with the Department of Public Safety can also initiate the Bemidji State University disciplinary process, and is an option for any person wishing to report a case of misconduct.

Bemidji State University will normally not take any disciplinary action against a member of the campus community without a written complaint and the assistance of the complainant in the disciplinary process, unless the University determines there is a clear danger to the victim or the Bemidji State University community.

Because of laws concerning government data contained in the Minnesota Government Data Practices Act, Bemidji State University cannot guarantee confidentiality to those who report incidents of sexual violence except where those reports are privileged or confidential communications with licensed health care professionals or similar professionals. On campus licensed health care professionals include the Bemidji State University Counseling Center (218-755-2024).

In order for Bemidji State University to proceed with an investigation, a complaint whether by victim or third party must be filed with the University Conduct Officer. Reports made through the Department of Public Safety will be forwarded to the Bemidji Police Department. After receiving a report/complaint, the Affirmative Action Officer/Title IX Coordinator, who must receive annual investigatory training, shall take the steps listed below to insure a prompt, fair, and impartial process following Bemidji State University’s Sexual Violence Policy and Reporting Sexual Violence Procedure:

1. The investigator will conduct a fact-finding inquiry or investigation into the complaint, including appropriate interviews and meetings. Both the complainant and respondent are allowed to have an advisor accompany them through the process. The advisor, however, will not normally be allowed to participate in questioning involving a student;

2. The investigator will investigate the complaint without identifying the complainant if, in the judgment of the designated officer, this would increase the likelihood of satisfactory resolution of the complaint;

3. The past sexual history of the complainant and respondent shall be deemed irrelevant except as that history may directly relate to the incident being considered;
4. The investigator will inform the complainant, respondent, witnesses and other involved individuals of the prohibition against retaliation and reprisal;

5. Both the complainant and respondent will be able to identify witnesses who may be interviewed at the investigator’s discretion;

6. Both the complainant and respondent will be able to present information and material to the investigator for his/her review and consideration;

7. Both the complainant and respondent will be able to respond to contradictory or conflicting information or evidence that is provided by any witnesses or the other party;

8. Both the complainant and respondent can decide not to participate in the investigation or an interview with the investigator and the investigator to not hold that decision against them during the investigation process;

9. The investigator will create, gather and maintain investigative documentation as appropriate;

10. The investigator will disclose appropriate information to others only on a need to know basis consistent with state and federal law; and provide a data privacy notice (Tennessen warning) in accordance with state law;

11. The investigator will inform the complainant and respondent of the status of the investigation at reasonable times until final disposition of the complaint;

12. The investigator will develop an investigation report for review by a decision-maker;

13. The decision-maker will determine whether the facts in evidence substantiate a violation of the Sexual Violence policy and notify both the complainant and respondent in writing of the outcome of the investigation;

14. If the decision-maker has determined the Sexual Violence policy has been violated, the Vice President of Student Life and Success (if the respondent is a student) or the appropriate supervisor and Human Resources (if the respondent is an employee), will be conferred with to determine an appropriate level of sanction.

15. Upon request, the investigator will provide a redacted investigation report to the complainant or respondent unless the information is protected under state or federal law.

The normal timeframe within which investigations are completed is 60 days unless reasonable cause for delay exists. The Title IX Coordinator will notify the complainant and respondent if the written response is not expected to be issued within the 60 day period.

Both the complainant and the respondent may appeal the decision of the decision-maker. An appeal must be filed in writing with the president or designee within ten (10) business days after notification of the decision. During the pendency of the appeal, disciplinary or corrective action taken as a result of the decision shall be enforced. In addition, in cases involving sanctions of suspension for ten (10) days or longer, students shall be informed of their right to a contested case hearing under Minnesota Statutes, Chapter §14.

Bemidji State University uses a preponderance of the evidence standard of evidence in determining violations of its Sexual Violence policy.
Students who are found to have violated the Sexual Violence policy could face sanctions up to and including suspension or expulsion from Bemidji State University. Employees found to violate the policy may be disciplined up to and including termination.

During and upon completion of the complaint process, the complaint file shall be in the Affirmative Action Officer/Title IX Coordinator’s office. Access to the data shall be in accordance with the respective collective bargaining agreement or personnel plan, the Minnesota Government Data Practices Act, the Family Educational Rights and Privacy Act or other applicable law.

**CAMPUS DISCIPLINARY ACTION**

The Bemidji State University disciplinary process is an option for any person wishing to report a case of student misconduct or violation of the campus Code of Conduct. In order for the University to proceed with the conduct process, a written complaint (whether by the victim or a third party) must be filed with the University Conduct Officer. If the complaint is criminal in nature, it will be forwarded to the Department of Public Safety. The Department of Public Safety will inform local law enforcement officials of the complaint. Bemidji State University will, upon written request, disclose to the alleged victim of a crime of violence, or non-forcible sex offense, the results of any disciplinary hearing conducted by the University against the student who is the alleged perpetrator of the crime or offense. If the alleged victim is deceased as a result of the crime or offense, Bemidji State University will provide the results of the disciplinary hearing to the victim’s next of kin if so requested.

The full MnSCU policy may be accessed electronically.)

**CAMPUS SEX CRIMES PREVENTION ACT**

The federal Campus Sex Crimes Prevention Act, enacted on October 28, 2000, went into effect October 28, 2002. The law requires institutions of higher education to issue a statement advising the campus community where law enforcement agency information provided by a state concerning registered sex offenders may be obtained. It also requires sex offenders already required to register in a state to provide notice, as required under State law, of each institution of higher education in that state at which the person is employed, carries on a vocation, volunteers services or is a student.

The Minnesota Bureau of Criminal Apprehension administers a predatory offender registration and tracking program. Any questions regarding the program may be directed to the Criminal Assessment Program at 888-234-1248 or 651-603-6748. Information regarding this program can be found at the following website: [https://por.state.mn.us/Home.aspx](https://por.state.mn.us/Home.aspx)

In addition, information regarding registered sex offenders may be obtained through the Minnesota Department of Corrections at 651-642-0200. An offender locator, for offenders that have the highest risk for re-offense, can be accessed from the Minnesota Department of Corrections website: [https://mn.gov/doc/](https://mn.gov/doc/)

**MISSING STUDENT NOTIFICATION POLICY**

If at any time a student, faculty or staff member becomes aware or suspects a student is missing for 24 hours, report immediately to the Bemidji State University Department of Public Safety or Bemidji Police Department. Any missing student report by any other Campus Security Authority, will be referred immediately to the Department of Public Safety and/or the Bemidji Police Department.

Students have the option of identifying and designating a contact person or persons whom Bemidji State University shall notify within 24 hours of the determination that the student is missing, as determined by the Bemidji State University Department of Public Safety or local law enforcement agency. Students are advised that their contact information will be registered confidentially and will only be accessible to authorized campus officials. Information may not be disclosed, except to law enforcement personnel in furtherance of a missing person investigation.

In addition to registering an emergency contact, students residing in on-campus housing have the option to identify confidentially an individual to be contacted by Bemidji State University in the event the student is determined to be missing for more than 24 hours. If a student has identified such an individual, Bemidji State University will notify that individual no later than 24 hours after the student is determined to be missing. Students who wish to identify a confidential will be given a “Missing Person Emergency Contact Registration Card” at the time of check in. Students wishing to provide this information will be asked to complete the card and either leave it at the hall desk at the time of check in or bring the card to the Department of Public Safety in Walnut Hall. These cards will remain on file at the Department of Public Safety.

If a member of the college community has reason to believe that a student who resides in on-campus housing is missing, he or she should immediately notify Bemidji State University Department of Public Safety (218-755-3888). Upon receiving information that a student cannot be located and may be missing, Public Safety officers in conjunction with Residential Life personnel will initiate an investigation which will include the following:
• Conduct a welfare check into the student’s room.
• Call known contacts (parents, guardians, roommates, and friends).
• Contact employers and associates, if known.
• Contact the student’s professor to ascertain the student’s recent attendance in class.
• If the student has a vehicle, the Public Safety parking officer will attempt to locate the vehicle.

If students are under 18 years of age and not emancipated, Bemidji State University MUST notify a custodial parent or guardian within 24 hours of the determination that the student is missing, in addition to notifying any additional contact person designated by the student. Bemidji State University will notify local law enforcement within 24 hours of the determination that the student is missing, unless law enforcement was the agency that made the determination that the student is missing.
ANNUAL FIRE SAFETY REPORT

If a fire occurs in any Bemidji State University building, pull the alarm and leave the building. When a fire alarm is activated, the elevators in most buildings will stop automatically. Occupants should use the stairs to evacuate the building. If you are caught in the elevator, push the emergency phone button. The emergency phones in elevators on campus ring to the Public Safety dispatcher. After you have safely left the building, call Public Safety and inform the dispatcher of the situation. If you encounter possible evidence of a fire and are unsure if Public Safety has been informed, please immediately contact the dispatcher and advise them of what you have found.

Smoking, open flames and most electrical appliances are banned in residence halls. Specific information on allowable and prohibited items and behavior can be found in the Residential Life Guidebook.

RESIDENTIAL FIRE SAFETY POLICIES

TAMPERING WITH FIRE EQUIPMENT

Fire safety equipment that has been tampered with may fail to operate correctly in an emergency. This could prove fatal. Tampering with fire safety equipment (including but not limited to fire alarm pull stations, fire extinguishers, smoke detectors, sprinkler heads, and exit signs) when there is not a fire or any reason to believe that one exists will result in disciplinary action, civil penalties and possible eviction.

The Department of Public Safety and the Department of Residential Life will pursue prosecution to the full extent of the law of any individuals suspected of creating a false fire alarm or tampering or interfering with any fire alarm system or equipment.

Chapter 609.686 of the Minnesota State Criminal Code states the following regarding fire alarms and tampering with a fire alarm system:

- It is a MISDEMEANOR to intentionally create false fire alarm or to tamper with any fire alarm system, fire protection device or fire pull station.
- It is a FELONY to tamper with a fire alarm system or equipment if one has reason to know that this action creates a potential for bodily harm

FIRE SAFETY REGULATIONS

All students are expected to observe the following fire safety regulations:

- Flammable liquids (i.e. gasoline, white gas, propane, kerosene, etc.) are not permitted in residence halls.
- No ironing or cooking (except microwaves) is permitted in student rooms.
- No appliances with heating units, with the exception of hair dryers, coffee makers and hot air popcorn poppers may be used in student rooms. When in use these appliances must not be left unattended. All appliances must be UL or FM approved.
- Smoke detectors must not be tampered with in any way.
- Light fixtures, electrical outlets and switches, etc. are not to be tampered with in any way. Items that might serve as electrical conductors should not be hung from them.
• No candles or other open flame may be burned in student rooms. The burning of incense, sage, sweet grass and cedar is permitted if burned in an appropriate fire safe container. (See University policy)
• Motorbikes or other motorized vehicles may not be stored in student rooms or in any residence hall location.
• Only fire retardant or flame proof materials and decorations may be used. The Holiday Decoration policy is available from any member of the Residential Life Staff.
• Excessive use of paper on a student’s door is not permitted. As a guideline no more that 20 percent of the door may be covered.
• Only metal or flame-retardant wastebaskets are allowed in student rooms.
• Only UL approved halogen light fixtures may be used.
• Do not leave cooking food unattended in Residence Hall kitchens.

**FIRE EVACUATION PROCEDURES**

At the first indication of a fire, whether it is a persistent smoke or fire alarm, smoke, or flames, follow the below procedure.

**IF YOU SEE A FIRE**

- Leave the area immediately.
- Contact the fire department at (9-911) and/or the Department of Public Safety (3888).

**WHEN THE FIRE ALARM SOUNDS**

- Always assume there is a fire. Don't ignore it.
- If time permits, take a jacket and shoes, and a towel to cover your face.
- Stay low and crawl to your door. Smoke fills a room from the ceiling down.
- Test the door with the back of your hand.
- If the door is hot, keep the door closed and stay in the room.
- If the door is cool, open it slowly. Walk quickly and calmly to the ground level, closing all doors behind you. Do not use an elevator. An elevator may open at a floor on fire or stop working, trapping you inside.
- If there is smoke in the hallway, crawl to the stairs. Count the doors as you go so you do not get lost. If the smoke and heat are too great, try an alternate escape route. If both escape routes are blocked, return to your room.
- Once you have exited the building move away from the building and stay at least 300 feet away.

**IF YOU ARE TRAPPED INSIDE YOUR ROOM**

- Close the door between you and the fire.
- Cover up cracks and vents to keep smoke and toxic gases out.
- Put a wet cloth over your nose and wait at a window.
- Open the window a few inches for fresh air. **Do not** break the glass.
- Hang a sheet or some other article out your window to sign the fire department.
- **Do not** panic.

**ONCE YOU HAVE EVACUATED THE AREA**

- Notify authorities of anyone that may not be able to physically respond to the fire alarm or use sound judgment to evacuate the area (e.g. wheelchair users or someone under the influence of alcohol or drugs).
- Do not reenter the building until you are told to do so by authorities.
FIRE SAFETY EDUCATION AND TRAINING

Floor meetings are conducted at the beginning of each academic semester to provide verbal instructions on safety procedures in the residence halls, including fire safety.

FIRE DRILLS

Fire drills are used to familiarize occupants with the building's alarm system, emergency exits that may not normally be used, and methods of reporting fires. All residents must evacuate when the fire alarm is activated. Residential Life conducts fire drills twice a semester, including one drill per semester between sunset and sunrise. Your cooperation and support is essential during all fire drills.

FIRE SAFETY TIPS

- Evacuate promptly.
- Make a fire escape plan and practice it. Locate two fire exits close to your room and count the number of doors between your room and each exit.
- Make a plan to assist others who are unable to evacuate on their own. Even if it is a temporary disability, plan ahead for fire emergencies.

IF YOUR CLOTHES CATCH FIRE

- Stop, do not run.
- Drop to the ground or floor immediately and cover your face with your hands.
- Roll over back and forth to smother the flames.

FIRE STATISTICS

All statistics are those fires that are defined as any instance of open flame or other burning in a place not intended to contain the burning or in an uncontrolled manner. The number of incidents reported is per calendar year; January 1-December 31 for the previous three years.

Any student or employee who gains knowledge of a fire occurring in a campus residential facility should be reported immediately to the Department of Public Safety at 218-755-3888.
